foreword

Welcome to the Eleventh Annual Arizona National Livestock Show. The Officers, Board of Directors, Advisory Council and Members of the Arizona National Livestock Show hope your visit will prove interesting and be most enjoyable.

The growth of the Show has been extremely gratifying. It has gained National prominence and is now one of the larger Shows of the Nation. We have exhibitors of top quality cattle from a large number of states and we are striving, even with this growth, to extend to all of our visitors Southwestern Hospitality.

We are exceptionally proud of our 4-H and Future Farmer exhibitors, who will be the cattlemen of tomorrow. Their increased entries substantiate their confidence in the Arizona National. They are a credit to our Show and have prepared themselves well, as shown by the quality of cattle they exhibit, which will make them a credit to the cattle industry of the future.

We are most anxious you enjoy your visit to the Arizona National and please feel free to call upon us for any service that we may be able to give. We hope sincerely that your visit to our Show will be of sufficient interest and pleasure to assure your return in future years and you may rest assured we will do our part to make it as interesting and enjoyable as possible.

Sincerely,

Sterling Hebbard, President

DR. E. L. SCOTT
1896-1956

**The Lee Scott
Memorial Hereford
Show of the
ARIZONA NATIONAL
LIVESTOCK SHOW
Phoenix, 1959**

He was a quiet, modest, soft-spoken man whose actions spoke louder than words. His rare talent for leadership and organization had a profound and lasting influence on Arizona's beef cattle industry.

He would have been the first to disclaim any personal credit.

Among his actions: developing a registered beef herd for the University of Arizona; helping organize Arizona Hereford Association, the state's first organization of registered beef cattle breeders; helping establish Tucson Livestock Show and the Arizona National Livestock Show; giving more free assistance and sound advice to the state's cattlemen than could have been bought at any price; bringing fame to Arizona's cattle industry by becoming a nationally and internationally known breeder, one of few who imported English animals for his herd, famed Suncrest Herefords.

Before the Hereford world quite realized what was going on, Arizona acquired national stature in breed circles. And most of the state's cattlemen give much of the credit to "Scotty," a great cattleman and an outstanding citizen.

To his memory this show is respectfully dedicated by his fellow members of Arizona Hereford Association.

HE STUDIES HIS BUSINESS...

HE'S ACTIVE IN THE BUSINESS...

HE'S A GOOD BUYER...

Hereford Journal Readers Mean Business...

You're looking at a typical
Hereford Journal Reader!

He's a businessman and he means business! He's a breeder of Herefords, either horned or polled. Or, he's a top commercial cattleman.

Like any businessman, he studies his business and he keeps informed about what's going on in the business. He does it by reading his Hereford Journal.

He loves Whiteface cattle and he likes to read about them. He spends a great deal of his time with his cattle and a lot of time learning about them.

He's actively engaged in the business and vitally interested in every phase of it. He likes to attend shows and sales. When he can't be there, he likes to read about it, all about it.

He likes to visit other herds. He likes to look for a new herd bull or good females. And, he decides where to visit, where to look, where to buy, by reading his Hereford Journal.

He's a good buyer... and a good potential customer for the cattle you have for sale. Yes, Hereford Journal readers mean business... new business for you. Advertise your herd in The American Hereford Journal. It's just good business!

FEEDER STEER DIVISION

SPECIAL RULES

1. There will be pens of five, only. These steers to be exhibited under one brand and by the breeder of the calves. Calves are not to be placed on supplemental feed before October 1st, 1958.

RULES—Continued

2. Each exhibitor is limited to two entries in each class.
3. Judges shall be instructed to discriminate against feeder calves which, in their opinion, are too fat to be profitable in the feedlots. The decision of the judge is to be made on the same basis as the cattle buyer would judge calves in purchasing them for feedlot purposes.

CHAROLAIS PRESENTS

QUALITY . . . with a profit

Better breeding, the top accomplishment of good management, offers the best opportunity of profit to the producer. It means increasing an animal's rate of gain through inherited ability to make more economical use of feed—by converting it into more flesh at a faster rate of speed. It means added income from your sale of breeding stock.

