SERVING *all* ARIZONA

Established just before the turn of the century in the little, frontier town of Solomonville, the Valley National Bank, today, is a state-wide institution serving more than 250,000 customers through 29 offices located in 11 of Arizona's 14 counties. With resources of more than \$220,000,000, it is the largest bank in the eight Rocky Mountain States.

If you are not already a customer, you are cordially invited to make the Valley Bank your financial headquarters. You'll find it both convenient and profitable to use one or more of the many services which are available. We believe you will approve and appreciate the Valley Bank's sound, progressive business policies. We know you will like the helpful, interested attitude of the friendly men and women who will serve you.

foreword

Welcome to the second annual Phoenix Stock Show. It is the desire of the Show Association, the Arizona Cattlemen and the city business men, whose combined efforts have made this show possible, that your visit to Phoenix be both interesting and enjoyable.

You'll find our hospitality warm and informal. We want the Phoenix Stock Show to provide an opportunity for the cattlemen of the Southwest to meet and get acquainted with their "neighbors," discuss range and breeding problems, exchange information and ideas.

Competition is the incentive for all improvement, and those who attended our first show in 1948 will see much improvement. Not only are there more entries in all three breeds, but the type and quality of the entries are greatly improved. This is partly due to the continued advancement of breeding programs by both pure bred and commercial breeders in Arizona, but in no less part to the addition of many outstanding show herds from other states, some of which are showing here for the first time. So this year you will see some of the nation's top cattle in a highly competitive show. It is this kind of competition on which the name and reputation of the Phoenix Stock Show is being built.

The Show officials and Arizona cattlemen are completely at your service, so feel free to call on any of us for information or anything else you may need. We are all anxious to help you and make sure your visit is so enjoyable, you'll return year after year.

LIVESTOCK SANITATION REGULATIONS

No animal shall be admitted or remain on the Fair Grounds that shows any evidence of any communicable disease.

The management reserves the right to require necessary health inspections and tests to be made before or after cattle are on the grounds. The further right is reserved to order or cause peremptory removal of any animal which does not in every respect meet the health requirements. Health certificates in accordance with the following regulations must be presented to the authorized officials before cattle are placed in the barns or on the grounds. The certificates must be in the hands of attendants and available for inspection by officials at all times.

Entries originating outside of Arizona must obtain a permit from the State Veterinarian's office, Capitol Building, Telephone No. 3-0807, Phoenix, Arizona, prior to shipment. Entries must comply with tuberculosis and brucellosis regulations as outlined below. Telegraphic permits may be granted in cases of emergency.

TUBERCULOSIS: Entries not from accredited herds or modified accredited areas must pass a negative tuberculin test within three months prior to the opening date of the show. All health certificates must carry identifying data on each individual animal.

BRUCELLOSIS: Entries over twelve months of age, except steers, must be accompanied by a certificate from a recognized laboratory showing negative agglutination test of each animal, made not more than thirty days prior to the opening date of the show.

No animal will be accepted for entry from any herd showing 10% or more reactors on any test conducted not more than ninety days prior to the opening date of the show.

CALFHOOD VACCINATION: Official vaccination certificate must accompany each entry. Entries shall be accepted up to thirty months of age and must have identifying tattoo in left ear.

In the case of cattle arriving without necessary tests, the management reserves the right to have tests made on arrival at owner's expense.

Controversial health questions involving any entry in the Phoenix Stock Show shall be referred to the Arizona State Veterinarian, and his decision and disposition shall be final.

PEN OF TEN HEREFORD FEEDER STEERS

Judge to be Selected

The Phoenix Stock Show is happy to provide the commercial cattlemen an opportunity to show feeder steers and take part in making this big show a success. Comparison is a great yard stick in improving cattle, and this feeder show gives the commercial producer a chance to evaluate his breeding program and compare his cattle with those of other producers.

These entries are composed of ten steer calves dropped in 1949, produced on one ranch and carrying the original calf brand of the producer. Calves were not put on supplemental feed before October 1, 1949.

The Most Prepotent Hereford Bloodline Today

LARRY DOMINO 50th

The ever growing popularity of the Larry Domino 50th family of Herefords is solidly built on performance. These Larry Domino 50th cattle do grow out and they do breed on. Study the results of the recent shows for proof of the prepotency of this blood.

A SOLID BANK

In 1881 Kales & Lewis worked their slow way from Prescott to Phoenix and opened a bank.

It became The First National Bank of Arizona. It was so named because it *was* the first bank in Arizona to receive a National Bank Charter.

Today — 68 years later — its representatives speed about the State in modern trains, cars or airplanes, in a manner Kales & Lewis could never have dreamed of. . . .

Because: First National has grown with Arizona; and serves Arizona now—as usual.

ARIZONA STAR Cattle Cubes and Range "Booster" Feed

Convincing proof on many thousands of cattle points to the fact that the successful cattleman, in his feeding program, not only has to consider trace minerals and vitamins, but also a new approach to 'cow' nutrition, the development and maintenance of proper protozoa, bacteria, yeasts and moulds in the rumen. These are the working tools of beef production on the range.

