BRUCE E. BABBITT
GOVERNOR

OFFICE OF THE GOVERNOR
STATE HOUSE
PHOENIX, ARIZONA 85007

Welcome:

As Governor, it is a pleasure to extend greetings to you as you gather for the 1979 Arizona National Livestock Show.

One of the outstanding livestock shows in the country, the Arizona Nationals is the product of a small army of devoted organizers, producers and participants who have the strong support of their fellow Arizonans.

The livestock industry has played an important part in the history of Arizona and it is fitting that the Arizona National should be one of the more prestigious shows in the nation. It is a centerpiece and offers recognition to an industry that contributes greatly to our everyday needs and lives.

The industry has survived despite adversities and it has flourished in normal times, a representative of the free enterprise system that supports the strength of America.

The Arizona National Livestock Show is a salute to the intelligence, the industry, and the diligence of the industry and I commend all those who have contributed to its continuing excellence.

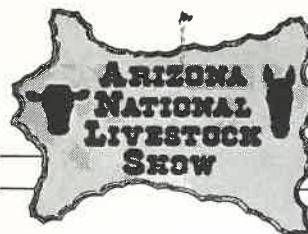

Best wishes for the success of this year's production.

Sincerely,

Bruce E. Babbitt

Howdy:

Welcome to the 31st annual Arizona National Livestock Show. This year's Show we think will be extra exciting.

First, the E. Ray Cowden Hereford Register of Merit (ROM) Show will be truly outstanding, quality cattle in competition for one of the greatest Arizona Cattlemen. We are adding the Sun Classic Simmental Show to the Breeding Cattle Division - another first in Arizona.

Because of the tremendous interest in the Junior Market Lamb Show, we are adding an Open Breeding Sheep Division this year. The Horse Division continues to grow and improve as one of the premier horse events in Arizona!

The first annual Turquoise Circuit Rodeo Championships, pitting the top Arizona-New Mexico cowboys in seven events will be held during the Arizona National this year. The Professional Rodeo Cowboys Association (PRCA) three go-round, winner take all contest will settle who is the best in the Southwest -- for 1979 anyway!

Our Arizona Agricultural Trade Fair (Arizona Ag-Fair), the Southwest's largest agricultural equipment show, is again center stage for your benefit. No where else in Arizona can you see all the tools you need and use in one spot for comparison.

Our officers and Show Committee are proud to present not only a bigger ANLS in 1979, but one of quality -- specifically designed for your education, interest and enjoyment. Thank you for sharing your Arizona National experience with us in '79.

Sincerely,

James M. Webb

James M. Webb

P.S. Please note that the ANLS Scholarship Fund presented 12 grants to help persons further their higher education last year. As an exhibitor of the ANLS you are potentially qualified for this opportunity. Check with us during the Show for details.

