BRUCE BABBITT
GOVERNOR

OFFICE OF THE GOVERNOR
STATE HOUSE
PHOENIX, ARIZONA 85007
1980

Welcome:

Please accept my warm regards as you attend the 1980 Arizona National Livestock Show.

The livestock industry has played a major role in our state's economy, and it is no coincidence that Arizona is the site of this prestigious event.

I join with all Arizonans in paying tribute to the participants, and extend my best wishes for an enjoyable show.

Sincerely,

Bruce Babbitt
Governor

Welcome Exhibitors:

Just a few thoughts that should be of interest to you as we present this Arizona National Premium List for 1980.

The whole Show schedule has been condensed in days running, but with more activities, and the Turquoise Circuit Rodeo Championships will be held inside the Coliseum this year with separate admittance.

The American Federation of Farm Bureaus will be holding their National Convention the week following the Show and we will be offering special events and recognition in their honor throughout the final weekend. Also the Arizona Cattle Growers will be holding their state convention during the week of the Show.

Juniors and parents please review the pre-entry nomination rules for nomination eligibility already in your possession. There have been clarifications and changes that you must be aware of. These rules and timely amendments are constantly monitored for your protection, and to maintain the highest standard of competition and fairness. Along this line, we sincerely solicit your constructive criticism for consideration in planning future shows.

And finally, we are well aware of your concern over fuel prices and availability. The crystal ball tells us little about specific prices next January, but all knowledgeable reports at this time give us confidence that the supply should be sufficient to let you fill 'er up before leaving Phoenix.

Your participation is extremely important to the success of our Arizona National and I hope to greet you all personally during that week.

Respectfully,

Dan L. Finch
Show President

IN MEMORIAM

HENRY GUDGELL BOICE
1893 - 1979

The 1980 Arizona National Livestock Show is respectfully dedicated to HENRY GUDGELL BOICE.

Mr. Boice, a pioneer Arizona cattleman, quietly supported the Arizona National from the beginning and served on the Board of Directors from 1952-1974. He was a Vice President for 16 years from 1953-1968 and also served as chairman of the Trophy Committee for several years.

Mr. Boice was active in the cattle industry in Arizona for over 60 years, serving as President of the Arizona Cattle Growers and the American Cattlemen's Association. He was one of the pioneer Hereford breeders in Arizona and continued the breeding program of Charles Gudgell who imported Anxiety 4th from England.

The Arizona National will miss the counsel and support of Mr. Boice and we honor his memory with respect and admiration.

PRE-GREEN CLASSES are open to horses of any age that have never been shown over a course of fences 3'6" or higher at a recognized show, including equitation classes.

STAKE & CHAMPIONSHIP CLASSES

20. Horses must have been entered, shown and judged in one other class in that division. To be eligible for Championship Classes in the Junior Division, exhibitors must have been entered, shown and judged in a qualifying class in their age group.

SCORING

21. Scoring will be on the basis of 8-7-6-5-4-3-2-1 in classes offering eight ribbons, provided there are eight or more contestants; 6-5-4-3-2-1, provided there are six or more contestants; 5-4-3-2-1, provided there are five or more contestants. If there are less contestants than the number of ribbons offered, scoring will be based on the actual number of contestants in the class. Ties will be broken in the order listed: the contestant will be declared Champion who (1) earned points in the greatest number of events; or (2) the contestant winning over the greatest number of horses.

ATTIRE

22. Riders must be correctly and properly attired when entering the Show ring, and attendants must be suitably and neatly dressed if it is necessary for them to enter the Show ring. The Management may bar, at its discretion any person from entering the ring if not suitably attired.

COURSES & WORK ORDERS

23. Hunter and jumper courses will be posted at the In-Gate. Work Orders will be posted at least one hour prior to the calling of the classes. In cases where exhibitors are riding more than one horse, Management will take this into consideration, and will space them accordingly. If any exhibitor riding more than one horse wishes, he may request the order in which he wants to ride a particular horse, **provided** such request is made at the Horse Show Office prior to the

We've grown up with Arizona

and like most Arizona business leaders, our concerns for this great state's welfare have expanded with the growing population.

