EXHIBITS

Be sure to visit the many fine commercial exhibits on display at your Arizona National. 1964 sets a new record and we wish to express our sincere appreciation to our exhibitors for their outstanding contribution toward the success of the 1964 Arizona National.

Welcome

The 1966 Welcome Mat is out and we extend greetings to you as a visitor to the Arizona National.

This year we have a new look and we are extremely proud of our new Coliseum which we know you will enjoy during each of the performances held in the attractive and clear-view Arena.

With Arizona State Fair Commission co-sponsoring the Show, nothing will be left undone to give you five days of real entertainment both educational and enjoyable.

The Executive Committee and Board of Directors and the Arizona State Fair Commission join me in extending to you a most hearty welcome. Enjoy our Show to the fullest and let us know if there is anything at all we can do to make your visit a pleasant and profitable one.

Sincerely yours,

B. P. Cardon, President

Kennecott's Corner

CATTLE AND COPPER: JUST LIKE A WOMAN!

Ever know a woman who wasn't either trying to gain weight, or to lose some? Cattlemen and coppermen are a lot like that. While you labor to add pounds to your stock, we're struggling to shed a few odd tons of waste rock here and there to get out that elusive copper. While it may look like we're pulling in opposite directions, between the two of us we do quite a bit to beef up the Arizona economy!

ANGUS HALTER CLASSES

The American Angus Association, 3201 Frederick Blvd., St. Joseph, Mo., will pay up to \$2,500 on the amount of premiums paid in the following Classes. Balance to be paid by Arizona State Fair Commission and the Arizona National.

All Aberdeen-Angus entries are subject to the provisions of a rule of the American Angus Association entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition" effective November 21, 1960.

RULES

1. All cattle brought in for sale must be entered in the show and stall fees paid before cattle can be released. This does not mean cattle must be shown but it is necessary to have the number of cattle coming to the show so that the correct number of pens and stalls can be allotted.
2. All sale entries are to be sent to the Arizona National Office and Registration papers and Certificates of Transfer **MUST** accompany entries. Sale entry blanks may be secured from the Stock Show Office.
3. All Sale animals are to be TB and Brucellosis tested, accompanied by **INDIVIDUAL** certificate and guaranteed to meet health requirements of destination state.
4. Sale cattle must be shown for sale order.
5. A \$20.00 (entry fee) deposit per head for each animal entered in the sale must accompany entries. (This amount to be credited to the pro-rated costs.)
6. There will be a sale fee of 3% of the selling price of each animal going through the auction ring.

GET-OF-SIRE CARCASS CONTEST

Sponsored by

ARIZONA NATIONAL LIVESTOCK SHOW

for

Breeders of Registered Beef Cattle in Cooperation with

American Angus Association

American Hereford Association

American International Charolais Association

American Polled Hereford Association

American Shorthorn Breeders Association

International Brangus Breeders Association

NOTE: This contest is strictly a Purebred Get-of-Sire Carcass Contest and in no way a contest against the one sponsored by the Arizona Cattle Feeders' Association.

RULES

1. The classes are for sire groups of three steers by a registered bull of a recognized beef breed. The steers may be purebred, grade, or cross-bred, but must be of known calving date and each pen of three must be by the same sire.
2. A four-generation tabulated pedigree of the sire must be included with each entry. The calving date of each individual entry in each pen must be furnished. The show reserves the right to check any or all entries for age by examination of the teeth.
3. Entries must be made in the name of the breeder or in the joint names of the breeder and feeder.
4. **CLOSING DATE FOR ENTRIES: NOVEMBER 15**, on entry blanks available from the Arizona National Livestock Show. A breeder may enter two different sire groups or two sire groups by the same sire but not more than a total of six steers. All entries must be weaned by time of arrival at the show.

