**CAREFULLY READ ALL RULES**

## ENTRIES

1. Please note that many times within this premium book and on the website, the Arizona National Livestock Show is referred to as "Arizona National". In all cases the listings refer to the Arizona National Livestock Show.
2. Competition is open to the world except where otherwise stated.
3. Entries will be submitted online at www.aznational.org/show-entry-portal/. See specific divisions for entry deadlines. Entries must be submitted online by 11:59 p.m. (AZ time) of the deadline date indicated. Where allowed, entries and DNA kits submitted through the Arizona National Livestock Show Office must be received in the Arizona National Livestock Show Office on or before the deadline as printed **OR** must be postmarked by a U.S. Post Office on or before the deadline **AND** received in the Arizona National Livestock Show Office within seven (7) days of the deadline. Metered postmarks are **NOT ACCEPTABLE** for entries received after the deadline. Use of mail tracking services are strongly recommended.
4. Entry and other fees are due at the time of entry unless otherwise stated. Entry and other fees paid online may be subject to a 4% credit card transaction fee.
5. Refunds will be allowed prior to the posted entry deadline, less a 15% office fee. Entries declined due to lack of required information may not receive a refund.
6. The Arizona National Livestock Show reserves the right to accept or reject any entry or application, to limit entries to available facilities, and to limit the number of entries by an exhibitor.
7. Entries will not be accepted if exhibitor or exhibitor's immediate family member owes money to the Arizona National Livestock Show.
8. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer or responsible person to have disciplinary action taken by Arizona National Livestock Show for violation of show rules, policies and procedures without recourse against the Arizona National Livestock Show. Disciplinary action may include disqualification, withholding of premiums, sale proceeds or awards, fines, prohibition from future participation and/or reporting violations to government agencies or other fairs and livestock shows.
9. A Bill of Sale may be requested during the Arizona National Livestock Show.
10. The Arizona National reserves the right to return entries and cancel any division or class in which, in its judgement, the entries are insufficient to secure adequate competition.
11. The Arizona National is not responsible for lost mail or mailing delays.

## INTERPRETATION

12. The Arizona National Livestock Show Executive Committee reserves the final and absolute right to interpret all rules and regulations, arbitrarily settle and determine all matters, questions and differences in regard to or arising out of or connected with the Arizona National Livestock Show and the right to amend or to add to these rules as it is determined necessary. An exhibitor who violates any of the rules will forfeit all privileges and premiums and will be subject to such penalty as the Executive Committee may order.
13. The Arizona National Livestock Show assumes no responsibility for the correctness of any description given in the Premium Book. All interpretation will be based on the most recent version date.

## LIABILITY

14. All exhibitors will be under the control and direction of the Show Management but Arizona National Livestock Show, Inc. or its officers, directors, agents, or employees or the Arizona State Fair and Exposition Center or its officers, directors, agents or employees will in no case be responsible for any loss, injury or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage that may occur to him or his officers, agents, employees or animals during the Arizona National Livestock Show.
15. The exhibitor shall indemnify the Arizona National Livestock Show against any and all legal proceedings in regard to the above and against damage or injury to any other person or property, caused by the exhibitor, his officers, agents, employees or animals.

## CHECKS, SERVICE FEES

16. A 4% transaction fee may be charged for credit card payments.
17. A $50 service fee will be charged on all returned checks.
18. Returned checks must be replaced with cash or money order before entries are shown and premiums will be paid.
19. A late fee of 1% per month may be charged on all accounts not paid within 30 days.
20. The Arizona National Livestock Show is not able to cash checks.

## CONDUCT

21. Direct criticism or interference with the judge, livestock show management, volunteers, other exhibitors, breed representatives or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, livestock show management or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
22. Only animals participating in the Arizona National Livestock Show are permitted to be on the show grounds during the Arizona National Livestock Show unless approved and arranged for specific purposes by the Executive Director.
23. Animals at the Arizona National Livestock Show will be treated in accordance with all local and state regulations and any mis-treatment or ill-treatment of animals may result in a cancellation of this agreement.
24. Exhibitors are expected to properly care for their animals and to maintain the cleanliness and orderliness of their animals, stalls and pens. Department Superintendents will notify exhibitors of improper care or inappropriate treatment. The Superintendent or Director of Livestock, in concurrence with the Executive Director, may disqualify the animal(s) and require immediate removal from the grounds if improper care or inappropriate treatment continues after notification.

25. Stalls, pens and aisles must be cleaned by 7:30 a.m. daily.
26. Public aisles and walkways must remain clear of tack, chairs, equipment and animals.

## UNETHICALLY FITTED/REPRESENTED LIVESTOCK

27. Unethical Fitting is hereafter defined as the altering or changing of the natural appearance, weight, musculature or conformation of an animal in an unnatural or artificial manner.
28. Unethical Fitting includes, but is not limited to the following:
    a. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
    b. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
    c. Blocking the nerves to prevent limping or switching of the tail.
    d. Striking the animal to cause swelling.
    e. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming of hooves.
    f. Insertion of foreign material under the skin.
    g. Altering the color of hair at any point, spot or area on the animal's body (e.g. white hair may not be painted black).
    h. The use of alcoholic or carbonated beverages in the feed or administered as a drench.
    i. The use of diuretics.
    j. Administration of an illegal, un-approved, or performance enhancing drug internally or externally.
    k. The addition of any hair or hair like material to an animal's body will not be permitted, except for tail heads or false tail switches on cattle and hair on goat legs.
29. Exhibitor specifically represents that no animal entered by him/her is unethically fitted and that the date of birth is correctly stated.

## JUDGES

30. The reputation and ability of a judge is considered during the selection process. Judges may explain their placings.
31. The decisions of judges are final. The judge's decision cannot be protested. When fraud, misrepresentation, error or collusion is discovered, the Show Management or appointed referee may change final placement.

## PROTESTS

32. A completed protest form with signature(s) must be delivered to the appropriate Department Superintendent within six (6) hours of a protested occurrence. Department Superintendent will immediately notify Executive Director of Protest. A $250 deposit (cash, certified check or money order), must accompany the protest. The deposit will be forfeited if the protest is not sustained. Protests will be adjudicated by the Executive Committee; whose decision is final. A protest may only be submitted based on a violation of rules during the show.

## PARADES AND CONTESTS

33. Exhibitors must ascertain when their livestock will be judged. Animals must be in the ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.
34. If an exhibitor chooses not to show an animal in a class, he/she must notify the Division Superintendent before the class is called.

35. Exhibitors may be asked to parade their animal by the Show Management.
36. Exhibitors and their livestock which qualify to compete for any Grand or Reserve Champion selection must participate in these judging's as scheduled. Exhibitors that do not participate will forfeit all awards and premiums in addition to further sanctions as deemed necessary.
37. In order to provide meaningful livestock judging contests, Show Management reserves the right to select exhibitor's animals for use in such contests.

## PREMIUMS AND AWARDS

38. Premiums and awards are stated in the Rules and Regulations of each Division.
39. Premiums will be paid as soon as possible after the Arizona National Livestock Show has concluded. If premiums are not received by February 28, please contact the Arizona National.
40. Premium checks are made out to the owner as named on the entry.
41. Total premiums of $600 or more to any individual will be paid only after the Arizona National receives a completed IRS Form W-9.
42. Checks not cashed within sixty (60) days of the date of issue are void and may not be reissued.
43. Judges shall award first, second, third, etc. places according to merit; if without merit, the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in a class.
44. Arizona National Livestock Show may apply premium proceeds to amounts owed by an exhibitor, owner or their immediate family members. If such amounts owed are deducted from premium proceeds, a $25.00 administrative fee may also be deducted.