Charolais will add better breeding to your head—and through quality will insure profit.

ONE OF THE COUNTRY'S TOP BRANGUS HERDS

Brangus Are In The Purple Again!

Mike Mabery, Yuma, Arizona FFA, is shown holding his Brangus steer, which placed in the select Purple in all breed competition at the 1958 Yuma County Fair. Mr. Newcomer, breeder of the animal, is shown with Mike.

Beefier bulls do well on all breeds of cows.

Resistance to flies, ticks, and other common cattle diseases as pink eye and cancer eye on the range or feed lot.

Are ideal for any climate as they show remarkable tolerance to both heat and cold.

No horns, thus less handling and doctoring.

Gain more and mature faster, thus weigh from 75 to 100 pounds more at weaning time.

Usually and consistently gain in excess of three pounds a day and yield in excess of 65%.

Satisfy packers and buyers as they produce choice and prime beef rapidly.

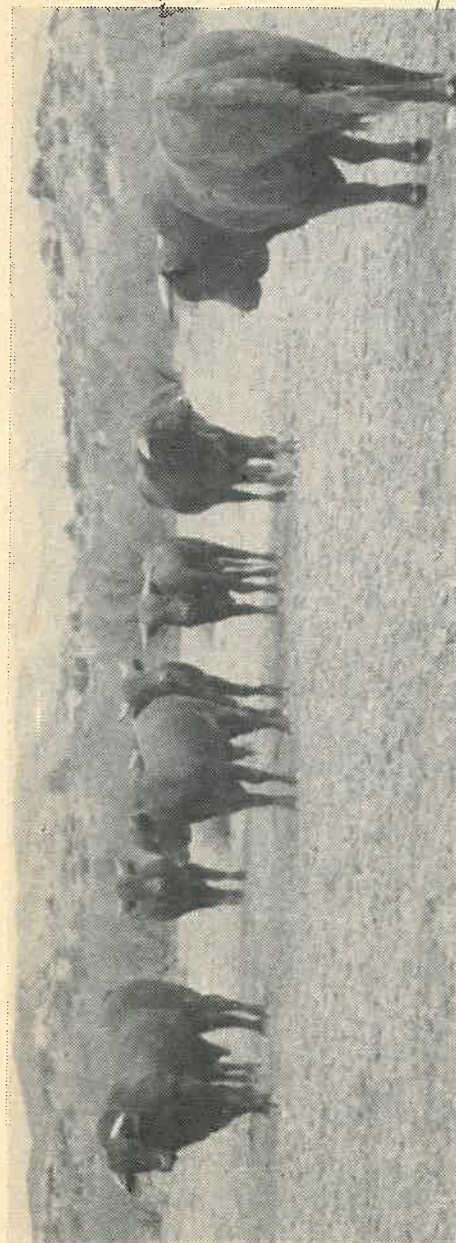

The ultimate objective of any breeding program is BEEF on the TABLE, we have had this proof time and time again. Many times YVCC Brangus have topped the LA Market.

TRUCKING

Exhibitors trucking cattle into the Show from out of the state of Arizona will be furnished with a courtesy letter upon request which will permit them to cross the state line without purchasing Arizona plates. This request should be sent in along with entries.

Nearest and most convenient rail unloading facilities are on Santa Fe tracks, one block from the Show Grounds. Shipments routed into Phoenix on the Santa Fe may be unloaded at that location without additional switching charges.

A Santa Fe representative will be on the grounds throughout the Show and can be contacted through the Stock Show office.

As in the past, the Santa Fe Railway will provide a special service to our exhibitors who plan to go to the Denver Livestock Show. They have arranged a schedule which will permit cattle to leave Phoenix Sunday afternoon, January 11th, arriving in Denver Wednesday morning, January 14th. It will be necessary to provide room in the car for feed, water and rest without unloading and that a caretaker accompany the car.