E. Ray Cowden
1891-

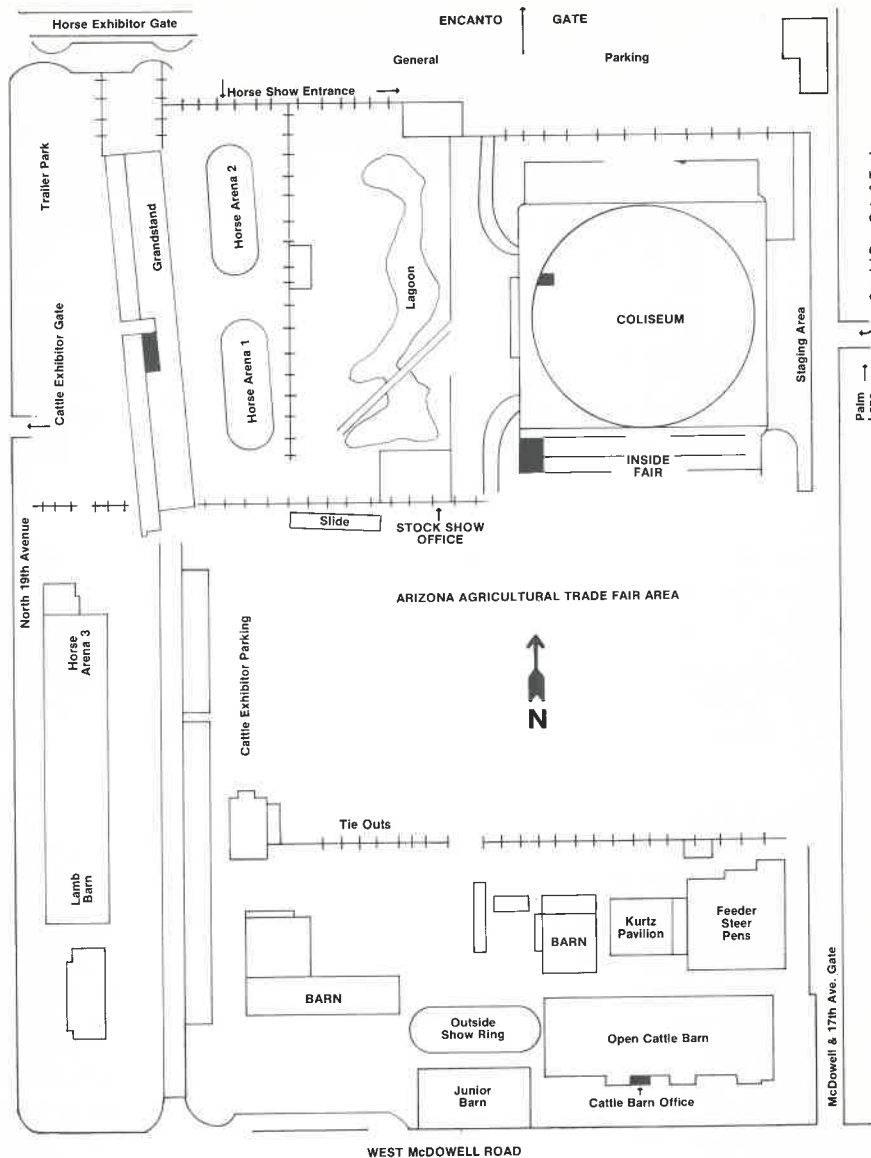

The American Hereford Association, Arizona Hereford Association, and the Arizona National Livestock Show proudly honors one of Arizona's pioneers and premier Hereford Breeders by designating the 1979 Arizona National Livestock Show, Hereford Show as the E. Ray Cowden Register of Merit Show.

As president of the Cowden Livestock Company, Ray Cowden for many years was one of the few "complete" Hereford operations in the country - a register herd, a commercial herd, and a modern feedlot operation.

Ray Cowden in partnership with the Babbitt Brothers purchased some pure bred Hereford cows from the Bartlett - Herd operation and in 1917 acquired two outstanding Hereford bulls one of which "Bonnie Donald" who had swept the midwest show circuit, including the Royal at Kansas City and the International at Chicago.

Ray Cowden was one of the founders of the Phoenix Stock Show, predecessor to the Arizona National Livestock Show, and served as one of the organizations 1st Vice Presidents. Ray has continued to assist and support the Arizona National Livestock Show since its conception.

Truly a man of versatile abilities, unusual stamina and extraordinary vision, Ray has given freely of his time and counseling in developing the agricultural and livestock industry in Arizona.

15. Premium checks will be mailed to the exhibitor, as shown on the entry form, as soon as possible after the closing of the Show. **Checks not cashed within sixty (60) days of the date of issue will be void.**

Judges

16. Judges are selected with great care. A good deal of consideration is given for reputation and ability. Judges may be asked to give reasons for their placings. Stock shows are part of an educational process, and judging is part of the plan to inform livestock producers.

17. Judges' decisions shall be final in all cases. In cases where fraud, misrepresentation, error or collusion is discovered after awards have been given, the Show Management or such referee as may be appointed, may make a decision regarding final placement.

Protests

18. A protest, in writing, shall be delivered to the Show Management within six hours of the protested occurrence. A \$25.00 deposit **must** accompany the protest. The deposit will be forfeited if the protest is not sustained. Protests will be adjudicated by the Show Committee and their decision will be final.

