Welcome

The Executive Committee and Members of the Board extend greetings and welcome you to the 21st Annual Arizona National Livestock Show.

We trust you will appreciate the educational value of our show and be entertained by its presentation. Be aware this is one of the great Display Cases of the Cattle Industry which gives you the opportunity to see the best of beef on the hoof and on the hook along with demonstrations of preparation.

Much credit is to be given to the many public-minded citizens who contribute as members, also, those who give of their time and talents without compensation and have had faith in the Show from the beginning. Their support has maintained the Show and our Exhibitors make it one of the **Best**.

Enjoy yourself and hurry back!

Sincerely,

B. P. Cardon, President

Kennecott's

ANGUS, BRANGUS,
SILICATE & SULPHIDE

Afraid we'd have a bit of trouble entering those last two "breeds" in the Arizona National. But back on our spread around Ray and Hayden, they're both candidates for Best of Show. The Sulphide ores we've been mining for years have added many a million to Arizona's economy (\$21 million last year in wages, taxes, in-state purchases). The Silicate ores we'll soon be processing in our new \$35 million plant will boost the state's business even more. Silicate and Sulphide — they put a lot of beef on Arizona tables.