It's true . . . more people mean more business; however, as modern businessmen, we realize the complications which can arise if we don't keep pace with the needs of today while keeping an eye on the future.

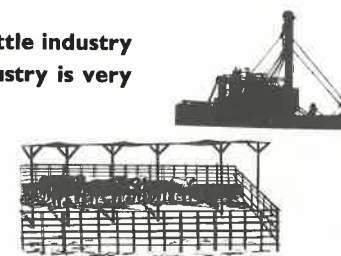

The Arizona beef industry has not only provided strength to the state's economy, but it has been a pioneer in the area of conservation. Arizona's future depends on the protection of her environ-

ment, the development of her resources, the training and education of our future leaders, the creation of better understanding and cooperation

within our businesses and industries, and the strengthening of her economy through the creation of new wealth.

Often newcomers to the West think of the cattle industry as part of the colorful past. This pioneer industry is very much alive! Agriculture is the fourth largest income producer in Arizona and beef is still its largest single segment. With this much economic strength, you can count on us to continue being concerned with the future of Arizona and adding to her stability in the future.

posting of the Work Order. **Once the Work Order is posted**, no changes will be made. If exhibitors are not ready when called, they will be disqualified.

INTERPRETATION

24. The Show Committee reserves the final and absolute right to interpret all rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard to or arising out of or connected with this Show, and the right to amend or to add to these rules as it is determined necessary. This includes the right to refuse to accept entries, to cancel entries, or to disqualify riders, for any reason whatsoever; to change any course, to cancel or combine any unfilled classes; or to reschedule classes, after due notice to exhibitors. An exhibitor who violates any of the rules will forfeit all privileges and premiums, and be subject to such penalty as the Show Committee may order. Any exhibitor attempting to interfere with the judges in any way, or who publicly expresses disapproval in the arena or on the grounds, of a decision of the judges, shall forfeit all premiums, be subject to such penalty as the Show Committee may order, and be excluded from further competition.

LIABILITY

25. All exhibitors will be under the control and direction of the Show Management, but the Arizona National Livestock Show, Inc., or its officers, directors, agents, or employees, or the Arizona Coliseum and Exposition Center, or its officers, directors, agents or employees will in no case be responsible for any loss, injury or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage that may occur to him or his officers, agents, employees or animals during the Show. The exhibitor shall indemnify the Show against any and all legal proceedings in regard to the above, as well as damage or injury to any other person or property, caused by the exhibitor, his officers, agents, employees or animals.

OFFICES

26. The Horse Show Office will be in the general Stock Show Office located at the southwest corner of the Coliseum and will be open on December 1, 1979.

27. The Stall Superintendent's Office will be located near the area and will open on December 29, 1979.

NUMBERS

28. Numbers will be provided by the Arizona National. No deposit is required and no refund will be paid.

HEALTH REQUIREMENTS

29. Out-of-State exhibitors must have in their possession a current Coggins Test report (within 12 months), and a currently valid Health Certificate issued by a qualified veterinarian certifying that each horse is free from infectious or contagious disease. Such Health Certificate must be dated within thirty days of the date of hauling, and should read to Phoenix and return to permanent address.

30. In-State exhibitors must have valid hauling permit. Such permit will be checked on the grounds by State brand inspectors. In-State exhibitors should also have a current Coggins test report in their possession.

SCHOOLING

31. For Security reasons, schooling in the Coliseum will not be permitted except at designated times which will be posted at the Horse Show Office.

32. An exercise, or schooling ring, will be available in the Stable area, and possibly in front of the Grandstand; however hunters and jumpers will not be allowed to set up jumps in those rings. Schooling fences will be set up adjacent to the Show Rings in front of the Grandstand.

FIRE CODE REGULATIONS

33. Fire code regulations of the City of Phoenix and the State of Arizona **require** that all fans, blowers, hand clippers and other electrical appliances used be equipped with a ground wire. Use of electrical appliances is limited to plug-in outlets provided in each stall area. Removal of light bulbs in stall areas is prohibited.

