Welcome

We welcome you to the 17th Annual Arizona National Livestock Show. I am sure you will agree with us that again this year the Show measures up in every respect to the highest standards set by the past Shows.

Note the construction activity on the fairgrounds. The new Coliseum will be completed in time for our January 1966 Show. We are proud of the progress we have made. The Arizona State Fair Commission has cooperated in every way to help us and to make more and better facilities available to us.

It is the sincere wish of all of us connected with the Show that you enjoy yourselves during your visit. Even with our growth we are attempting to maintain an air of informality and Southwestern hospitality, which we extend to you. If there is anything we can do to make your visit more meaningful and enjoyable please call on any of us.

Sincerely yours,

B. P. Cardon, President

Kennecott's Corner

WHERE TWO C's
RUN TOGETHER

They used to say that Arizona was built by four C's, or was it five? Well, no matter; two of them were Cattle and Copper—and still are. It sounds like an unusual team to be yoked together, but they've worked out pretty well. We go on trying to get more copper out of unpromising low-grade ore. You go ahead trying to put more beef on four feet than anybody dreamed was possible. One of these days, we'll have to get together and count the ways cattle and copper help each other. Meantime, let the Ray Mines Division of Kennecott Copper hang a blue ribbon on the whole livestock industry!

All Aberdeen-Angus entries are subject to the provisions of a rule of the American Angus Association entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition" effective November 21, 1960.

RULES

1. All cattle brought in for sale must be entered in the show and stall fees paid before cattle can be released. This does not mean cattle must be shown but it is necessary to have the number of cattle coming to the show so that the correct number of pens and stalls can be allotted.

3. All Sale animals are to be TB and Brucellosis tested, accompanied by INDIVIDUAL certificate and guaranteed to meet health requirements of destination state.

RULES—Continued

4. Sale cattle must be shown for sale order.
5. A \$20.00 (entry fee) deposit per head for each animal entered in the sale must accompany entries (This amount to be credited to the pro-rated costs.)
6. There will be a sale fee of 3% of the selling price of each animal going through the auction ring.
7. Sale cattle will be limited to seven (7) bulls and seven (7) females by any one consignor. Any exceptions to this rule must be approved by Sale manager and Sale Committee.