GET-OF-SIRE CARCASS CONTEST—Continued

5. The steers may be placed on feed at any time, fed any ration, but it is suggested that steers calved in the June to September, 1964, period will yield the most useful information to the breeder and the public.
6. All steers to arrive at the State Fairgrounds by 7:00 A.M., Tuesday, December 28, 1965. The steers will be sifted and photographed on Wednesday, December 29 and slaughtered on Thursday, December 30. Official weighing will be done immediately following the sifting and a five percent (5%) shrink deducted to establish shrunk weight. Minimum weight for any individual in a pen is 900 lb. on a shrunk basis.
7. The carcasses will be graded by a USDA grader, including grade (to 1/3 grade), marbling score and yield. Ribeye area and fat cover will be established by ribeye tracing. Percent kidney fat will be estimated by the USDA grader. Carcass weight per day of age will be calculated from warm carcass weights and age in days as of December 20, 1965. Cutability will be calculated by the USDA formula. From these data, cutability, grade, and carcass weight per day of age, weighted equally, the summer yearlings will be placed in 1, 2, 3, etc. order by pens and the senior calves will be handled in like manner. The best scoring get-of-sire group will become the Grand Champion Carcass Get-of-Sire and the second best scoring group the Reserve Grand Champion, regardless of age or class. Similarly, breed prizes will be the highest ranking get-of-sire group for the breed. The left side of the best and poorest carcass of each get-of-sire group will be displayed in appropriate exhibit cases during the latter part of the show along with all carcass data and the tabulated pedigree of the sire. All groups will be photographed prior to slaughter and a print displayed with each carcass group. It is assumed nothing will be shown that is not CHOICE.
8. Carcasses will sell at market price.

GET-OF-SIRE CARCASS CONTEST

Sponsored by ARIZONA NATIONAL LIVESTOCK SHOW

Breeders of Registered Beef Cattle in Cooperation with

American Angus Association
American Hereford Association
American International Charolais Association
International Brangus Breeders Association
American Cat-

NOTE: This contest is strictly a Purebred Get-of-Sire Carcass Contest and in no way a contest against the one sponsored by the Arizona Cat-

RULES

- The classes are for sire groups of three steers by a registered bull of a recognized beef breed. The steers may be purebred, grade, or crossbred, but must be of known calving date and each pen of three must be by the same sire.
- A four-generation tabulated pedigree of the sire must be included with each entry. The calving date of each individual entry in each pen must be furnished. The show reserves the right to check any or all entries for age by examination of the teeth.
- Entries must be made in the name of the breeder or in the joint names of the breeder and feeder.
- CLOSING DATE FOR ENTRIES: NOVEMBER 15, on entry blanks available from the Arizona National Livestock Show. A breeder may enter two different sire groups or two sire groups by the same sire but not more than a total of six steers. All entries must be weaned by time of arrival at the show.
- The steers may be placed on feed at any time, fed any ration, but it is suggested that steers calved in the June to September, 1964, period will yield the most useful information to the breeder and the public.
- All steers to arrive at the State Fairgrounds by 7:00 A.M., Tuesday, December 30. Official weighing will be done immediately following the sifting and a needay, December 29 and slaughtered on Thursday, December 30. Official weight for any individual in a pen is 900 lb. on a shrink basis.
- The carcasses will be graded by a USDA grader, including grade (to 1/3 grade), marbling score and yield. Ribeye area and fat cover will be established by ribeye tracing. Percent kidney fat will be estimated by the USDA grader. Carcass weight per day of age will be calculated from warm carcass weights and age in days as of December 20, 1965. Cutability will be calculated by the USDA formula. From these data, cutability, grade, and carcass weight per day of age, weighted equally, the summer yearlings will be placed in 1, 2, 3.

- etc. order by pens and the senior calves will be handled in like manner. The best scoring get-of-sire group will become the Grand Champion Carcass Get-of-Sire and the second best scoring group the Reserve Grand Champion, regardless of age or class. Similarly, breed prizes will be the highest ranking get-of-sire group for the breed. The left side of the best and poorest carcass of each get-of-sire group will be displayed in appropriate exhibit cases during the latter part of the show along with all carcass data and the tabulated pedigree of the sire. All groups will be photographed prior to slaughter and a print displayed with each carcass group. It is assumed nothing will be shown that is not CHOICE.
- Carcasses will sell at market price.