DOGS

34. All dogs must be kept on a leash at all times. Any dogs found loose on the grounds will be impounded.

HORSE SHOW ENTRANCE

35. The Horse Show entrance will be the North 19th Avenue gate. Exhibitors must use this gate at all times, or be charged the \$1.50 parking fee.

PARKING PASSES

36. Parking passes will be issued to exhibitors based on the number of horses entered, and may be picked up at the Horse Show Office. No passes will be mailed. Passes will be honored only in designated horse exhibitor parking areas, and no trucks, vans or horse trailers will be allowed to park in any public parking area on the grounds. Vehicles found improperly parked will be immediately removed by the Show Management. No motor vehicles will be allowed to park in the Stable area.

EXHIBITOR PASSES

37. Exhibitor gate passes will be issued based on the number of horses entered. No horse exhibitor passes will be mailed, but must

be picked up at the Horse Show Office. Those exhibitors who have not previously entered and who enter the grounds for the purpose of post entering, and who have been charged admission and parking fees will have such fees refunded when entries are made.

ENTERTAINMENT

38. Admission will be charged for the Turquoise Circuit Rodeo Finals to be held on Friday & Saturday nights & Sunday afternoon. Passes will not be issued to exhibitors. Reserve admission tickets for these shows may be purchased at the south box office of the Coliseum. For horse show activities held during the Rodeo performance appropriate credentials will be issued to these exhibitors participating. In no event will credentials for more than one rider plus one attendant be issued.

ARRIVALS & DEPARTURES

39. The Arizona National is run on a tight schedule. For this reason, no arrivals will be permitted prior to the earliest time listed for each particular breed or division. Departure must be made no later than the latest time listed for each breed or division.

CAMPERS & MOTOR HOMES

40. Trailer and motor home spaces are available on the grounds. Each has water, 110 V power and sewer hook-ups. A fee of \$5.00 per day will be charged for a single space for the duration of the Show and will include all utilities. Since space is limited, spaces will be sold on a first come first served basis. A permit will be issued upon payment and must be displayed on the camper at all times during the Show.

No camping will be allowed outside the trailer park area.

ATTORNEY GENERAL

October 4, 1979

Thomas E. Clark
Executive Director
Arizona Veterans Memorial
Coliseum & Exposition Center
1826 West McDowell Road
Phoenix, Arizona 85005

Dear Tom:

This letter is in response to your October 1, 1979, letter to Fred Stork in which you inquired whether the Coliseum may charge certain membership or registration fees only to persons who are not members of certain private organizations in order for those persons to participate in the Coliseum's annual livestock show.

My understanding, based upon a conversation I have had with Ray McAuley, is that the livestock show in question is the annual livestock show which the Coliseum is authorized by statute to conduct. Thus, although the Coliseum may contract with a private organization for that organization actually to conduct the livestock show, that show nevertheless remains an official activity of the Coliseum. In light of this, the Coliseum may not charge or collect any fees which are assessed only against persons who are not members of certain private organizations. If fees are to be charged or collected by the Coliseum, the charge or collection must be uniform.

Should you have any questions concerning the foregoing, please let me know. Thank you.

Sincerely yours,

BOB CORBIN
Attorney General

JUNIOR STOCK DOG TRIAL

Entries

Open to youth 18 years and under. Open to all breeds of dogs. Handlers may enter as many as two dogs.

Purpose

The Junior Stock Dog Trial is a test of the combined ability of the handler and his dog to move stock in a quiet and efficient manner. The handler may direct the work of his dog by voice, whistle or hand signals.

Trophies

Trophy buckles will be awarded to top contestants.

Course

Three to five head of sheep (one sheep will have a ribbon on its neck) will be released from a drop pen at one end of the arena at the signal from the handler. The handler will then send his dog from his side either to the left or right around behind the sheep and start the sheep moving quietly in a straight line toward the handler. The handler must remain at his station until after the sheep have passed behind an imaginary line extending across the arena through the handlers station.

