GOVERNOR JACK WILLIAMS

In Memoriam

The 1967 Arizona National Livestock Show is respectfully dedicated to JOHN M. JACOBS.

John Jacobs was a Vice-President when the Arizona National was organized in 1948 and remained on the Executive Committee in this capacity until his death.

John was more than a Vice-President—he was a loyal and devoted friend of the Arizona National and in many ways responsible for its continued success; never too busy to give of his time, his good, sound, solid thinking, his cattle for exhibition and his money to further promote the Show.

A highly successful man but so kind and humble in his working with others. This organization has been blessed with outstanding men serving as officers and each one leaves a vacancy never to be filled. John Jacobs is certainly no exception and his absence will be felt for many years to come.

We honor him with much respect and admiration for the great contribution he made to Arizona and Phoenix through the Arizona National. His high ideals will live on in the minds and hearts of all with whom he came in contact.

EXHIBITS

Be sure to visit the many fine commercial exhibits on display at your Arizona National. 1967 finds us with many new exhibitors and we wish to express our sincere appreciation to them for their outstanding contribution toward the success of the 1967 Arizona National.

Welcome

The Officers, Board of Directors, Advisory Council and Members of the Arizona National Livestock Show and the Arizona State Fair Commission extend to you a most hearty welcome. It is our sincere hope that your visit to this NINETEENTH ANNUAL SHOW will prove interesting and enjoyable.

Even though we have expanded greatly through the years and now have activities in our beautiful Veterans Memorial Coliseum, we still hope to maintain our air of informality and Southwestern Hospitality which we extend to all who visit our Show.

We are here to see that you enjoy your visit to the Arizona National and if we can be of any service, feel free to call on us. It is our sincerest desire that your visit to our Show will be so enjoyable you will make every effort to be with us in future years.

Sincerely yours,

B. P. Cardon, President

PEOPLE WATER ELECTRICITY

People are inclined to take water for granted, but it is a precious commodity in this desert land.

People are also inclined to take electricity for granted, but it, too, is vitally important—makes possible a high standard of modern living.

Providing these two necessities—water and electricity—has been the job of the Salt River Project since 1903.

Kennecott's Corner

GIT ALONG, LITTLE ANODE!

Roundup time down at the mine's a far cry from the rangeland ritual. (Our mounts might just as likely be 85-ton trucks!) Yet once our copper cowboys cut the pounds of good red metal from the tons of waste, copper men and cattlemen get to looking a lot alike. Instead of fat steers, we're shipping sleek 700-pound anodes, but they both pay off the same for Arizona: new money to keep our state's economy moving!

RULES

1. All cattle brought in for sale must be entered in the show and stall fees paid before cattle can be released. This does not mean cattle must be shown but it is necessary to have the number of cattle coming to the show so that the correct number of pens and stalls can be allotted.

RULES—Continued

3. All Sale animals are to be TB and Brucellosis tested, accompanied by INDIVIDUAL certificate and guaranteed to meet health requirements of destination state.
4. Sale cattle must be shown for sale order.
5. A \$20.00 (entry fee) deposit per head for each animal entered in the sale must accompany entries. (This amount to be credited to the pro-rated costs.)
6. There will be a sale fee of 3% of the selling price of each animal going through the auction ring.
7. Sale cattle will be limited to seven (7) bulls and seven (7) females by any one consignor. Any exceptions to this rule must be approved by Sale manager and Sale Committee.

 4. Over-fitted steers will be lowered in their class in the judging but will be permitted to be sold in the Feeder Steer Sale.
 5. All Feeder Steers must be groomed and broke to lead.
 6. There will be a screening committee to eliminate those pens that do not come up to show standards.

GET-of-SIRE CARCASS CONTEST

Sponsored by

ARIZONA NATIONAL LIVESTOCK SHOW

for

Breeders of Registered Beef Cattle in Cooperation with**American Angus Association****American Hereford Association****American International Charolais Association****American Polled Hereford Association****American Shorthorn Breeders Association****International Brangus Breeders Association**

NOTE: This contest is strictly a Purebred Get-of-Sire Carcass Contest and in no way a contest against the one sponsored by the Arizona Cattle Feeders' Association.

RULES

1. The classes are for sire groups of three steers by a registered bull of a recognized beef breed. The steers may be purebred, grade, or cross-bred, but must be of known calving date and each pen of three must be by the same sire.
2. A four-generation tabulated pedigree of the sire must be included with each entry. The calving date of each individual entry in each pen must be furnished. The Show reserves the right to check any or all entries for age by examination of the teeth.
3. Entries must be made in the name of the breeder or in the joint names of the breeder and feeder.
4. CLOSING DATE FOR ENTRIES: NOVEMBER 15, on entry blanks available from the Arizona National Livestock Show. A breeder may enter two different sire groups or two sire groups by the same sire but not more than a total of six steers. All entries must be weaned by time of arrival at the show.
5. The steers may be placed on feed at any time, fed any ration, but it is suggested that steers calved in the June to September, 1965 period will yield the most useful information to the breeder and the public.
6. All steers to arrive at the State Fairgrounds by 7:00 A.M., Tuesday, December 27, 1966. The steers will be sifted and photographed on Wednesday, December 28 and slaughtered on Thursday, December 29. Official weighing will be done immediately following the sifting and a five percent (5%) shrink deducted to establish shrunk weight. No minimum weight.