## ARRIVALS AND DEPARTURES

45. All livestock may be individually inspected by show veterinarians or show officials before entering the show grounds. Livestock Officials may inspect paperwork prior to and after any auction.
46. Upon arrival exhibitor packets containing pertinent show information, items purchased and show back tags will be distributed.
47. All livestock exhibitors are to report to the appropriate barn office to turn in any required paperwork including but not limited to health, registration and inspection papers.
48. Release will be 6:00 p.m.- 6:00 a.m. daily.
49. Any animals abandoned at the Arizona National Livestock Show will be handled at the discretion of the Executive Director and Show Management. The animal may be sold to a packer. If the exhibitor is later located, the exhibitor will receive market price minus a 20% commission fee or a $100 fine, whichever is the greater amount. If the exhibitor cannot be located, the Arizona National Livestock Show will keep the all proceeds from sale of animal.

## SIGNAGE

50. No signage larger than 8”x10” may be displayed without Show Management approval.

## CATTLE BLOCKING CHUTES

51. Cattle blocking chute permits cost $50 each and can be purchased online at www.aznational.org/show-entry-portal/, Blocking chute permits are issued at check-in. Blocking chutes are defined as stand-alone full body chutes as well as half chutes. Blocking chutes are **NOT** allowed in the cattle tie-outs. **No blocking chutes may be set-up in traffic areas until load-in is complete.** Blocking chutes without the Arizona National Livestock Show permit may be confiscated.
52. Exhibitors are encouraged to cooperate with each other to utilize available blocking chutes.

## ELECTRICAL GENERATORS AND EQUIPMENT

53. The Arizona National will not be liable for any damage to or theft of electrical devices at the Arizona National.
54. All fans, blowers, hand clippers and other electrical appliances must be equipped with a ground wire. Use of electrical appliances is limited to plug-in outlets provided in stalls and blocking chute areas. Removal of light bulbs from any outlet is prohibited. Stapling, attaching or extending an extension cord in an unsafe manner is prohibited.
55. Electric power is limited in all barns and buildings. Blowers and clippers may not be operated inside the Junior Cattle Barns.
56. Portable electric generators whether owned, rented or borrowed, which are operated by an exhibitor at the Arizona National Livestock Show, must be equipped with Ground Fault Interrupter (G.F.I.) outlets. **NO EXCEPTIONS**.
57. Use of electrical appliances and hookups may be inspected by the Show Electrician. Violations may result in the confiscation of any such extension cord(s) and/or appliance(s).
58. All generators and propane heaters will be placed in established areas. Propane tanks are not allowed inside of barns. Significant fines and/or confiscation by the Fire Marshall may be imposed on violators.
59. All fans must be mounted on stands or panels and not operating at ground level. No fans will be permitted in aisles and walkways.

## MUZZLES/HALTERS

60. Exhibitors may use mesh or plastic muzzles. Style must allow the animal the ability to drink water.
61. Exhibitors may not use cable halters in the show ring.

## STALLING/FITTING/PUBLIC AREAS

62. All livestock will be housed in designated areas. All fitting areas are designated and fitting is not allowed outside of these spaces.
63. Exhibitors may not build/create their own pens/stalling area.
64. All pathways, building entrances and exits, pedestrian areas and approaches must be kept clear for the safety and convenience of all persons and livestock. All fans, tack, equipment, chairs, feed, supplies, blocking chutes and tables must be kept within stalls, tie space, pens and designated tack areas. Fitting equipment and activity must take place in designated areas.

    **Sheep/Goat Barn:** Tack pens will not be available. There will be a limited number of 10' x 10' indoor fitting spaces available for $250/each. First come first served. Sheep/Goat tack spaces can be purchased online at www.aznational.org/show-entry-portal/

    Exhibitors may use outside space to fit. Exhibitors using outside fitting space will be assigned one space per family at no charge. Additional 10'x10' outside fitting spaces will be charged $150. Additional outside fitting spaces can be purchased online at www.aznational.org/show-entry-portal/

    **Swine Barn**: Tack pens will not be available. All tack must be kept out of aisle ways. Tack may be stored above the pen on surfaces provided by the show.
65. Exhibitors may not utilize the services of an outside company to install equipment (including tents) on show grounds.
66. All representatives of the Arizona National Livestock Show and all Arizona National Livestock Show exhibitors **MUST** adhere to any and all Fire Marshall requirements.

## DOGS

67. Dogs must be kept on a leash at all times and must remain in RV parking areas. Dogs that show aggression must be removed from the grounds immediately. Animal Control will be contacted if necessary. Dog waste must be picked up.

## PHOTOGRAPHS/VIDEO

68. The Arizona National Livestock Show reserves the right to use any and all photographs and videos taken during the show for publicity purposes. By entering the show grounds, you agree that your image can be used to promote the Arizona National Livestock Show.

# ANIMAL HEALTH REGULATIONS

**THE PHONE NUMBER FOR THE OFFICE OF THE ARIZONA STATE VETERINARIAN IS: 602-542-4293.**
**THE NATIONAL PREMISE IDENTIFICATION NUMBER FOR THE ARIZONA STATE FAIRGROUNDS IS: 005E1E5.**

This number may be needed for recording movement to, from or within some states under the federal rule on Animal Disease Traceability developed by the USDA.

In addition to the following Arizona National Livestock Show health requirements, all livestock moved into and within the state are subject to rules and regulations of the Arizona Department of Agriculture, which can be found at: http://apps.azsos.gov/public_services/Title_03/3-02.pdf. Contact the Office of the Arizona State Veterinarian at (602) 542-4293 or visit https://agriculture.az.gov/animals/state-veterinarians-office for additional requirements. **No animal may be entered in the Arizona National Livestock Show that is currently under quarantine for, or recently exposed to, infectious or contagious disease, or has mange, lice, ringworm, abscesses or ulcerations.**

## BIOSECURITY

The Arizona National Livestock Show has initiated a Biosecurity Protocol for Livestock Health inspections and treatment policies related to general health concerns. This protocol will utilize Arizona licensed veterinary care and if necessary, removal of livestock that is determined to be a possible detriment to other livestock, exhibitors or the public. Animals may be removed at any time if they are deemed a health threat to exhibitors or other animals. Any livestock removed for health reasons will be a combined effort of the Show Veterinarian, the Director of Livestock and Show Management. Entry fees will not be refunded.

All Arizona National Livestock Show veterinary staff and their approved assistants are provided to ensure the health and well-being of all livestock as well as for the inspection of all health-related paperwork. Areas of concern for all species include but are not limited to are: wounds that are open or closed that may be infectious, warts, active ringworm and fungus conditions, dysentery, pinkeye, lice, mites, foot rot, sore mouth, infectious pneumonia; abscesses which are balding, showing hair separation, open and draining. The Show Veterinarian shall determine when and if livestock must be treated or isolated.

## SHOW VETERINARIAN POLICY

Livestock exhibitors will be responsible for all veterinary fees and services applied to their animals. The livestock veterinarian contracted by the Arizona National Livestock Show, will charge $100 per CVI written at the show.

## NECROPSY/ANIMAL HEALTH POLICY

The Show Veterinarian, at his/her sole discretion, can require a necropsy for any animal that may die while on the fairgrounds, the cost of the procedure will be borne by the Show. If an exhibitor requests a necropsy, the procedure and removal of animal(s) will be done at the exhibitor's expense.

Livestock are inspected by Show Officials before entering the fairgrounds. The Show Veterinarian reserves the right to require testing after entries are on the grounds and to order removal of animals not meeting health requirements or that pose a health threat to other animals.