Parades and Contests

19. Exhibitors will be required to parade their animals as requested by the Show Management.

20. In order to provide meaningful judging contests, exhibitors are required to make their animals available for such contests as the Show Management may deem necessary.

Tack Stalls

21. A limited number of tack stalls are available, and will be assigned **only** if requested on the entry form, if space is available.

Number Harnesses

22. A Show number harness **must** be worn while showing cattle in the ring. They may be purchased at the Livestock Office for \$4.00. If the harness is returned in good condition, \$3.00 will be refunded.

Muzzles

23. Any animal muzzled will be barred from the Show.

Trailer Park

24. Trailer and motor home spaces are available on the grounds. Each has water, 110 V power and sewer hook-ups. A fee of \$4.00 per day will be charged for a single space for the duration of the Show and will include all utilities. Advance reservations are required, since space is limited, and a payment for the estimated number of use days **must** accompany the entries. A permit will be placed in the exhibitor packet and must be displayed on the camper at all times during the Show.

25. No camping will be allowed outside the trailer park area.

Important

26. City of Phoenix and State of Arizona fire code regulations **require** that all fans, blowers, hand clippers and other electrical appliances used be equipped with a **ground wire**, according to OSHA standards.

Dogs

27. Only working dogs will be allowed on the grounds and they **must** be kept on a leash at all times. Any dogs found loose on the grounds will be impounded.

Parking

28. Parking permits will be issued to exhibitors upon arrival on the grounds. Permits will be honored only in designated exhibitor parking areas, and no livestock trucks or trailers will be allowed to park in any other area on the grounds. Vehicles found improperly parked will be immediately removed by the Show Management. Starting at 7 a.m. January 3, 1979 cattle exhibitors will be allowed entry **only** at the Cattle exhibitors gate, located at the south 19th Ave. entrance.

Exhibitor Passes

29. Exhibitor gate passes will be issued based on the number of livestock entered. If additional passes are required, they may be purchased at the Livestock Office at half the price of daily admission.

CATTLE HEALTH REQUIREMENTS ARIZONA STATE VETERINARIAN

1688 W. Adams Street
Phoenix, AZ 85007
(602) 271-4293

Notice

1. **All** animals will be inspected upon arrival at the Fairgrounds **before** entering the barn area.

2. The veterinarian in charge reserves the right to require retests after entries are on the grounds or to order removal from the grounds of any animals not meeting health requirements.

Out of State Entries

3. Exhibitors must have a permit to enter the State. You may obtain the permit from the State Veterinarian at the above address. This permit is not to be confused with the veterinarian's health certificate.

A. **Brucellosis:** Modified, Certified and Non-Certified Areas - All cattle over six months old, unless officially vaccinated when calves, must have a negative Brucellosis test made within 30 days in a State or Federal laboratory. All animals over 20 months old and which were officially vaccinated when calves, must have a negative Brucellosis test made within 30 days in a State or Federal laboratory.

Certified Herds - No Brucellosis test is required.

Due to the spread of Brucellosis in Arizona cattle being traced so frequently to cattle imports, it is the decision of the State Veterinarian of Arizona that all dairy and beef breeding cattle entering the State from:

California	New Mexico
Colorado	Utah
Idaho	All modified-certified Brucellosis free states

1. Shall be required to pass a negative Brucellosis test within 30 days prior to entry into Arizona.

2. Shall be under quarantine and be held segregated from all other cattle until retested 30 to 60 days after arrival at owner's expense and found negative. **(This does not apply to Arizona National Show Cattle.)**

3. Shall enter under **permit** from the Office of State Veterinarian. Call (602) 271-4293 during office hours. Odd hours call (602) 959-1058, 723-3521 or 959-2349.

4. Brucellosis testing does not apply to certified herds or steers.

B. **Tuberculosis:** Animals must be negative to tuberculin tests not more than 90 days prior to entry. Steers are excepted from this ruling.

C. **Scabies:** A thorough examination of each animal for all types of scabies, and a statement on the face of the veterinarian's health certificate that such examination has been made and was negative, is required on cattle originating outside Arizona.

Cattle arriving at the Fairgrounds will be unloaded into holding pens and re-examined for scabies by Livestock Sanitary Board Officials before being moved to barn areas.