In the formulation of the Arizona Flour Mills Range "Booster" Mix, this new pattern of rumen nutrition is kept foremost in mind. The ingredients most necessary for the growth of these rumen workers, the protozoa, yeast and bacteria, are furnished. The rapid pick-up of cattle on dry range is phenomenal when this "Booster" Mix is fed and it is directly due to the tremendous increase in these factory workers in the rumen.

Additional aids in this mix are appreciable amounts of vitamin A and necessary trace minerals. The 33 1/3 per cent salt content of the finished ration limits consumption only to necessary amounts and makes the cow consume range herbage for the bulk of her food. We feel that this mix, fed where there is dry grass and browse on the range, and Arizona Star Cattle Cubes, when there is a total lack of feed, are fundamental applications of known scientific nutritional principles that will repay to the rancher amazing returns on every dollar invested.

TERMS AND CONDITION OF SALE

1. Each lot of animals will be sold to the highest bidder, and ownership changes when the lot is sold.
2. The auctioneer will settle any disputes as to bids, and his decision as to when and to whom each lot is sold shall be final.

3. Animals sold in this sale will be fed and cared for until the close of the show, free of charge to the purchaser. They shall be turned over to the purchaser or loaded for shipment as he may direct, at his risk of loss or injury.

4. The terms of sale are cash. Each animal must be paid for before a release will be given. Payment for each lot will be made to the Arizona Hereford Association, E. B. Stanley, Secretary.

5. The Arizona Hereford Association acts only as agent for the consignor in this sale. Each consigning member of the Arizona Hereford Association will guarantee his respective animals to be breeders.

6. Each animal will have passed the test for tuberculosis or will be from an accredited area, and will either have tested abortion free or will be accompanied by a vaccination certificate and guaranteed to meet the requirements of the destination state.

7. All pens of sale bulls are to be sold strictly as pen lots without the privilege of buyer's option for individual animals.

What RS stands for-

RS IN THE NAME OF A REGISTERED HEREFORD BULL OR COW STANDS FOR
A GREAT DEAL MORE THAN OUR RANCH NAME, RANCHO SACATAL

It stands for 14 years of careful selection and culling with the aim of producing the kind of cattle that will prove most profitable to the commercial rancher, the feeder and, of course, the registered breeder—quick-gaining cattle with plenty of size, bone and quality.

It stands for good-headed cattle with the breed character and ancestry that ensure prepotency, the ability to reproduce chiefly their kind.

RS stands for cattle raised naturally on extensive rugged range. A few samples, only, are fattened and fitted to prove their ability to put on flesh and compete favorably in the big shows with the best in Hereford-dom.

RS stands for cattle backed by a stable family partnership, the old and young members of which love the registered cattle business and intend to stay in it.

The Tal-wi-wi Herd Reduction

OFFERS YOU A REAL OPPORTUNITY

to add some proven top-producing females to your herd.

In reducing our herd of selected breeding cows we must part with many of these faithful producers, many of whom are daughters and grand-daughters of WHR Royal Flash and WHR Safety Domino 7th; in addition to a worthy group of younger typey cows of WHR Star Adventure, WHR Regality 4th, and RS Princes 11th breeding.

These animals are at Tal-Wi-Wi near Peoria, priced to sell at private treaty.

COME SEE THEM DURING YOUR VISIT TO THE
PHOENIX STOCK SHOW

WHR

Good Sources for Good Herefords

No state, for its number of cattle, and number of Hereford Breeders, has as many good Herefords as does Arizona.

WHR PROUD PRINCEPS 9th
Sire of Suncrest's
WHR PROUD AGGRESSOR
and PROUD POSSESSOR

Is it any wonder
Suncrest's Cattle
are good?

It is most fitting that this Phoenix Stock Show pays tribute to these Arizona breeders who have achieved this fine result.

TERMS AND CONDITIONS OF SALE

1. Each animal will be sold to the highest bidder without reserve.
2. The animals will not necessarily be sold in the order in which they are catalogued, the management reserving the right to arrange the selling order in a manner which seems fair to all consignors.
3. The auctioneer selling will settle any disputes as to bids by declaring all bids off and reselling the animal in question.
4. Each animal will be at purchaser's risk as soon as sold and will be delivered to railroad or trucker for shipment as buyer instructs as soon as settlement has been made.
5. All animals will be fed and cared for by the consignor free of charge to the purchaser until shipped by railroad or truck up to Thursday, December 16.
6. A certificate of registry and transfer will be furnished for each animal sold.
7. Each sale animal will have passed the test for tuberculosis or will be from an accredited area, and will either have tested abortion free or will be accompanied by a vaccination certificate and guaranteed to meet the requirements of the destination state.
8. Breeding dates will be supplied on date of sale.
9. BREEDING GUARANTEE. Bulls over 16 months of age are guaranteed breeders after a fair trial. Bulls under 16 months of age are guaranteed breeders if properly cared for and not turned with the herd until 16 months of age.

