

## Arizona National Livestock Show

Arizona State Fairgrounds

## RV Parking Procedures

Once you're ready to park your RV please follow the instructions below.

**1. If you paid for parking in the Grandstands or the North Lot (both are on the Fairgrounds), head to the Blue "X" on the map and an attendant will make sure you're on the list and then have you continue north and then west to your next stop (green "X") to be placed in your RV Spot.**

**2. If you paid for off site RV parking in the staging lot, follow the red route.**

Once in the general vicinity, we will have staff members get you to your exact spot.