USDA Regulations concerning scabies stipulate that:

1. Cattle being shipped interstate must be shipped within 10 days after they are inspected.

2. Cattle may be certified for interstate shipment only when they have been dipped according to the directions for the permitted pesticide used.

D. Livestock Sanitary Board importation requirements:

1. All cattle consigned to Arizona for feeding, breeding, show or any purpose from Colorado, Kansas and Nebraska, and all counties west of and through which I-35 passes in Texas and Oklahoma, will be officially dipped for cattle scabies within 10 days prior to entering Arizona and be accompanied by an official dipping certification.

In State Entries

4. A. **Brucellosis:** No requirements.

B. **Tuberculosis:** Animals must be negative to tuberculin tests not more than 90 days prior to entry. Steers are excepted from this ruling.

C. **Scabies:** A thorough examination of each animal for all types of scabies, and a statement on the face of the veterinarian's health certificate that such examination has been made and was negative, is required on cattle originating in Arizona.

Cattle arriving at the Fairgrounds will be unloaded into holding pens and re-examined before moving to the barn areas.

Spraying Fee

5. If spraying is required by the State Veterinarian, exhibitor will be charged a \$2.50 per head spraying fee, payable to the Arizona National.

Quarantined Herds

6. **No animal from any herd under quarantine or suspension for any infectious, communicable or contagious disease will be allowed entry.**

Health Certificates

7. A veterinarian's health certificate must accompany **all** animals. The certificate for slaughter steers should have a statement as to the history of DES feeding and antibiotic withdrawal dates.

USDA Wholesome Meat Act

8. The USDA Wholesome Meat Act applies to **ALL** slaughter animals at this Show. The Act requires the following:

A. Antibiotics and Sulfonamides have required withdrawal periods.

B. Drug label directions must be followed.

C. If drug or chemical residues are found in carcass tissue, the entire carcass may be condemned and the exhibitor will forfeit premium monies and any sale proceeds.

D. If a carcass is condemned for any reason, other than drug or chemical residues, the exhibitor will forfeit all sale proceeds.

Please consult your project leader if you do not understand this statement.

OPEN SHOW RULES AND REGULATIONS

1. All Open entries are subject to all General Rules and Regulations, see page 18.

2. Open entries close at **midnight, December 1, 1978.**

3. One entry card for each animal entered must be completed.

4. Each **group** entry must be complete on an entry card indicating the class number and the name of the exhibitor. All animals in a group entry must have been shown as an individual at this Show.

Ownership

5. Open exhibitors must be the bona fide owners of the animals entered for at least 30 days prior to January 1, 1979.

6. Open cattle may be entered by a fitting service, but animals must be entered in the name of the owner. Premium checks issued to exhibitors where the animals are shown by a fitting service will be issued in both the name of the exhibitor and the fitting service, unless the Show Management is provided with instructions from the owner to pay any premiums won directly to the fitting service.

7. Breed association representatives will verify individual animals tattoos shown on the class entry form prior to each individual breed judging.

Blocking Chutes

8. Blocking chutes will be restricted to areas on the grounds designated as blocking chute areas. Blocking chutes must be registered with the Livestock Office and have an ANLS sticker attached. The stickers may be purchased for a fee of \$10.00 and the fee must accompany the entry form. Any blocking chute found without an ANLS sticker will be confiscated and removed from the grounds. It is suggested that after arrival at the Show, exhibitors cooperate with one another in utilizing the blocking chutes that are available.

OPEN SHOW ANGUS

Premium paid by the Arizona National Livestock Show	\$ 6,180
Premium paid by the American Angus Association	\$ 4,120
Added Arizona National Livestock Show Premiums	\$ 1,000
TOTAL PREMIUM	\$11,300

1. The American Angus Association, Dr. C. K. Allen, Executive Secretary, 3201 Frederick Blvd., St. Joseph, MO 64501, will pay to 40% of the total premiums, offered for the Open Class Angus Breeding Cattle where individual premiums amount to \$10 or more. The Association's contribution will be paid directly from their office to the exhibitors.
2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.
4. In order to be eligible for premiums contributed by the American Angus Association each exhibitor, whether the sole owner, or co-owner, of any registered Angus animal exhibited, must sign a **SHOW PREMIUM ELIGIBILITY STATEMENT** and pay the 3-year eligibility fee of \$15. Copies of the Statement are available from the Association.

