Welcome

When asked to give a few words of welcome it always motivates many thoughts of how to express the broad meaning. So in this instance, I want to extend a most cordial welcome on behalf of the Governor of Arizona, State Legislative bodies, Coliseum Board, and those many men and women over the State who enjoy putting this great event on for the benefit of all, especially the educational phases that involves not only our adults but the young men and women as well.

Please accept this as a real welcome that covers every meaning of the word and intent.

WELCOME!!!

Sincerely,

T. A. Goodnight

Kennecott's

OUR MINERS DIG BEEF

Kennecott families serve beef often. With 1,950 Arizonans on our payroll, that's a lot of hamburgers and steaks. But there's more to the story. Kennecott also pays out \$8 million a year to various suppliers located around the state. And another \$3½ million yearly for in-state taxes. Now, if the folks this money helps to support like beef as much as we do, the answer's pretty plain: our copper puts a lot of beef on Arizona tables.

Electricity helps keep them that way. Clean electricity is used to help reduce pollution from industry. To reclaim and purify minerals and water. To recycle waste. And many other uses. True, making electricity may cause some pollution, but it cleans up more than it makes. And we're constantly improving production methods to make electricity cleaner still!

NOT BE IN COMPETITION AND WILL THEREFORE NOT BE JUDGED AS AN OFFICIAL CLASS IN THE SHOW. ALL FIVE steers must be fed at the same feedlot at least 100 days prior to entering the 1972 Show.

3. The steer for the carcass contest is to be selected by the exhibitor. A numbered ear tag will be furnished for each entry of FIVE steers by the Arizona Cattle Feeders' Association and mailed to exhibitors. The ear tag to be placed on the selected carcass steer prior to shipment.
4. Selection of the FIVE steers by the exhibitor need not be based on any specific breed or cross breed preference. Exhibitors are reminded that the Fed Steer Show is a display of feedlot steers representative of the general, day to day, competitive feeding industry in the State. It is important that the steer which is selected from each FIVE steer entry for the carcass contest be just that, and any carcass steer which indicates otherwise (extreme weight differential, for example), will be disqualified.
5. CLOSING DATE FOR ENTRIES will definitely be December 15, 1971. Exhibitor may show as many pens as desired. Entries must be mailed (or called in) to the Arizona Cattle Feeder' Association by that date.
6. The Arizona National Livestock Show will be held in Phoenix January 3-9, 1972. Schedule for arrival of Fed Steers in this particular division is as follows: **ALL STEERS** to arrive at the State Fairgrounds on Tuesday, December 28, 1971. Carcass steer to be slaughtered Thursday, December 30 and judged on Monday, January 3rd.
7. The steers on exhibit will NOT be sold at auction during the Show, as in the past. Cattle may be sold at private treaty or returned to feedlot, at owner's discretion.

THE PROVEN "EXOTIC"

Established breeds are trying to imitate, and the "exotic" breeds are trying to follow. But remember. It was Charolais that started it all, the breed that PROVED performance, profit and quality went hand in hand and were available in one breeding package.

Profits in the cattle business are made NOT by those who imitate, but by those who are imitated.