The handler may then leave his station and proceed to the deribboning "V". A six foot length of rope is attached to the end of the twelve foot panel, and the handler must hold one end of the rope until the dog has herded the sheep into the "V", at which time the handler may release the rope and remove the ribbon from the sheep's neck as his dog holds the stock in the "V".

After the ribbon is removed from the sheep's neck the handler may assist the dog in removing the sheep from the "V". The handler must then proceed to the pen, grasp the six foot rope and assist the dog in penning the sheep. Time is stopped when the gate is closed with all sheep in the pen.

1. The Judge will be selected by the Show Committee. The Judge's decision will be final.

2. The trial committee shall consist of the judge, time keeper and score keeper.

3. For the purpose of this trial the term **dog** shall be meant to **include** females.

4. The order of running for the trial shall be determined by drawing. Bitches in season will run as drawn.

5. Six minutes will be allotted to complete the course. Time begins when the dog leaves the handler's side and ends when gate is closed on pen.

6. Handlers may inspect the course before the trial but are not allowed to take dogs on course.

7. Any handler that fails to appear at handlers station when called shall forfeit his entry.

8. Handler must be at handlers station during outrun, lift and fetch.

9. A dog may be disqualified by the judge if he is considered by the judge to be out of control or abuses sheep.

10. Handlers will be held responsible for any damage done to the sheep by their dog. Each handler is responsible for his dog.

11. The trial sponsor will not be liable for injury or damage done to or by dogs.

12. Tied scores will be resolved by time required to complete the course or will be run off at judge's discretion.

13. Any reruns will be the decision of the judge and will be run last.

14. Sportsmanlike and gentlemanly conduct of all concerned with the trial is expected. Anything less will result in disqualification.

POINTS

Outrun: 10 Points

The dog will be sent around the sheep to the right or to the left. The dog must move from the right side of the handler to the right or the left side of the handler to the left. If the dog crosses an imaginary line between the handler and the sheep before passing behind the sheep, it will be considered a cross-over and points will be deducted at judge's discretion. The manner in which the dog makes the outrun will be scored at the judge's discretion.

Lift: 5 points

The dog should hesitate at the end of the outrun and approach the sheep in a quiet manner. He should start them moving in a straight line toward the handler. Points will be deducted at the judge's discretion.

Fetch: 10 points

The fetch will be accomplished by bringing the sheep in a straight line to the handler. It ends when the sheep cross an imaginary line crossing the arena through the handlers station. Points will be deducted at the judge's discretion.

Deribboning: 15 points

After the completion of the fetch the handler may proceed to the Deribboning "V" and grasp the rope attached to the "V" (3' x 12' against the arena wall) and confine his movements to the limit fixed by the rope. Sheep may not be bumped or touched by the handler or his cane while sheep are herded into the "V". While the dog holds the sheep in the "V" the handler may drop the rope and remove the ribbon from the sheep's neck, at which point the deribboning ends. Points will be deducted at judge's discretion.

Penning: 20 Points

The handler may assist the dog in removing the sheep from the "V" and then proceed to the pen. The handler will grasp the six foot rope attached to the end of the gate and confine his movements to

the limit fixed by the rope. Sheep may not be bumped by the gate or touched by the handler or cane when penning. Gate must be opened to form a straight line with side. Time stops when gate is closed.

NOSE PRINT TECHNIQUE

NOSE PRINT TECHNIQUE:

The technique described below was developed by Dr. T. D. "Dusty" Rich and Dr. Tom Randolph, DVM at Oklahoma State University, Stillwater, Okla.

The equipment and materials needed for noseprinting are:

1. Terry cloth towels.
2. Stamp pad. The regular office supply 3" x 4½" felt pad is adequate. Use a black, fast drying stamp pad ink.
3. Head gate or squeeze chute.
4. Index cards, 3" x 5", non-lined, standard grade. A slick-finished card or paper will produce a smeared print. (Nomination cards are furnished with this nomination book.)
5. A ¼" x 3" x 5" wood block or some solid backing support for the card.