# CATTLE HEALTH AND BRAND INSPECTION REQUIREMENTS

## OUT-OF-STATE CATTLE ENTRIES

1. **Certificate of Veterinary Inspection**: A Certificate of Veterinary Inspection (CVI; health certificate) issued by an accredited veterinarian within thirty (30) days prior to arrival at the Arizona National Livestock Show is **REQUIRED (Electronic CVI's are preferred).** One CVI per family/farm per specie. The Certificate of Veterinary Inspection must include the following:
   - Arizona Prior Entry Permit Number - required for handwritten CVIs only
   - Cattle must be tagged with Electronic Identification (EID) tag, which are visually and electronically readable. Under the federal animal disease traceability (ADT) law, all show cattle have to have official ID regardless of age.: Federal Register :: Use of Electronic Identification Eartags as Official Identification in Cattle and Bison *(note: cattle tagged before November 5 are exempt for the 2024 Arizona National)*
   - Results of all required tests
   - Color, age and sex identification for each animal.
2. **Prior Entry Permit**: Before cattle may enter Arizona, a Prior Entry Permit must be obtained from the Office of the Arizona State Veterinarian at (602) 542-4293. Prior Entry Permits are issued no earlier than thirty (30) days prior to movement, and **AFTER** obtaining a health certificate (CVI).
3. **Brucellosis**: Brucellosis testing is NOT required, except animals from the Greater Yellowstone Designated Surveillance Area (D.S.A) including parts of Idaho, Montana and Wyoming.

   Cattle and Bison imported into Arizona from the D.S.A. must test negative including:
   - All Official Calf Hood Vaccines for Cows/Heifers 18 months of age and older, within 30 days prior to entry.
   - Non-vaccinated Cows/Heifers must test negative if older than 12 months of age that are not consigned to slaughter within 30 days prior to entry.
4. **Tuberculosis**: Tuberculosis testing is NOT required, unless the State of Origin has a Tuberculosis Quarantine in effect.

   Cattle 3 months of age and older must be tested from states that have a Bovine Tuberculosis Quarantine in effect. All cattle must test negative within 60 days prior to entry into Arizona.
5. **Trichomoniasis**: Although bulls consigned to an exhibition are exempt from Trichomoniasis testing, any bull one year of age and older that remains in Arizona after the Arizona National Livestock Show must have been tested for Tritrichomonas foetus within thirty (30) days PRIOR to entry into the state. There are NO provisions for testing a bull during or after the Arizona National Livestock Show. Exception: Bulls entered in the Commercial Ranch Bull Show must be Trichomoniasis tested sixty (60) days prior to the show.

# AUTHENTIC HAIR GROWTH

## BIOTIN

### A TREMENDOUS VITAMIN FOR HAIR GROWTH.

Biotin has the ability to strengthen both the hair follicle and hair shaft, along with increased elasticity of the cortex to prevent hair breakage and dryness. This enables healthy, FASTER HAIR GROWTH. Biotin thickens the actual hair cuticle providing a fuller appearance.

## PRO-VITAMIN B-5

### THE KING OF ALL HAIR CARE VITAMINS.

It stimulates healthy scalp circulation which leads to improved hair health. As an added benefit, it also possesses superior long term moisturizing properties because of its unique ability to penetrate and nourish the hair shaft; then sealing the surface to protect and make the hair shine.

## VITAMIN E

### STIMULATES CIRCULATION THROUGHOUT THE SKIN AND SUPPORTS CAPILLARY GROWTH.

When there are more capillaries, the circulation improves leading to increased nutrient absorption into the hair follicles, this speeds hair growth.

6. Exhibitors that have been disqualified from competition with any show that is a member of the North American Livestock Show and Rodeo Manager's Association are not eligible to enter.

## QUALITY ASSURANCE REQUIREMENT

7. All exhibitors in the Junior Show are required to have completed a state or national Quality Assurance training/course such as yqcaprogram.org

## LATE ENTRIES

8. Incomplete or late entries will be accepted on the following fee schedule:

   **LATE FEE SCHEDULE AS FOLLOWS (PER ENTRY):**

   **1-7 days after deadline**: $250.00
   **8+ days after deadline**: $500.00
   **ALL OWNERSHIP DEADLINES APPLY**

## OWNERSHIP

9. The Junior Show is limited to project animals that are owned and cared for by the exhibitor. Junior exhibitors must have continuously owned, been in continuous possession of and personally cared for their animals from the entry deadline up to and during the Show.
10. To support the integrity of junior livestock projects participating in the Arizona National Livestock Show, animals must be identified by the date of established ownership requirement. Permanent and unalterable identification is to be submitted by junior exhibitors on or before the ownership deadline. By entering and submitting a DNA sample for a market animal, wether dam, wether doe or crossbred breeding gilt, the owner is giving Arizona National Livestock Show authorization and permission to obtain, maintain and analyze DNA samples, retina scans or any other methods of identification on any animal. Conclusions reached by the testing company/ laboratories shall be final, without recourse against the show or its service providers. Arizona National Livestock

Show is additionally authorized to share any identification information with other fairs, livestock shows and state or federal agencies.

11. At any time after the ownership deadline, Market Animals cannot have been offered for sale at a Market Auction at any community, county, state or national livestock show or fair.
12. Junior exhibitors must show their own animal(s) except in the following instances where a Substitute Exhibitor may be used:
    - If an exhibitor has more than one (1) animal in a class or an exhibitor has a conflicting contest at the show. The superintendent must be notified prior to the start of the class where a substitute exhibitor will be showing.
    - If an exhibitor is sick and not able to physically show an animal. This request must be made to the Arizona National Livestock Show management and must be accompanied by a statement, signed by a physician on their letterhead.

    In any of the above situations, or in case of an emergency, show management may use his/her discretion as to whether a substitute exhibitor may be allowed.

    Substitute exhibitors must be entered and exhibiting their own animals at the current year show in the respective department in which they are serving as a substitute.
13. Junior exhibitors must be present to sell their own animal at each auction for which they qualify.
14. Except where a breed association has specific requirements such as "registration papers must be in the sole name of the exhibitor;" junior show registered breeding livestock (all species) and pedigreed market barrows must be registered in the junior exhibitor's name, the exhibitor's family name or the exhibitor's farm name.
15. Date of ownership listed on registration papers must meet ownership deadlines stated in premium book.
16. Immediate family members (exhibitors must legally reside in the same household and are siblings, step siblings, or legally fostered or adopted) are allowed to submit DNA samples and entries on the same animal.
17. The Arizona National reserves the right to use discretion to determine if immediate family members may exhibit the animal of another family member when the animal is rightfully entered and a DNA sample submitted (where applicable) in the event of unforeseen circumstances.

## ANIMAL IDENTIFICATION

18. All animals must have secured in one ear, a tamper proof ear tag, imprinted with a nationally unique, official identification number that matches all entries and DNA kits submitted. The tag must possess the US Shield Emblem or be an 840 or 982 tag.
19. Sheep and goats must be tagged with an official Scrapie ID tag at time of DNA registration and entry. The full (flock and animal #) Scrapie ID tag must be recorded on all entries and DNA kits submitted.
20. Swine must have permanent ear notches (both ears) that reflect the Universal Swine Ear Notch System. Ear notches must be recorded on all entries and DNA kits submitted.

## CHECK-IN AND RELEASE

21. Check-In: All junior exhibitors must check-in their own entries using the QR codes included in exhibitor packets. Check specific departments for check-in deadline times.
22. Release: Exhibitors and their animals will be released at the conclusion of their respective shows. Please adhere to posted times vehicles are allowed to be inside the show grounds.

## WEIGH-IN AND EAR TAGGING

23. Exhibitors must submit an online check-in form for each animal to be shown. Only animals with a check-in form submitted by the posted deadline will be allowed to show.
24. Market steers, prospect cattle, market lambs, wether dams, market goats, wether does, market swine and crossbred breeding gilts will declare animal's weight when checking in online and will not be weighed during check-in. Animals in these classes may be check-weighed during their respective shows.
25. Market steers, lambs, goats and barrows will be ear tagged with an Arizona National ear tag. Exhibitors will tag their own animals. Arizona National tag may be tagged through an existing tag in animal's ear.
26. Show Officials must be notified immediately if an animal loses its Arizona National ear tag.