"The undersigned is an owner/exhibitor of Aberdeen-Angus cattle. I (we) intend to exhibit cattle at fairs and other events at which premiums are contributed by the American Angus Association. In consideration of the contribution by the Association of such premium money, and in recognition of the authority of the Association and its representatives to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited animals, I (we) agree (1) to submit my (our) registered Angus cattle to such tests and examinations by authorized representatives of the Association or of the relevant fair or show as may be requested thereby; (2) to release the Association from any claims for damages arising in connection with the administration of any such test or examination and any and all decisions based upon otherwise using or incorporating the results thereof; and (3) that in the event such exhibitor or owner desires to dispute or challenge results of any such test or examination applied to his animals, I (we) will do so only in accordance with the procedures established by the Rules of the Association."

5. All exhibitors of registered Angus are urged to heed the following policy statement, "Parentage Verification of Angus Show Animals:"

"Angus cattle exhibitors, starting July 1, 1977 must be able to demonstrate correct parentage of all show animals born Feb. 1, 1977 and later. This Policy covers all shows, fairs or exhibitions at which the American Angus personnel participate.

Correct parentage must be demonstrated by the **supervised** drawing of blood samples from the sire and dam of show animals and recordation and preservation of the blood type records. These records will be maintained by the American Angus Association for comparison with blood drawn from show animals upon request of the fair or show management or Angus Association personnel.

In the case of premature death, making it impossible to draw supervised blood samples from the sire or dam of a show animal, the owner may request, at his expense, the American Angus Association to attempt to establish an inferred blood type of the dead animal. In any event, failure to produce valid blood type parentage records, or failure of the animals to qualify as an offspring of the recorded sire and dam, will disqualify that animal from participation in any exhibition organized by the Association and from receiving, at any show, premiums contributed by the American Angus Association."

6. All Aberdeen-Angus entries are subject to the provisions of a rule of the American Angus Association entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition" effective June 16, 1975.

7. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

ANLS SCHOLARSHIPS

Scholarships totaling \$3,000 will be awarded to Arizona 1978-79 college students by the Arizona National Livestock Show.

Students majoring in an agriculturally related field and who have participated in the Arizona National at some time will be eligible for six \$250 awards at Arizona's three universities, Arizona State, Northern Arizona and the University of Arizona and ten \$150 grants to Arizona's ten junior colleges. Two scholarships will be awarded at each university and one to each junior college.

The scholarships will be presented at the Arizona National Junior Awards Banquet on January 4, 1979, during the 31st annual Arizona National Livestock Show.

Twelve scholarships were awarded to the following Arizona college students in 1977-78, Sandra Swisher, Scottsdale; Carol Cowan, Tombstone; Edward (Stony) Neufang, Pearce; McKay Pugmire, Duncan; Jeanette Gruner, Gilbert; Judy Fanchini, Tempe; Thomas Benner, Tempe; Miles Killian, Chandler; James Smith, Central; Mary Jo Byers, Tucson; Daniel Rees, Chino Valley; and James Armbruster, Yuma.

In addition to these scholarships presented directly to Arizona National participants, in 1978 the Arizona National expanded its scholarship program to include a \$500 scholarship grant to the Arizona 4-H, a \$500 grant to the Arizona FFA and a \$1,000 grant to the University of Arizona Livestock Judging Team, bringing the total scholarship program to \$5,000.

The 4-H grant has been divided into two \$250 awards which have been presented to Doug Bradley of Laveen and Wendell Oliphant of Phoenix. The entire FFA grant was presented to Pete Gibbons of Gilbert. The grant to the U of A Livestock Judging Team will be used for travel expenses during the coming livestock judging contest season.

For further information and applications for these awards, contact the Arizona National Livestock Show, POB 13548, Phoenix, AZ 85002, (602) 258-8568.