GET-OF-SIRE CARCASS CONTEST—Continued

7. The carcasses will be graded by a USDA grader, including grade (to 1/3 grade), marbling score and yield. Ribeye area and fat cover will be established by ribeye tracing. Percent kidney fat will be estimated by the USDA grader. Carcass weight per day of age will be calculated from warm carcass weights and age in days as of December 19, 1966. Cutability will be calculated by the USDA formula. From these data, cutability, grade, and carcass weight per day of age, weighted equally, the summer yearlings will be placed in 1, 2, 3, etc. order by pens and the senior calves will be handled in like manner. The best scoring Get-of-Sire group will become the Grand Champion Carcass Get-of-Sire and the second best scoring group the Reserve Grand Champion, regardless of age or class. Similarly, breed prizes will be the highest ranking get-of-sire group for the breed. The left side of the best and poorest carcass of each get-of-sire group will be displayed in appropriate exhibit cases during the latter part of the show along with all carcass data and the tabulated pedigree of the sire. All groups will be photographed prior to slaughter and a print displayed with each carcass group. It is assumed nothing will be shown that is not CHOICE.
8. Carcasses will sell at market price.

19 YEARS OF CONTINUOUS ACHIEVEMENT

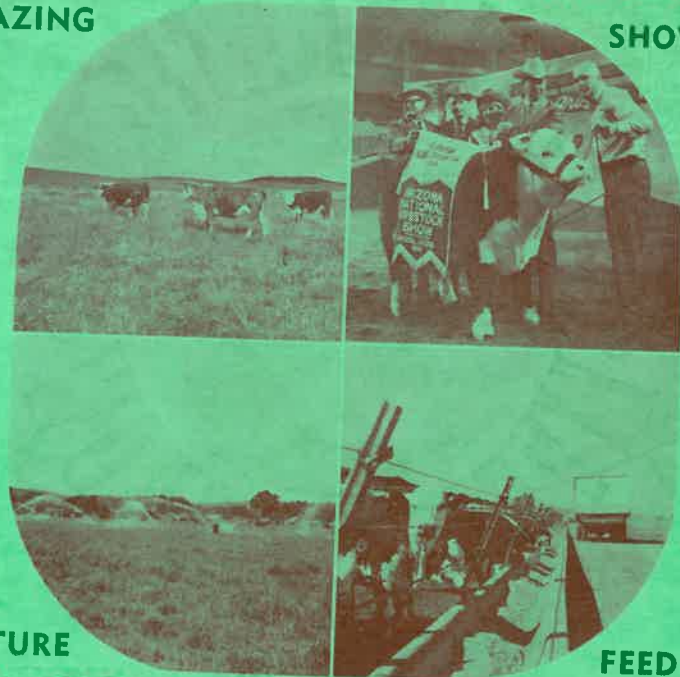

Among the names on the original Arizona National Livestock Show Board of Directors in 1949 was that of John Jacobs, who served continuously until his death in February, 1966. He had also served on the Arizona Public Service Company Board of Directors since 1946, and had been Chairman since 1955. The spirit and dedication of this man and others like him, have inspired the growth and stature of the show, until last year it ranked 4th in the nation as a cattle show, with exhibitor representation from 22 states, and attendance of some 40-thousand. Our state can truly take pride in this year's Arizona National Livestock Show, representing 19 years of continuous achievement.

In Memoriam

The 1967 Arizona National Livestock Show is respectfully dedicated to JOHN M. JACOBS.

John Jacobs was a Vice-President when the Arizona National was organized in 1948 and remained on the Executive Committee in this capacity until his death.

John was more than a Vice-President—he was a loyal and devoted friend of the Arizona National and in many ways responsible for its continued success; never too busy to give of his time, his good, sound, solid thinking, his cattle for exhibition and his money to further promote the Show.

A highly successful man but so kind and humble in his working with others. This organization has been blessed with outstanding men serving as officers and each one leaves a vacancy never to be filled. John Jacobs is certainly no exception and his absence will be felt for many years to come.