## SIFTING/CLASSIFYING

27. Department Superintendents or the Animal Health Committee may sift animals at any time for inferior quality and excessive shrinkage even though the animal made weight.
28. Classifier's decision is final, exhibitors nor their representatives may not protest a classifiers decision.
29. Animals considered uncontrollable may be sifted.
30. Market steers may not have horns or scurs. Prospect cattle with horns may be sifted. All prospect cattle must be dehorned, polled or scurred. Scurs/horn regrowth must not exceed two inches from the base of the head.

## STALLS/PENS

31. All animals in the Junior Show must be stalled in the designated stall or pen during the entire Arizona National Livestock Show.
32. Tie-outs are provided for open and junior cattle. Tie-outs (4' width per head) are allowed from 4:30 p.m. to 8:00 a.m. daily. Exhibitors are to provide all bedding for tie-outs. No fitting of animals is allowed in the tie-outs.
33. Junior livestock stalling is done at time of unloading. Exhibitors will be assigned space for animals being shown at the Arizona National only. Exhibitors wanting to be stalled together must be in the staging lot line together.

## FITTING

34. Exhibitors may use outside space to fit. Sheep and goat exhibitors using outside fitting space will be assigned one space per family at no charge. Additional 10'x10' outside fitting spaces will be charged $150. Additional outside fitting spaces can be purchased online at www.aznational.org/show-entry-portal/
35. Junior exhibitors may receive assistance, provided the exhibitor is present at all times when assistance is given.

## SHOW RING

36. Junior cattle exhibitors may have one adult in the holding pen while waiting for their class. There will be no fitting in the holding pen, no aerosols or other fitting equipment may be used with the exception of a comb or brush.
37. Exhibitors must wear numbers provided by the Arizona National Livestock Show while showing animals in the ring.
38. Animals bearing anything that distracts from the animal's natural appearance will not be allowed in the Arizona National Livestock Show or the sale ring.
39. Junior exhibitors are required to wear appropriate attire in the show ring. Junior exhibitors must be neat, clean and safe, close toed shoes are required; collared shirts are preferred.
40. Show management may remove unruly animals from the show. Cattle that get loose from an exhibitor, while in the show ring, more than two times will be removed

and that animal will not place. The decision cannot be protested.

## CHAMPION AND RESERVE CHAMPION MARKET ANIMALS

41. Exhibitors of Champion and Reserve Champion market animals may be required to display and handle their animals for photos.
42. Immediately after selection of Grand Champion and Reserve Grand Champion market steer, lamb, goat and barrow, these animals become the property of the Arizona National Livestock Show. Grand and Reserve Champions will be harvested and may undergo further testing.

## CONSIGN TO PACKER

43. Exhibitors may consign their market animals (market steers, market barrows, market lambs, market goats) to the packer truck. No other animals will be allowed to consign to packer.
44. A 7% commission will be deducted from the exhibitor's sale proceeds for animals sold in this group.
45. Exhibitor will be paid for the animal's full weight declared on check in form.
46. Exhibitors consigning market animals to packer will be required to make sure animal is cared for until 4:00 p.m. on December 31.
47. Junior exhibitors are not paid for animals sold until all debts to the Arizona National Livestock Show incurred by the exhibitor and the exhibitor's immediate family members are paid in full. Arizona National Livestock Show may apply sale proceeds to amounts owed by an exhibitor, owner or their immediate family members. If such amounts owed are deducted from sale proceeds, an additional $25.00 administrative fee may be deducted.
48. Dockage taken by the packer for carcasses of animals sold will be deducted from the exhibitor's sale proceeds if the dockage is a result of the animal's condition when sold, and not due to unusual shipping losses. The amount deducted from the sale proceeds is calculated by subtracting the docked carcass value from the rail carcass value for the animals sold.
49. If an animal is condemned at slaughter for any reason, the exhibitor will not receive payment for the animal and must accept all consequences without recourse against the Arizona National Livestock Show.

## ANIMALS OF UNITED STATES ORIGIN

50. Market animals must be bred, born and raised in the United States.

## YOUTH EXPERIENCE MEMBERSHIP

51. This membership is for Arizona National Junior Show exhibitors which entitles youth member to discounts at vendors. This membership is **NOT** required for entry into show.

# JUNIOR DIVISION DRUG RULES

## DRUG

The term "drug" shall mean any substance the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, musculatory, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.

## MEDICATION RECEIVED PRIOR TO THE SHOW

Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical, or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers, are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the official Arizona National Livestock Show Veterinarian prior to competition. In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the Arizona State Fairgrounds, they must remain free and clear of all residues included but not limited to medications, drugs, chemicals, and other substances.

## MEDICATION DURING THE SHOW

For the convenience of exhibitors, the Arizona National Livestock Show arranges to have veterinarians available; however, they do not donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor's responsibility to properly communicate to the veterinarians if the animal is eligible for further competition. All medication and treatment administered during the livestock show must be administered by the Official Arizona National Livestock Show Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show Veterinarian, along with Show management, is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.

## INSPECTION/TESTING:

a. Each exhibitor, by entering or exhibiting an animal at the Arizona National Livestock Show, agrees that any animal entered by him or her may be subjected to inspection or examination by any veterinarian appointed by the Arizona National Livestock Show and that the Arizona National Livestock Show may subject any such animal to any tests, sample-takings, or inspections that Arizona National Livestock Show deems necessary or appropriate, including but not limited to testing for drugs or other substances, at any time. The Arizona National Livestock Show shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, DNA, blood, tissue, and urine laboratory analysis, on any animal entered in or exhibited at the Arizona National Livestock Show. The exhibitor or approved substitute exhibitor (and, for Junior exhibitors, the exhibitor's parent, legal guardian, or AST or CEA) must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for

analysis. Subsequent samples of any sort may be taken by or for Arizona National Livestock Show without the presence of the exhibitor or his or her parent, legal guardian or AST or CEA.

b. All decisions, determinations, and conclusions based on any test, inspection, analysis, or examination shall be final and conclusive without recourse against Arizona National Livestock Show or any of its officers, directors, volunteers, and employees, or any veterinarian appointed by Arizona National Livestock Show.
c. Each exhibitor, by entering and exhibiting an animal or project in or at the Arizona National Livestock Show, waives and releases the Arizona National Livestock Show from any and all claims, suits, causes of action, liabilities, damages, demands, costs, expenses (including attorneys' fees), and other losses of every sort based on, arising out of, or relating to the inspection or testing of any such animal and any ruling, decision or action taken as a result of or in reliance on the results of any test or inspection, whether or not such testing or inspection was conducted in compliance with these rules. The foregoing waiver and release applies to any causes of action, claims, and demands based on the Arizona National Livestock Show's actual or alleged negligence.
d. The initial testing conducted at the election of Arizona National Livestock Show will be paid for by the Show. Payment for any other tests (i.e. testing of split samples, blood typing, etc.) required in the Junior or Open Livestock Show will be the sole responsibility of the exhibitor and at the discretion of the Official Show Veterinarian.

## BREEDING ANIMALS

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.

## WHOLESOME ASSURANCE STATEMENT

All exhibitors must read, agree and abide by the Wholesome Assurance Statement in the Premium Book. By certifying an entry each junior exhibitor, exhibitor's parent or legal guardian acknowledges that he/she has read all rules and regulations of the Arizona National Livestock Show premium book, and clearly understands and agrees to abide by all said rules and regulations and the Premium Book in its entirety.

Further, all signatories understand and agree specifically to those rules that define animal testing, DNA requirements and procedures as well as the Wholesome Assurance Statement and USDA Wholesome Meat Act.

## WHOLESOME MEAT ACT

The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the grounds and exhibited:

a. Animals must be in good health and carcasses free of drug or chemical residues.
b. Drug label directions for use and withdrawal periods must be followed.
c. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned. The Arizona National Livestock Show will in no way be liable or responsible for the condition of carcasses or the sale price of the animal.

