GOVERNOR JACK WILLIAMS

In Memorium

The 1970 Arizona National Livestock Show
is respectfully dedicated to
STERLING HEBBARD

Sterling Hebbard was one of the founders of the Arizona National when it was organized in 1948. He served on the Executive Committee from the beginning and became the Second President in 1958 and served for five years. He was then elected Co-Chairman of the Board, which position he held at the time of his death.

Sterling was a devoted and loyal friend of the Arizona National and was one of the key figures in bringing about various improvements in its general operation. He brought the ever popular Arizona National Club into being and took great pride in establishing a Club that was a credit to the Show, its Members, Exhibitors, and friends.

He gave much of his time, money and energy during his years as President and endeared himself to all who worked with him. Again we pay tribute to a great man who can never be replaced and who leaves a vacancy so keenly felt.

It is with great respect that we honor him and he shall live on in the lives of all who knew him as one who gave of his best, who had love and consideration for his fellow men, and was happiest when doing for others.

Robert M. Williams

Welcome

Once again I greet you on behalf of the Executive Committee and Members of the Board of the Arizona National Livestock Show and extend to you a sincere welcome!

Every effort has been made to give you another outstanding Show and we hope you will enjoy, to the fullest, what we have arranged for you.

You are privileged to see some of the best cattle in the country on the hoof, on the hook, and on the table. The educational benefits to the breeder, feeder and consumer can never be fully evaluated as only by comparison can we establish better standards of a fast changing world.

Many contributions of time and money have given you and the State of Arizona a true picture of the livestock industry, as it is today, in its various fields of endeavor and we are grateful to all those who have faith in the Show and who make these annual contributions to give evidence of this faith.

We are proud to present to you the 1970 Arizona National which is a most important segment of the Livestock Industry.

Sincerely,

B. P. Cardon, President

Ray Mines Division

Kennecott's

ANGUS, BRANGUS, SILICATE & SULPHIDE

Afraid we'd have a bit of trouble entering those last two "breeds" in the Arizona National. But back on our spread around Ray and Hayden, they're both candidates for Best of Show. The Sulphide ores we've been mining for years have added many a million to Arizona's economy (\$27 million last year in wages, taxes, in-state purchases). The Silicate ores we are now processing in our new \$35 million plant will boost the state's business even more. Silicate and Sulphide — they put a lot of beef on Arizona tables.

CATTLEMEN!

The old Hotel Adams has been modernized and so has the greeting of Cattlemen arriving in Phoenix.

We've "culled" the old Adams and we now have a new, charming Spanish Hotel in the true sense of the word, managed by King of the Road Motor Inns, Inc., a wholly owned subsidiary of Hobo Joe's Inc.

Our Hobo Joe's coffee shop is renowned in the Valley for excellent food and service. Enjoy a quick snack or a leisurely full course dinner. Dine in the colorful Flamenco Room and Cocktail Lounge with entertainment nightly, or enjoy authentic Mexican cuisine in the new Don Jose Hacienda Room. The Men's Grill provides a perfect haven for your Cattlemen's business transactions.

Relax on the new sun deck or lounge by the crystal-clear pool; then make a date for the steam room. You'll love it.

4. Each boy must be prepared to pay half the purchase price of the calf and must deposit \$25 at time of making application. Checks to be made payable to Arizona National Livestock Show.
5. Two boys per calf will go into Arena to participate in the contest.

7. If contestant loses halter after catching calf he must hold on to his calf and will be given five minutes to recover halter. If contestant is not successful in recovering halter in time allowed, calf will be released for all contestants not having caught a calf. Boy losing halter will have equal chance.
8. The boy catching a calf is required to lead the calf to the gate without aid.
9. While one boy has hold of a calf, no other boy will be allowed to touch it. If two or more boys catch a calf at the same time, the calf will be turned loose.

13. All prize money and money from the sale of the calf will belong to the individual catching the calf.
14. Applications and deposits must be filed with respective 4-H and FFA State offices by December 15th, according to Rules specified by both organizations.
15. There will be four scrambles with 10 contestants and 5 calves each.
16. Should any unforeseen circumstances arise, not covered by above rules, the Junior Superintendent or the Arizona National office must be notified **immediately** and a final decision will be made by the Junior Superintendent.

DEFINITION OF A QUARTER HORSE

He's half a ton of poised and controlled energy, held on an easy rein and a hair trigger.

He's a workin' man who can earn his keep on the range all week — and he's a handsome dandy at the track on Sunday afternoon.

He's proud when he stands; lazy when he walks —

But when he runs he can whip the tears from the corners of your eyes and plaster your hat brim against the crown.

He's big in the haunches, supple in the withers, stout in the neck and wide across the chest . . . to hold his big heart.

He's cow smart and brave — though sometimes a clown — and to the man with sky in his eye and mud on his boots the Quarter Horse is a faithful hand . . .

And a friend!

Lee Scotland and Vanguard have both proven they have this ability and their colts are also proving it each year.