JUNIOR SHOW ANGUS JUNIOR HEIFERS

Premiums paid by the Arizona National Livestock Show	\$592
Premiums paid by the American Angus Association	\$148
TOTAL PREMIUM	\$740

1. The American Angus Association, Dr. C. K. Allen, Secretary, 3201 Frederick Boulevard, St. Joseph, MO 64501, will pay 20% of the total premiums in individual classes offered for Junior Angus Heifers as included in its standard show classification, where individual premiums amount to \$5 or more.

2. To be eligible for Association premiums, heifer entries must be recorded in the sole name of the Junior Exhibitor and date of transfer or ownership must conform to the individuals show's requirements. Association premiums will be mailed directly to the exhibitor from the American Angus Association's office. The Association's contribution is included in the total premiums listed in each class.

3. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.

4. The Association does not pay a percentage on premiums offered in Championship Classes.

5. In order to be eligible for premiums contributed by the American Angus Association each exhibitor, whether the sole owner, or a co-owner, of any registered Angus animal exhibited, must sign a **SHOW PREMIUM ELIGIBILITY STATEMENT** and pay the 3-year eligibility fee of \$15. Copies of the Statement are available from the Association.

"The undersigned is an owner/exhibitor of Aberdeen-Angus cattle. I (we) intend to exhibit cattle at fairs and other events at which premiums are contributed by the American Angus Association. In consideration of the contribution by the Association of such premium money, and in recognition of the authority of the Association and its representatives to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited animals, I (we) agree (1) to submit my (our) registered Angus cattle to such tests and examinations by authorized representatives of the Association or of the relevant fair or show as may be requested thereby; (2) to release the Association from any and all claims for damages arising in connection with the administration of any such test or examination and any and all decisions based upon otherwise using or incorporating the results thereof; and (3) that in the event such exhibitor or owner desires to dispute or challenge results of any such test or examination applied to his animals, I (we) will do so only in accordance with the procedures established by the rules of the Association."

6. All exhibitors of registered Angus are urged to heed the following policy statement, "Parentage Verification of Angus Show Animals:"

"Angus cattle exhibitors, starting July 1, 1977, must be able to demonstrate correct parentage of all show animals born Feb. 1, 1977 and later. This Policy covers all shows, fairs or exhibitions at which the American Association contributes premiums or at which Angus personnel participate.

Correct parentage must be demonstrated by the **supervised** drawing of blood samples from the sire and dam of show animals and recodation and preservation of the blood type records. These records will be maintained by the American Angus Association for comparison with blood drawn from animals upon request of the fair or show management or Angus Association personnel.

In the case of premature death, making it impossible to draw supervised blood samples from the sire or dam of a show animal, the owner may request, at his expense, the American Angus Association to attempt to establish an inferred blood type of the dead animal. In any event, failure to produce valid blood type parentage records, or failure of the animals to qualify as an offspring of the recorded sire and dam, will disqualify that animal from participation in any exhibition organized by the Association and from receiving, at any show, premiums contributed by the American Angus Association."

7. All Aberdeen-Angus entries are subject to the provisions of a rule of the American Angus Association entitled "Eligibility, Conformation, and Structure of Animals Presented for Exhibition" effective June 16, 1975.

8. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

9. All other rules of this Show apply.

BRUCE E. BABBITT
GOVERNOR

OFFICE OF THE GOVERNOR
STATE HOUSE
PHOENIX, ARIZONA 85007

Welcome:

As Governor, it is a pleasure to extend greetings to you as you gather for the 1979 Arizona National Livestock Show.

One of the outstanding livestock shows in the country, the Arizona Nationals is the product of a small army of devoted organizers, producers and participants who have the strong support of their fellow Arizonans.

The livestock industry has played an important part in the history of Arizona and it is fitting that the Arizona National should be one of the more prestigious shows in the nation. It is a centerpiece and offers recognition to an industry that contributes greatly to our everyday needs and lives.

The industry has survived despite adversities and it has flourished in normal times, a representative of the free enterprise system that supports the strength of America.

The Arizona National Livestock Show is a salute to the intelligence, the industry, and the diligence of the industry and I commend all those who have contributed to its continuing excellence.

Best wishes for the success of this year's production.