## FEDERAL FOOD, DRUG AND COSMETIC ACT

As required in 21 CFR 589.2000, entry in the Junior Market Steer, Junior Market Goat, Junior Market Lamb, and Junior Market Barrow Show shall serve as verification by the exhibitor that, to the best of their knowledge, while under their ownership, possession or direct

control, the animal(s) were not fed any feed containing ruminant-derived meat or bone meal. Entrants agree to allow packer inspections of feed ingredient records and facilities.

## CONSEQUENCES OF UNETHICAL DRUG USE

In the event that Arizona National Livestock Show determines any animal to be in violation of show drug rules, the Executive Committee is authorized to disqualify the exhibitor and his or her animal and may permanently bar the exhibitor and his or her family from any further participation in the Arizona National Livestock Show. Reinstatement of any barred exhibitor may be made only by the Executive Committee. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if the animal or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter or deemed un-merchantable. The Arizona National Livestock Show, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association, reserves the right to submit the name(s) of any disqualified exhibitor to the organization's Rule Infraction Database. The Arizona National Livestock Show reserves the exclusive right to categorize drug use in one of the categories listed below. If an animal is disqualified, changes will not be made to the placings of other animals.

## CONSEQUENCES OF POSITIVE DRUG SAMPLE RESIDUE

| Arizona National Drug Classification | Consequence |
|---|---|
| **Category 1** – Drugs that are labeled for use in that species and have established withdrawal times | Any drug residue found that is labeled for that specie will result in immediate disqualification for current year show and forfeiture of premiums/auction money. Exhibitors will be banned for three (3) years with opportunity for appeal and re-admittance after suspension. Exhibitors who are re-admitted and whose animals are found to have Category 1 drug residues a second time will be immediately disqualified from the current show, forfeit premium/auction money and be banned from all future shows. |
| **Category 2** – Drugs/substances that are not labeled/approved for use in that species (includes, but is not limited to: caffeine, marijuana, phenylbutazone) | Any drug/substance residue found that is not approved for use constitutes immediate disqualification from current show and lifetime ban from future shows, forfeiture of premiums/auction money. |

The Arizona National Livestock Show supports and endorses the Wholesome Assurance Statement as listed below. The Arizona National Livestock Show is a zero tolerance show and as such has adopted a more stringent policy with regard to actionable levels of drugs, pesticides, feed additives or other chemicals.

# WHOLESOME ASSURANCE STATEMENT

- The use of animal drugs or other substances by non-veterinarians in any manner other than in accordance with the labeling approved by FDA, is a violation of federal law. *
- Any food animal must not exceed FDA/EPA/USDA established tolerances for any foreign substance (identified or unidentified), including drugs, pesticides, feed additives, or other chemicals.
- Violative results of residue testing are subject to investigation by USDA and FDA for prosecution.
- Any misrepresentation of a food animal that can potentially affect the acceptability of the carcass or milk will be considered fraud.
- Manual of Meat Inspection: The Manual of Meat Inspection Procedures of the USDA states that carcasses must be free of actionable levels of antibiotics, hormones, or pesticide-chemicals to pass as safe and wholesome food. Detection of illegal residues of these substances may lead to stiff penalties on the part of the producer. Therefore, label instructions, precautions, warnings, and withdrawal periods must be carefully followed.

* *Note: Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation.*

**Drug withdrawal periods must be completed prior to arrival at the show.**

**PLEASE CONSULT YOUR PROJECT LEADER IF YOU DO NOT UNDERSTAND ANY OF THESE STATEMENTS**

# NATIONAL CODE OF SHOW RING ETHICS

## AS ADOPTED BY THE ARIZONA NATIONAL LIVESTOCK SHOW

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior class exhibitors who compete in structured classes of competition. This code applies to all junior livestock offered in any event at a livestock show. In addition to the "National Code of Show Ring Ethics," fairs and livestock shows have rules and regulations which they impose on the local, county, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the Code of Ethics will forfeit premiums, awards and auction proceeds, and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this Code of Ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

## THE FOLLOWING IS A LIST OF POLICIES FOR ALL JUNIOR EXHIBITORS AND ALL JUNIOR LIVESTOCK IN COMPETITIVE EVENT

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show, in events where they will enter the food chain, free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.
5. If the laboratory report on the analysis of saliva, urine, blood or other samples taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
6. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by an Arizona National Livestock Show approved licensed veterinarian.
7. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
8. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
9. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the

competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

10. No owner, exhibitor, fitter, trainer or responsible person shall conspire with another person or persons to intentionally violate this Code of Ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Ethics.
11. The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics.
12. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be shared with other fairs, livestock shows and organizations of fairs or livestock shows.
13. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read this National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by this code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

# JUNIOR ANIMAL DNA REGISTRATION

Each junior market steer, market wether lamb, market goat, market barrow, wether dam, wether doe and crossbred gilt showing at the Arizona National Livestock Show **MUST** submit a complete DNA sample envelope along with official online entry and fees.

## DNA REGISTRATION DEADLINE

1. DNA samples are required for all market animals (steers, lambs, goats and pigs), as well as, wether dams, wether does and crossbred gilts.
2. DNA kits must be purchased online at www.aznational.org/show-entry-portal/ DNA kits sales open August 1.
3. The DNA Registration deadline for all entries is **NOVEMBER 1**.
4. DNA samples must be received by the Arizona National Livestock Show Office on or before the deadline **OR** be postmarked by a U.S. Post Office, FedEx, UPS or other mailing service on or before the deadline. Postage meter postmarks alone will **NOT** be accepted.
5. Incomplete or late DNA samples may be accepted on the following fee schedule (per kit/entry):
   **1-7 days after deadline**: $250.00/kit
   **8+ days after deadline**: $500.00/kit
   **ALL OWNERSHIP DEADLINES WILL STILL APPLY**
   ***exhibitor will pay a separate late fee for each entry as well as a late fee for each DNA submission.**
6. **The Arizona National will not sell DNA kits after November 1.**
7. We strongly recommend exhibitors acquire a tracking number from the service used to mail/deliver DNA kits.

## DNA REGISTRATION ENTRIES

8. There is no limit on the number of animals entered and on the number of DNA registrations submitted in a specific exhibitor's name.
9. A maximum of four (4) market steers; two (2) market wether lambs; two (2) market goats; and/or two (2) market barrows are eligible to be checked in and shown in that specific exhibitor's name in which the animal was entered under and a DNA sample was received. Exhibitors may show all four species in the same year.

## DNA REGISTRATION PROCEDURES AND REQUIREMENTS

10. DNA samples are to be collected into a **CURRENT YEAR** Arizona National Livestock Show DNA sample envelope. All information and signatures on envelope must be complete and legible.
11. A separate DNA sample from each animal entered must be submitted in a sealed official current year Arizona National Livestock Show DNA sample envelope.
12. A separate DNA sample and entry must be submitted by each exhibitor of an immediate family entering the same animal. (e.g. family members, A and B, both entering animal #1; A and B must each complete an online entry and A and B must each submit a DNA sample for animal #1)
13. **Online Entries for divisions requiring DNA samples must be completed at:** www.aznational.org/show-entry-portal/ by 11:59 p.m., (Arizona time) November 1. Online entries open October 1.
14. Exhibitors will be notified in writing if their entry and/or DNA submission is rejected.
15. All DNA samples become the property of the Arizona National Livestock Show and will not be returned.
16. The Arizona National Livestock Show reserves the right to refuse any DNA registration or entry for any reason.

8. All market steers will be presented for classification to a three-person committee (time and location to be determined). If an animal is classed out of a division, the

exhibitor may opt to show in the AOC division.

9. If an individual has two steers that could be classified in the same division, they may choose to show one (1) in the AOC division.
10. At time of judging, animals in each market steer class may be weighed by the Junior Cattle Committee. Animals with more than a 5% variance from the official weight will be disqualified.