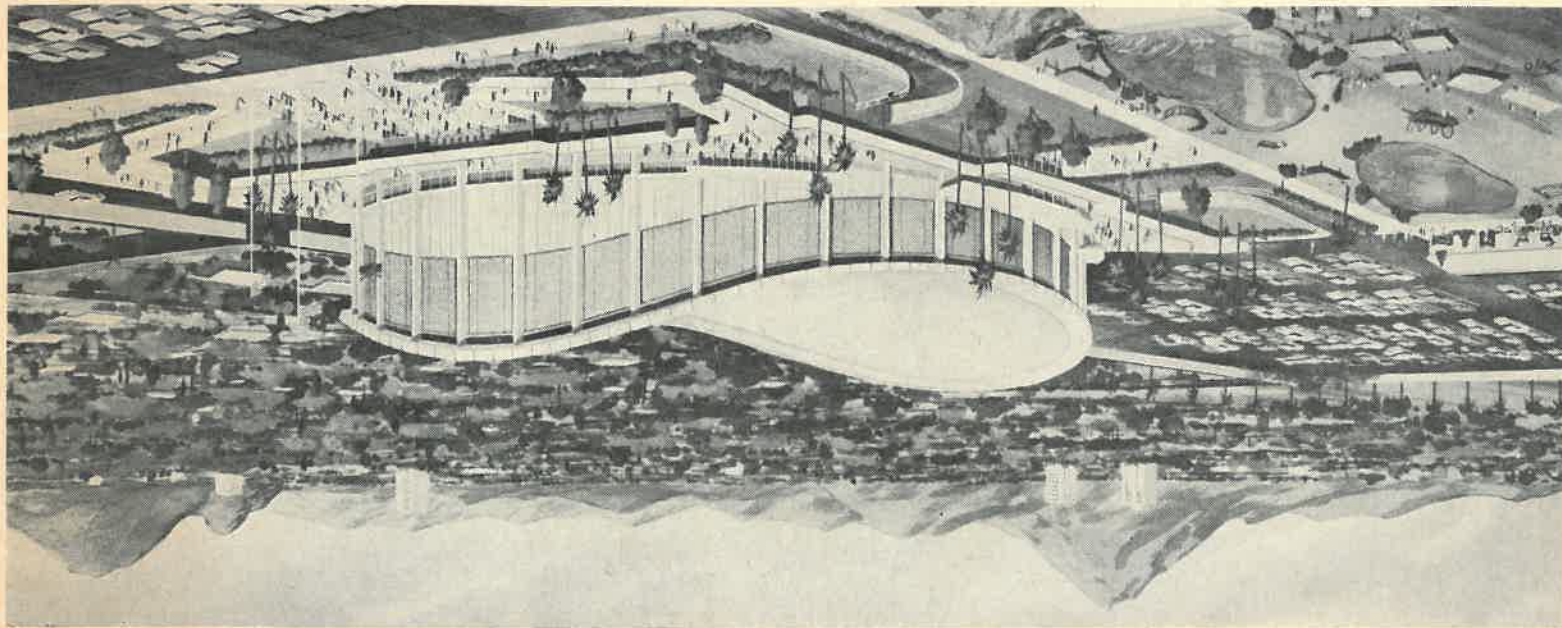

We honor him with much respect and admiration for the great contribution he made to Arizona and Phoenix through the Arizona National. His high ideals will live on in the minds and hearts of all with whom he came in contact.

Breeders of Registered Beef Cattle in Cooperation with

American Polled Hereford Association

American Shorthorn Breeders Association

International Brangus Breeders Association

NOTE: This contest is strictly a Purebred Get-of-Sire Carcass Contest and in no way a contest against the one sponsored by the Arizona Cattle Feeders' Association.

1. The classes are for five groups of three steers by a registered bull of a recognized beef breed. The steers may be purebred, grade, or crossbred but must be of known pedigree and each one of them must be in the same condition.

2. A four-generation tabulated pedigree of the sire must be included with each entry. The calling date and each date of known carrying date must be given by the same sire. The Show reserves the right to check any or all entries for age by examination of the teeth. must be furnished. The calling date of each individual entry in each pen

4. CLOSING DATE FOR ENTRIES: NOVEMBER 15, on entry blanks available from the Arizona National Livestock Show. A breeder may enter two different size groups or two size groups by the same sire but not more than a total of six steers. All entries must be weaned by time

5. The steers may be placed on feed at any time, fed any ration, but it is suggested that steers calved in the June to September, 1965 period will yield the most useful information to the breeder and the public.

9. All steers to arrive at the State Fairgrounds by 7:00 A.M., Tuesday, December 29, 1966. The steers will be sited and photographed on Wednesday, December 28 and slaughtered on Thursday, December 29. Official weighing will be done immediately following the siting and a five percent (5%) shrink deducted to establish shrink weight. No minimum weight.

7. The carcasses will be graded by a USDA grader, including grade (to 1/3 grade), marbling score and yield. Ribeye area and fat cover will be established by ribeye tracing. Percent kidney fat will be estimated by the USDA grader. Carcass weight per day of age will be calculated from warm carcass weights and age in days as of December 19, 1966. Cuntability will be calculated by the USDA formula. From these data, cutability, grade, and carcass weight per day of age, weighted equally, the summer yearlings will be placed in 1, 2, 3.