All females are guaranteed to be breeders. Females reported as "safe in calf" are guaranteed to be safe in calf. Females reported as "bred" are believed to be safe in calf but are not so guaranteed. Open heifers have not been bred. Females safe in calf or with calf at foot are considered breeders without further guarantee.

If any animal sold at the sale fails to comply with these guarantees within a period of one year from the date of the sale, the Seller shall make an equitable adjustment with the buyer within 90 days after receipt of written notice from the Buyer.

Any seller who fails to make such an adjustment shall not thereafter be permitted to exhibit or to sell any animal at any show or sale sponsored by this association if the Buyer has notified the Sales Committee of such failure on the part of the Seller to make adjustments sixty days before any show or sale, except after an investigation by and receiving the approval of, the Sale Committee of this Association.

10. All persons who attend the sale do so at their own risk, and the Pacific Coast and American Aberdeen-Angus Breeders' Association assume no liability, legal or otherwise for the safety of the building or premises or for the behavior of the animals.

11. The terms are cash. All settlements are to be made with the Pacific Coast Aberdeen-Angus Breeders' Association immediately after the close of the sale. It shall be expressly understood that said Association acts only as agent for the consignors and assume no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and the purchaser of each lot.

TERMS AND CONDITIONS OF SALE

GUARANTEE

All cattle in this sale will be sold under the Standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. This guarantee shall serve as a contract between consignor and buyer of each lot.

TERMS

The terms of the sale are cash. Each animal must be paid for before a release will be given. Payment for each lot will be made to Eldon L. Smith and Ted Aegerter, sales managers. Each lot of animals will be sold to the highest bidder, and ownership changes when the lot is sold. The auctioneer will settle any disputes as to bids, and his decision as to when and to whom each lot is sold shall be final.

HEALTH

Each sale animal will have passed the test for tuberculosis or will be from an accredited area, and will either have tested abortion free or will be accompanied by a vaccination certificate and guaranteed to meet the requirements of the destination state.

SHIPPING ARRANGEMENTS

It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyer for shipment following the close of the sale. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this Southwest Shorthorn Breeders' sale up to a maximum of \$200.00. To qualify for this freight subsidy the final destination must be 300 miles or more away from Phoenix and receipted paid transportation bill must be presented.

PHOENIX

LIVESTOCK SANITATION REGULATIONS

No animal shall be admitted or remain on the Fair Grounds that shows any evidence of any communicable disease.

The management reserves the right to require necessary health inspections and tests to be made before or after cattle are on the grounds. The further right is reserved to order or cause peremptory removal of any animal which does not in every respect meet the health requirements. Health certificates in accordance with the following regulations must be presented to the authorized officials before cattle are placed in the barns or on the grounds. The certificates must be in the hands of attendants and available for inspection by officials at all times.

Entries originating outside of Arizona must obtain a permit from the State Veterinarian's office, Capitol Building, Telephone No. 3-0807, Phoenix, Arizona, prior to shipment. Entries must comply with tuberculosis and brucellosis regulations as outlined below. Telegraphic permits may be granted in cases of emergency.

TUBERCULOSIS: Entries not from accredited herds or modified accredited areas must pass a negative tuberculin test within three months prior to the opening date of the Show. All health certificates must carry identifying data on each individual animal.

BRUCELLOSIS: Entries over twelve months of age, except steers, must be accompanied by a certificate from a recognized laboratory showing negative agglutination test of each animal, made not more than thirty days prior to the opening date of the Show.

No animal will be accepted for entry from any herd showing 10% or more reactors on any test conducted not more than ninety days prior to the opening date of the Show.

CALFHOOD VACCINATION: Official vaccination certificate must accompany each entry. Entries shall be accepted up to thirty months of age and must have identifying tattoo in left ear.

In the case of cattle arriving without necessary tests, the management reserves the right to have tests made on arrival at owner's expense.

TRANSPORTATION

As a special service to the exhibitors who plan on going from Phoenix to the Denver Livestock Show, the Santa Fe Railway Company has arranged a schedule which will provide for fourth morning delivery in Denver on show cattle from Phoenix, providing that cattle are so loaded that there is room in the car for feed, water and rest without unloading. There must, of course, also be a caretaker in the car. This will mean that cattle leaving Phoenix Saturday afternoon, Jan. 7th, will arrive in Denver Wednesday morning, January 11th.

There will be a representative of the Santa Fe at the superintendent's office on the grounds the morning of the 4th and the 7th.

ROOM RESERVATIONS

For room reservations, contact Mrs. Mildred May in care of the Valley National Bank, Phoenix, Arizona.

MAIL

Mail forwarded in care of the Phoenix Stock Show, Drawer 71, Phoenix, Arizona, will be distributed at the Superintendent's office in the Livestock Show barns.