# MARKET STEERS

**Division 2050**: **British**

- Cattle originating in the British Isles: Black Angus, Hereford or Shorthorn (these steers will show together – indicate breed on DNA and entry form)

**Division 2051**: **Black**

- Must have a black body – defined as the area behind the shoulder blade down to the point of the shoulder and above the belly line.
- Head and/or neck may have any amount of white coloring.
- White in the body is only acceptable in the following instances:
  - White is a continuation of the feathering
  - White is at the fore and/or rear flanks similar to Hereford color pattern
  - White spotting not collectively larger than 9 inches (basketball size) in diameter per side (cannot be all on the same side)
- Skunk tail cattle are permitted provided the white above the rectum does not exceed the amount of white spotting allowed (9 inches)
- Absent of diluter gene

**Division 2052**: **Red**

- Must have a red body. Defined as the area behind the shoulder blade down to the point of the shoulder and above the belly line
- Head and/or neck may have any amount of white coloring.
- White in the body is only acceptable in the following instances:
  - White is a continuation of the feathering
  - White is at the fore and/or rear flanks similar to Hereford color pattern
  - White spotting not collectively larger than 9 inches (basketball size) in diameter per side (cannot be all on the same side)
- Skunk tail cattle are permitted provided the white above the rectum does not exceed the amount of white spotting allowed (9 inches)
- Absent of diluter gene
- No roan cattle permitted (roan cattle will be shown in All Other Color)

**Division 2054**: **Smoke**

- Yellow, grey buff, cream and white steers or any variation of these colors. Cattle with multiple colors present on the body will be shown in the All Other Color division

**Division 2055**: **All Other Color**

- Brindle, painted and any other combination of above named colors and white

**Classification Glossary**

- Brindle – A streaking of black, brown or white on the body of the steer (tiger stripe)
- Diluter gene – A gene that determines color. Cattle that carry both copies of the gene will appear white. Non-diluter cattle will appear black or dark red, whereas those carrying a single diluter gene will appear gray or yellow
- Painted – Large white markings covering a major portion of the steer

# SHOWMANSHIP

**Division 5000**: Beef Showmanship - all beef exhibitors will automatically be entered into showmanship, there is no charge for this class

   **CPS**
   (Chester White, Poland China, Spotted, Hereford)
   Website: www.cpsswine.com

   **ABA**
   (Berkshire)
   Website: www.americanberkshire.com

10. Exhibitors showing only crossbreds must be a member of at least one junior swine breed organization.

## CHECK-IN AND CLASSIFICATION

11. Exhibitors will submit an official online check-in form for each animal to be shown. The weight submitted is the official weight and will be used for classing. No weight changes will be allowed once check-in form are submitted.
12. The minimum weight for market barrows is 220 pounds and the maximum weight is 285 pounds.
13. At time of judging, animals in each class will be weighed by the Junior Swine Committee. Animals with more than a 15-pound variance will be disqualified.
14. Market barrows will be shown as purebreds and crossbreds and will be divided by breed and then by weight.
15. Exhibitor must be in possession of original registration papers (digital copies are acceptable) for all purebred swine entered and shown. Breed classification will be determined by official registration papers; animals may be classed out by Breed Association staff present.
16. Breed association representatives may inspect each hog for soundness, breed standards and quality standards. Swine that do not meet individual breed registry guidelines will be given the opportunity (if approved by the Junior Swine Committee), to transfer into the crossbred division. The association representatives may choose to disqualify swine not meeting standards. Their decisions are final.
17. Breed shows (for both market barrows and breeding gilts) will determined/offered using a three-year average of the number of head exhibited (for each breed) at the Arizona National. Breeds will need to have an average five head shown over three years in order to retain the breed classification. If the average number of head shown drops below five head that breed will be grouped with the breed with the next lowest average number of head (e.g. three head of Landrace shown twice over three years, the fourth year Landrace will be combined with Chester Whites).

## FITTING AND PENNING:

18. Due to space constraints, there will be no tack allowed in the aisles of the swine barn. Tack can be stored over the tops of pens on shelves provided by the Arizona National Livestock Show.
19. Due to restricted pen space, entries may be limited. Swine will be penned two per pen.
20. Exhibitors must provide their own pen divider and may be required to share a pen with another exhibitor's entry.
21. Hogs must be bedded on shavings/pellets only (no straw). First bedding to be provided by the Arizona National Livestock Show. Bedding needed after that to be provided by exhibitor. Shavings/pellets will be available at The Feed Store located at Guest Services.

## NJSA, TEAM PUREBRED AND ABA DNA PROGRAM

22. NJSA, Team Purebred and ABA reserve the right to randomly collect DNA samples for their intended purposes and specifically for the profile on any pedigree on any animal for

parentage verification and breed purity at this event. This collection is supervised by their representatives.

23. All Breed Champions, Reserve Champions and/or randomly selected swine may be DNA tested for the presence of the stress gene, parentage verification and breed purity.
24. All exhibitors are responsible for reviewing the NJSA, Team Purebred and ABA DNA program rules, regulations and policies. Any individual hog, from the NSR or Team Purebred breeds of swine, that fails a DNA test for the stress gene, parentage verification or breed purity will be flagged within the organization's paperwork and the exhibitor and breeder will then be communicated with to determine what steps will be taken to rectify the situation as per the policies of the organization.
25. All Berkshire swine must be stress negative and the stress status must be on the pedigree (HAL-1843* nm must appear under the pig's name on the pedigree).
26. Any premiums due will not be awarded until all test results are verified at the association office(s).

2. For registered animals, exhibitors are required to upload .pdf copies of registration papers when making entries through FairVault/ShoWorks.
3. Registration papers for all swine must reflect an ownership date of November 1, 2024.
4. There is no limit on the number of breeding gilts entered and shown by an exhibitor.
5. DNA samples are required for each crossbred gilt entered. See DNA requirements in the *Junior Animal DNA Registration Rules*.
6. All gilts must be farrowed **April 1, 2024** or later.
7. Exhibitors are **NOT** required to show a purebred in order to show a crossbred or vice versa. Exhibitors are not required to show a barrow in order to show gilt or vice versa.
8. All gilts shall be open. Gilts may be subjected to pregnancy tests and if bred, will be disqualified.

### FEES

| | |
|---|---|
| **Entry**: | $45.00/head |
| **DNA Kit** (crossbred gilts) | $10.00/kit |

**ELIGIBILITY** - *see eligibility rules under Junior Division Rules.*

## MEMBERSHIP REQUIREMENTS

9. All swine exhibitors must be a current member of the National Junior Swine Association or Team Purebred

   **NSR/NJSA**
   (Duroc, Hampshire, Landrace, Yorkshire)
   Website: http://nationalswine.com/njsa/

   **Team Purebred**
   (Chester White, Poland China, Spotted, Hereford)
   Website: www.teampurebred.com

   **CPS**
   (Chester White, Poland China, Spotted, Hereford)
   Website: www.cpsswine.com

   **ABA**
   (Berkshire)
   Website: www.americanberkshire.com

10. Exhibitors showing only crossbreds must be a member of at least one junior swine breed organization.

## CHECK-IN AND CLASSIFICATION

11. Exhibitors will submit an official online check-in form for each animal to be shown. A weight will be required for all crossbred gilts. The weight submitted is the official weight and will be used for classing. No weight changes will be allowed once check-in form are submitted.
12. Breeding gilts will be shown as purebreds (shown by age) and crossbreds (shown by weight).
13. Crossbred gilts will be shown in equal classes based on weight. The maximum weight for crossbred gilts is 375 pounds.
14. At time of judging, animals in each crossbred breeding gilt class will be weighed by the Junior Swine Committee. Animals with more than a 15-pound variance will be disqualified.
15. Exhibitor must be in possession of original registration papers (digital copies are acceptable) for all purebred swine entered and shown. Breed classification will be determined by official registration papers; animals may be classed out by Breed Association staff present.
16. Breed association representatives may inspect each hog for soundness, breed standards and quality standards. Swine that do not meet individual breed registry guidelines will be given the opportunity (if approved by the Junior Swine Committee), to transfer into the crossbred division. The association representatives may choose to disqualify swine not meeting standards. Their decisions are final.
17. Breed shows (for both market barrows and breeding gilts) will determined/offered using a three-year average of the number of head exhibited (for each breed) at the Arizona National. Breeds will need to have an average five head shown over three years in order to retain the breed classification. If the average number of head shown drops below five head that breed will be grouped with the breed with the next lowest average number of head (e.g. three head of Landrace shown twice over three years, the fourth year Landrace will be combined with Chester Whites).