Sincerely,

Bruce Babbitt
Governor

Howdy:

Welcome to the 31st annual Arizona National Livestock Show. This year's Show we think will be extra exciting.

First, the E. Ray Cowden Hereford Register of Merit (ROM) Show will be truly outstanding, quality cattle in competition for one of the greatest Arizona Cattlemen. We are adding the Sun Classic Simmental Show to the Breeding Cattle Division - another first in Arizona.

Because of the tremendous interest in the Junior Market Lamb Show, we are adding an Open Breeding Sheep Division this year. The Horse Division continues to grow and improve as one of the premier horse events in Arizona!

The first annual Turquoise Circuit Rodeo Championships, pitting the top Arizona-New Mexico cowboys in seven events will be held during the Arizona National this year. The Professional Rodeo Cowboys Association (PRCA) three go-round, winner take all contest will settle who is the best in the Southwest -- for 1979 anyway!

Our Arizona Agricultural Trade Fair (Arizona Ag-Fair), the Southwest's largest agricultural equipment show, is again center stage for your benefit. No where else in Arizona can you see all the tools you need and use in one spot for comparison.

Our officers and Show Committee are proud to present not only a bigger ANLS in 1979, but one of quality -- specifically designed for your education, interest and enjoyment. Thank you for sharing your Arizona National experience with us in '79.

Sincerely,

James M. Webb
Show President

JMM/cec

P.S. Please note that the ANLS Scholarship Fund presented 12 grants to help persons further their higher education last year. As an exhibitor of the ANLS you are potentially qualified for this opportunity. Check with us during the Show for details.

ANLS SCHOLARSHIPS

Scholarships totaling \$3,000 will be awarded to Arizona 1978-79 college students by the Arizona National Livestock Show.

Students majoring in an agriculturally related field and who have participated in the Arizona National at some time will be eligible for six \$250 awards at Arizona's three universities, Arizona State, Northern Arizona and the University of Arizona and ten \$150 grants to Arizona's ten junior colleges. Two scholarships will be awarded at each university and one to each junior college.

The scholarships will be presented at the Arizona National Junior Awards Banquet on January 4, 1979, during the 31st annual Arizona National Livestock Show.

Twelve scholarships were awarded to the following Arizona college students in 1977-78, Sandra Swisher, Scottsdale; Carol Cowan, Tombstone; Edward (Stony) Neufang, Pearce; McKay Pugmire, Duncan; Jeanette Gruner, Gilbert; Judy Fanchini, Tempe; Thomas Benner, Tempe; Miles Killian, Chandler; James Smith, Central; Mary Jo Byers, Tucson; Daniel Rees, Chino Valley; and James Armbruster, Yuma.

In addition to these scholarships presented directly to Arizona National participants, in 1978 the Arizona National expanded its scholarship program to include a \$500 scholarship grant to the Arizona 4-H, a \$500 grant to the Arizona FFA and a \$1,000 grant to the University of Arizona Livestock Judging Team, bringing the total scholarship program to \$5,000.

The 4-H grant has been divided into two \$250 awards which have been presented to Doug Bradley of Laveen and Wendell Oliphant of Phoenix. The entire FFA grant was presented to Pete Gibbons of Gilbert. The grant to the U of A Livestock Judging Team will be used for travel expenses during the coming livestock judging contest season.

He's big, virile and rugged!
and sires hornless calves.

Big he is—inefficient he is not.

That's an Angus bull.

He passes heavy muscling and carcass quality on to his calves. Gives you more calves with less labor, too. Research proves it.

Quality? Angus reach choice grade in shortest feeding time.—*University of Wisconsin.*

Yes, Angus and Angus crossbreds grade choice on less feed. That's worth more to you today.

Fertility? 8 more calves per 100 cows by

crossing with an Angus bull.—*Ohio State Research.*

Angus bulls are powerful and prepotent. Active, virile breeders.

Calving problems? Angus bulls produce fewer calving problems than any other beef bull.—*U.S. Meat Animal Research Center.*

Some cattlemen are suffering because they believed the high-pressure promotion of the exotics.

Not Angus breeders.

And you can benefit from their progress.