It is suggested that Nose Printing technique be done on practice cards on trial basis before imprinting the official Nomination Card. The procedure for taking a nose print is outlined below.

1. Place the animal in a head gate.

2. Stand to the side of the steer's head and with your arm, reach over and around the neck in order to restrain the head.

3. Use a towel to thoroughly dry the non-haired area of the muzzle.

4. Immediately cover the non-haired area with the black ink. A good procedure is to start the edge of the pad at the lower edge of the upper lip and then roll the pad upward toward the face.

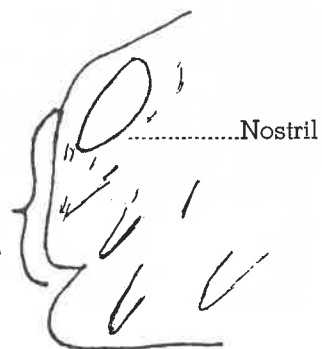

5. Using the block of wood or the closed ink pad as a support, immediately press the index card against the nose and lift the print. Use same procedure described for applying the ink.

6. If the print is smeared because of movement or moisture from the nose, repeat the sequence.

It is extremely important to thoroughly dry the nose prior to applying the ink and to quickly lift the print before perspiration appears. Moisture will cause the ink to run and to fill up the grooves of the nose. This will result in a smeared print, thus a rejected entry.

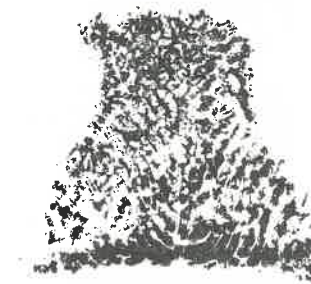

Examples of acceptable and non-acceptable nose prints are shown as follows. It is suggested that the junior exhibitors ask their 4-H leader or FFA instructor to assess them in lifting a readable nose print.

Poor Print
(too much moisture)

Poor Print
(wrong ink)

7. Fill out the enclosed nomination card for each steer nominated and place the nose print for each animal on the reverse side of the card.
8. Early submission of nomination will assure you of required time to correct any errors by September 1, 1979.

PHOTO TECHNIQUE:

1. Any type camera will provide satisfactory pictures. However, a polaroid is suggested as pictures can be developed at the time and can be re-taken if not acceptable. Pictures should be taken outside in sunlight to assure a clear, identifiable print.
2. **The picture must include the steer and the exhibitor.** The steer must be shown at a $\frac{3}{4}$ front view. The picture must be clipped or stapled to the nomination and nose print card for the same steer.

1. Acceptable photo identifying both exhibitor and steer.

2. Non-acceptable photo.

**ARIZONA NATIONAL
AGRICULTURAL
TRADE SHOW**

**JANUARY 3, 4, 5 & 6, 1980
ARIZONA STATE FAIRGROUNDS — PHOENIX**

The first week in January offers a unique opportunity for agriculture . . . a well-balanced, complete agricultural show in a perfect setting. The Arizona National Agricultural Trade Show is held as a part of the Arizona National Livestock Show at the Arizona State Fairgrounds in Phoenix . . . and what better place is there to be in January when it is cold and snowing in most other parts of the nation?

The combined shows, with the bonus of sunny Phoenix, provide agriculturalists with plenty of reasons to attend the Trade Show. Away from the pressures of his business, the farmer or rancher can compare, evaluate and purchase the equipment, supplies and services that he needs. He can also stay abreast of the new developments in his industry and plan for the changes that are taking place. He can spend time in educational displays and seminars to aid in the management of his business . . . and his future.

While the farmer is busy with the business at hand, his wife can wander through displays that are directed toward her needs, while the kids are safely and inexpensively entertained with the many livestock events which run continually during the Show.

Past Arizona National Agricultural Trade Shows have provided some of the largest displays of agricultural equipment and services ever held in the Southwest, and we are looking forward to an even larger Show in 1980.