## FITTING AND PENNING:

18. Due to space constraints, there will be no tack allowed in the aisles of the swine barn. Tack can be stored over the tops of pens on shelves provided by the Arizona National Livestock Show.
19. Due to restricted pen space, entries may be limited. Swine will be penned two per pen.
20. Exhibitors must provide their own pen divider and may be required to share a pen with another exhibitor's entry.
21. Hogs must be bedded on shavings/pellets only (no straw). First bedding to be provided by the Arizona National Livestock Show. Bedding needed after that to be provided by exhibitor. Shavings/pellets will be available at The Feed Store located on the show grounds.

## ARIZONA NATIONAL GILT SALE

22. The following gilts are required to sell in the Arizona National Gilt Sale: Champion Purebred, Reserve Champion Purebred, Champion Crossbred and Reserve Champion Crossbred. Breed/Division Champions and Reserves may be required to sell. *See Arizona National Livestock Show Gilt Sale Rules.*
23. Gilts **CANNOT** be consigned to packer.

## NJSA, TEAM PUREBRED AND ABA DNA PROGRAM

24. NJSA, Team Purebred and ABA reserve the right to randomly collect DNA samples for their intended purposes and specifically for the profile on any pedigree on any animal for parentage verification and breed purity at this event. This collection is supervised by their representatives.
25. All Breed Champions, Reserve Champions and/or randomly selected swine may be DNA tested for the presence of the stress gene, parentage verification and breed purity.
26. All exhibitors are responsible for reviewing the NJSA, Team Purebred and ABA DNA program rules, regulations and policies. Any individual hog, from the NJSA or Team Purebred breeds of swine, that fails a DNA test for the stress gene, parentage verification or breed purity will be flagged within the organization's paperwork and the exhibitor and breeder will then be communicated with to determine what steps will be taken to rectify the situation as per the policies of the organization.
27. All Berkshire swine must be stress negative and the stress status must be on the pedigree (HAL-1843* nm must appear under the pig's name on the pedigree).
28. Any premiums due will not be awarded until all test results are verified at the association office(s).

# ARIZONA NATIONAL LIVESTOCK SHOW GILT SALE

**Gilt Sale Auctioneer**: James Backman, Denair, CA

**ARIZONA NATIONAL GILT SALE**: 6:00 p.m., December 30

1. All Junior Swine Show rules apply.
2. **Selection of Gilts for Sale and Determination of Sale Order:** A minimum of 10 purebred gilts and 20 crossbred gilts will be selected for the sale. A maximum of 40 gilts will be selected for the sale. Gilts selected for the sale will be identified in the show ring during their respective show (i.e. Purebred Gilt Show, Crossbred Gilt Show). Sale order will be determined by the Judge and Gilt Sale Committee immediately following conclusion of the Crossbred Gilt Show and will not be final until 30 minutes after the conclusion of the Crossbred Gilt Show. A complete sale order will be posted after selection is complete.
3. **The following gilts are required to sell**: Champion Purebred, Reserve Champion Purebred, Champion Crossbred and Reserve Champion Crossbred. Breed/Division Champions and Reserves may be required to sell.
4. **Additional Gilts Required to Sell**: The judge and Gilt Sale Committee shall determine which additional gilts will sell, if selected exhibitor's gilt must go through the sale. No substitutions.
5. **Gilt Sale commission:** the commission fee is 12%. This amount will be deducted from payment amounts made to consignors. A 12% buy-back commission will be charged to all consignors who 'buy-back' their own animals through the sale. If an exhibitor intends to purchase (buy-back) their consigned gilt, they must register as a buyer using their own name.
6. If an animal is selected and cataloged for the gilt sale by the Sale Committee and the animal does not go through the sale ring, the consignor will be banned from participating at the Arizona National Livestock Show for three (3) years and will be charged a 20% commission fee of the average sale price. If the Show Veterinarian provides a written statement releasing the gilt from going through the sale due to injury or illness, the gilt will be scratched from the sale. The veterinary statement must be provided to the Swine Show Superintendent no later than 5:00 p.m. on the day of the sale.
7. The Arizona National Livestock Show acts only as the agent between the buyer and the seller. Payments to consignors will be completed after buyers' payments have cleared.
8. The auctioneer's decision is final on any disputed bids. In the event of any disputes, the Arizona National swine committee will arbitrate and settle all claims.
9. The Show Veterinarian will be available to provide necessary vet inspection papers and other required health documents. Veterinarian fees are the responsibility of the buyer.
10. After the successful sale of an animal, the new owner becomes responsible for the care, management and removal of said animal. All animals must be removed from the grounds no later than 4:00 p.m., January 1.
11. All buyers must be registered with the sale clerk. All payments must be made in full on the day of the sale. All gilts must have an official release before leaving the grounds. Terms are cash, check or credit card (Visa, Master Card or Discover only). Credit card purchases may require card pre-authorization. Checks and credit cards require a valid and current driver's license. Credit card transactions are subject to a 4% credit card transaction fee.
12. Gilt consignors and one parent/guardian/ supervisor must attend a mandatory sale meeting in the Swine Arena immediately following the Crossbred Gilt Show (time to be announced).
13. All Purebred Gilt Sale Consignors must submit original registration papers, with signatures, to the Swine Show Superintendent's Office by 3:00 p.m., on the day of the sale.
14. Gilts sell "as is." The nationally recognized "Code of Fair Practice" is understood by both sellers and buyers. A copy of the code can be found on the NSR website at: www.nationalswine.com/about/docs/codeoffairpractice.pdf

# ALL GENERAL RULES AND REGULATIONS, OPEN CATTLE RULES AND REGULATIONS, AND CATTLE HEALTH REQUIREMENTS APPLY

## OBJECTIVE

1. The objective of the Arizona National Invitational Replacement Heifer Grading and Sale is to provide an opportunity for Southwestern cattle ranchers to showcase the best replacement females representing their genetic program and its superior offering of heifers that are southwestern raised and "rock footed." These cattle will work in tough environments and produce calves each year that fit real world agriculture. All cattle will be subjected to a rigorous sift to guarantee a standard of perfection and soundness required by any cattle buyer.

## ENTRIES – PLEASE NOTE: THIS IS AN INVITATIONAL SALE, CONTACT RICK LEHMAN REGARDING ENTERING CATTLE

2. A completed entry form and fees are due by **December 10**.

## FEES

**Pen of 3**: $75

**Pen of 5**: $50

3. Entry is a pen of three (3) or five (5) ranch raised, commercial replacement quality heifers. Heifers may be either purebred or crossbred. Entry is open to southwestern-raised cattle from southwestern-owned ranches.

   **Four Divisions will be offered:**

   **Division 6025:** European and British Breeds; Bred Heifers (purebreds and/or crossbreds); females 15-36 months of age on or before December 31, 2024. Consignors must provide pregnancy verification signed by an accredited, non-owner, licensed veterinarian at the time females are processed at the show.

   **Division 6026:** European and British Breeds; Open Heifers (purebreds and/or crossbreds), females 12-24 months of age on or before December 31, 2024.

