FREE Livestock Trailer Parking Procedures

Once you've unloaded your animals, make your way to the 17th Avenue exit (on the SE side of the fairgrounds) and exit the grounds by turning right onto McDowell. Turn right onto 19th Ave and head North to Encanto Ave.

NOTE: For any first-timers to our show, we've indicated the path you'll take if you're coming from the sheep/goat barn (green), cattle barns (blue) or pig barn (red).

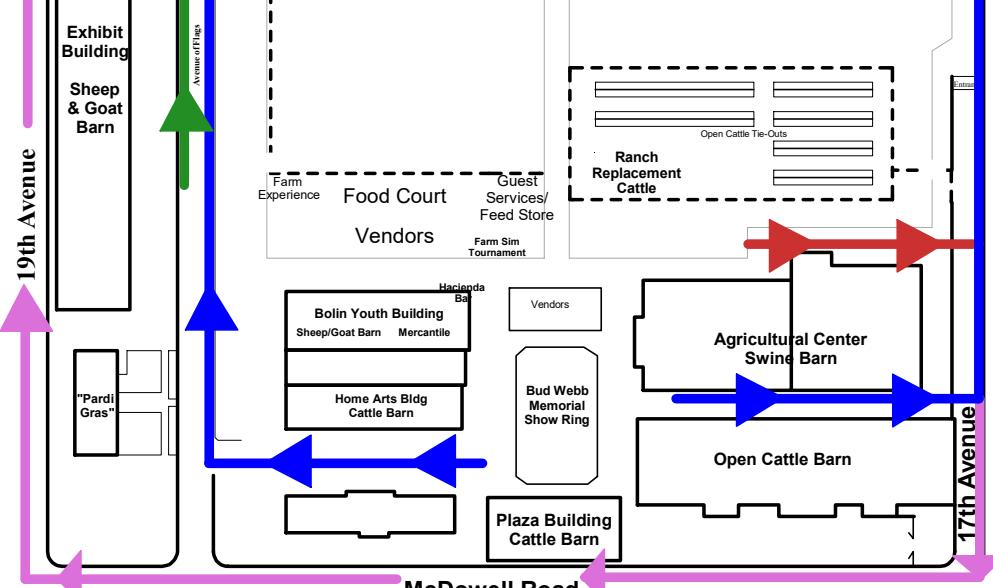

If you would like to use our free trailer parking, continue on to Lewis Ave. and take a left and enter the "overflow" parking lot. From there, we'll help you get your empty trailer parked.