   **Division 6027:** American Breeds; Bred Heifers (purebreds, crossbreds and F1s); females 15-36 months of age on or before December 31, 2024. Consignors must provide pregnancy verification signed by an accredited, non-owner, licensed veterinarian at the time females are processed at the show.

   **Division 6028:** American Breeds; Open Heifers (purebreds, crossbreds and F1's), Females 12-24 months of age on or before December 31, 2024.

4. **Note**: There will be a limit of twenty (20) pens accepted for entry. Entries and fees received after pen space is full will be returned. Entries submitted early have a greater chance of being accepted.
5. All heifers in a pen must be raised by the ranch; all carry the same brand and display a permanent Arizona National Livestock Show ear tag. Exhibitors will be sent a confirmation along with official Arizona National Livestock Show ear tags and credentials after close of entry deadline.
6. Each pen of heifers will be housed in the same pen.
7. Cattle are shown in their "work clothes," **NO FITTING ALLOWED**. This includes clipping, washing and trimming hoofs.
8. Ranches are responsible for feed and care of the heifers while on the grounds. Ranches are to provide their own feed and water troughs/buckets and hoses.

## JUDGING

9. Pens will be graded as one (1) entry.
10. The Graders will select a Champion Pen and a Reserve Champion Pen for each Division. A Grand Champion Pen and Reserve Grand Champion Pen will be selected. Final sale offering and order will be determined by the Ranch Replacement Heifer Show Committee.

## AUCTION

11. All pens of heifers will sell at auction. No private treaty sales are allowed for heifers entered in this Show.
12. Sale order will be determined by the Auctioneer and Sale Committee.
13. Heifers are to be sold as a pen and sold on a per head basis.
14. A 5% commission is charged on all sales and will be deducted from sale proceeds.
15. Terms of Sale are cash or check. Payment is to be made to the clerk on the day of the Auction. A valid driver's license is required as identification for all checks.
16. All sales are final and binding.
17. Consignors will receive their checks through the mail as soon as possible after the close of the Show.
18. All representations, including but not limited to, breeding, soundness, fertility, health and vaccinations, are made by the consignor and not by the Arizona National.
19. Cattle will be housed in pens with straw for bedding.
20. All cattle must be safe to handle under normal cattle, close quarters, sorting conditions.
21. All consignors and registered buyers (and their immediate family members) will receive a complimentary Cattleman's Day Lunch on December 30)

## EVALUATION

22. All heifers must be a minimum of 500 lbs. each as of grading day and must have been weaned at least forty-five (45) days.
23. Vaccination requirements for all heifers beyond standard health rules of the Arizona National Livestock Show requirements are: All cattle **MUST** be treated and in accordance with a VAC 45 program and proper documentation certifying compliance must be provided at check-in.

    All cattle **MUST** be calf hood vaccinated with an approved Brucella *abortis* RB-51 vaccine between 4-12 months of age. Official calf hood vaccination ID must be evident for all heifers and in compliance with federal and state regulations. All other Arizona National health rules apply.
24. All cattle must be approved by the Arizona Ranch Replacement Heifer Grading Committee. The Committee shall perform a rigorous quality sift prior to the actual judging and cattle may be disqualified if quality standards are not consistent with real life commercial ranching environments within Arizona and the Southwest. Soundness and disposition will be evaluated.
25. It is agreed and understood by the exhibitor that as a result of entry, all females entered in this show are subject to a pregnancy check performed by an Arizona licensed veterinarian after arrival and prior to the start of judging. Results of the pregnancy check will be provided to the owner, graders and potential buyers. Pregnancy checks will be performed by a veterinarian selected by the Committee.

## OBJECTIVE

1. The objective of the Arizona National Invitational Bull Grading and Sale is to provide an opportunity for Southwestern cattle ranchers to showcase their genetic program offering bulls that are Southwestern raised and "rock footed." These cattle will work in tough Southwest environments and fit real world agriculture. All cattle will be subjected to a rigorous sift to guarantee a standard of perfection and soundness required by any cattle buyer.

**ENTRY FEE** $100/hd

## ENTRIES — PLEASE NOTE: THIS IS AN INVITATIONAL SALE, CONTACT RICK LEHMAN REGARDING ENTERING CATTLE

2. A completed entry form and fees are due by **December 10**.
3. Bulls may be either purebred or crossbred. Entry is open to Southwestern-raised cattle from Southwestern-owned ranches.
4. There will be a limit of twenty (20) bulls accepted for entry. Entries and fees received after pen space is full will be returned.
5. All bulls must be raised by the ranch and display a permanent Arizona National Livestock Show ear tag. Exhibitors will be sent a confirmation along with official Arizona National Livestock Show ear tags and credentials after close of entry deadline.
6. Bulls must be semen and Trich tested sixty (60) days prior to the show. Consignors must provide a Breeding Soundness Exam from an accredited, non-owner, licensed veterinarian at the time bulls are processed at the show. Bulls must be virgins.
7. Cattle are shown in their "work clothes," **NO FITTING ALLOWED**. This includes clipping, washing and trimming hoofs.
8. Ranches are responsible for feed and care of bulls while on the grounds. Ranches are to provide their own feed and water troughs/buckets and hoses.

## JUDGING

9. Bulls will be graded individually.
10. A Grand Champion Bull and Reserve Grand Champion Bull will be selected.

## AUCTION

11. All bulls will sell at auction. No private treaty sales prior to the auction are allowed for bulls entered in this show. All sales are final.
12. Final Sale offering and sale order will be determined by the Auctioneer and Sale Committee.
13. Bulls will be sold on a per head basis.
14. A 5% commission is charged on all sales and will be deducted from sale proceeds.
15. Terms of Sale are cash or check. Payment is to be made to the clerk on the day of the Auction. A valid driver's license is required as identification for all checks.
17. Consignors will receive their checks through the mail as soon as possible after the close of the show.
18. All representations, including but not limited to, breeding, soundness, fertility, health and vaccinations, are made by the consignor and not by the Arizona National.
19. Cattle will be housed in pens with straw for bedding.

20. All cattle must be safe to handle under normal cattle, close quarters, sorting conditions.

## EVALUATION

21. All bulls must be a minimum of 900 lbs. each as of grading day and must have been weaned at least sixty (60) days.
22. Vaccination requirements for all bulls beyond standard health rules of the Arizona National Livestock Show requirements are: All cattle **MUST** be treated and in accordance with a VAC 45 program and proper documentation certifying compliance must be provided at check-in.
23. All cattle must be approved by the Arizona National Ranch Commercial Bull Show Committee. The Committee shall perform a rigorous quality sift prior to the actual judging and cattle may be disqualified if quality standards are not consistent with real life commercial ranching environments within Arizona and the Southwest. Soundness and disposition will be evaluated.

## AWARDS AND PREMIUMS

All consignors and registered buyers (and their immediate family members) will receive a complimentary Cattlemen's Day Lunch on December 30.

# FARMING SIMULATOR

"Farming Simulator" is a popular video game series developed by Giants Software which allows players to experience the life of a modern farmer, managing various aspects of farming, including planting and harvesting crops, raising livestock, and operating agricultural machinery.

Farming Simulator has garnered a dedicated fan base and has become a popular choice for players interested in the simulation and agricultural management genre. It has also been praised for its educational value, teaching players about various aspects of farming and agriculture. As a leading innovator in the agriculture sector of livestock shows, the Arizona National Livestock Show is excited to announce the launch of the latest addition to educational activities at our show.

By utilizing the Bale Stacker Tournament within the Farming Simulator game, we will be able to add a competitive element to the educational experience. The Farming Simulator Bale Stacker Tournament introduces a unique challenge, as participants go head-to-head to demonstrate their ability to efficiently stack and manage bales, just like real farmers.

This event promises to bring a new level of excitement and competition to the world of agriculture simulation gaming. Prepare to showcase your virtual farming skills as you compete against fellow players in the ultimate test of bale stacking prowess.

## SCHEDULE
