BRUCE BABBITT
GOVERNOR

OFFICE OF THE GOVERNOR
STATE HOUSE
PHOENIX, ARIZONA 85007

Welcome:

It is a pleasure to extend a warm welcome to everyone attending the Arizona National Horse Show.

I am aware of the enormous effort that preceded the opening of the Arizona National -- a year of hard work by dedicated staff and committee members. Your efforts have contributed to making this year's exhibition a showcase of excellence.

I join with all Arizonans in paying tribute to the participants, and extend my best wishes for an enjoyable show.

Sincerely,

Bruce Babbitt
Governor

P.O. Box 13548, Phoenix, Arizona 85002 (602) 258-8568

Friends:

The members, officers, and committee people of the Arizona National would like to take this opportunity to invite you to participate in the 1982 Show.

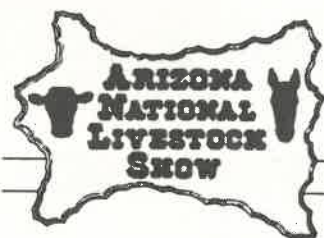

The Arizona National was built by livestock people and has strived to make it a Show that you may enjoy as well as exhibit your livestock.

This year's Show again has been resigned to meet those goals through new events and reorganization of facilities and staff, with you the exhibitor in mind.

We look forward to seeing all our old friends again, some new faces and enjoying the 1982 Arizona National, "America At Its Best".

Sincerely,

Gene Sparks, President

P.O. Box 13548, Phoenix, Arizona 85002 (602) 258-8568

Welcome Exhibitors:

We welcome you to participate in our 1982 Horse Show Divisions.

We are continuing our mini-circuit shows in the Appaloosa and Quarter Horse Divisions, with 3 complete one day shows in each division. The Open Hunter/Jumper Show will again be held on the first weekend to facilitate the utilization of our show rings and stalls, and to provide improved service to the Hunter/Jumper exhibitors.

We are looking forward to welcoming you the first week in January, 1982. Come join us for fun in the sun!

Sincerely yours,

Nelson K. Stevenson

ANLS SCHOLARSHIPS

Each year scholarships totaling \$6,100 are offered by the Arizona National Livestock Show, Inc. to encourage and promote the education and training of young people for a future in the livestock industry and its related fields.

College students who are currently enrolled full time, working toward their first college degree, and who have participated in the Arizona National are eligible for six \$350 awards at Arizona's three universities and ten \$200 grants at Arizona's community colleges.

In addition to these scholarships presented directly to Arizona National participants, in 1978 the Arizona National expanded its scholarship program to include a \$500 scholarship grant to the Arizona 4-H, a \$500 scholarship grant to the Arizona FFA, and a \$1000 grant to the University of Arizona Livestock Judging Team, and in 1981-1982 a \$100 grant will be made to the outstanding junior exhibitor at each of Arizona's 14 county fairs.

The ANLS scholarship funds are derived from Arizona National membership funds and from commissions on sale animals. In this way, members of the livestock community, including the junior exhibitors themselves, help to perpetuate their livestock industry.

For further information and applications for these awards, contact the Arizona National Livestock Show, POB 13548, Phoenix, Arizona 85002, (602) 258-8568.

Out-of-State exhibitors must have in their possession a currently valid Health Certificate issued by an accredited veterinarian with each horse described and identified and certifying that each horse is free from infectious or contagious disease. Such Health Certificate must be dated within thirty days of the date of hauling, and should read to Phoenix and return to permanent address.
19. In-State exhibitors must have valid hauling permit. Such permit will be checked on the grounds by State brand inspectors.

Stalls

20. Stalls will be available, with first bedding, on the following basis: \$15.00 per day, with a minimum of \$30.00 or \$60.00 for the duration of the Show.
No stall requests will be accepted by telephone, and stall fees must accompany entries.
Due to the multiple use of our limited horse stall facilities, reservations will be accommodated on the first come first serve basis. Exhibitors requesting stalls for several horses will be given preference for stall assignments prior to the December 15, 1981 entry deadline date. It is recommended for those with multiple horse entries to submit their entries at the earliest possible date.

Fire Code Regulations

21. ALL FANS, BLOWERS, HAND CLIPPERS AND OTHER ELECTRIC APPLIANCES MUST BE EQUIPPED WITH A GROUND WIRE. USE OF ELECTRIC APPLIANCES IS LIMITED TO PLUG-IN OUTLETS PROVIDED IN STALL AND BLOCKING CHUTE AREAS. REMOVAL OF LIGHT BULBS IN ANY OUTLET IS PROHIBITED.
STAPLING, ATTACHING OR EXTENDING ANY EXTENSION CORD IN AN UNSAFE MANNER IS PROHIBITED.
USE OF ELECTRICAL APPLIANCES AND ELECTRICAL HOOK-UPS WILL BE INSPECTED BY THE COLISEUM ELECTRIC DEPARTMENT AND ANY VIOLATION OF THIS RULE WILL RESULT IN THE CONFISCATION OF ANY SUCH EXTENSION CORDS AND/OR APPLIANCES.
THE MANAGEMENT OF THE ARIZONA NATIONAL RESERVES THE RIGHT TO CAUSE THE DISMISSAL FROM THE SHOW OF ANY EXHIBITOR NOT COMPLYING WITH THIS RULE. SUCH DISMISSAL WILL BE MADE WITHOUT RECOURSE.
ALL EXTENSION CORDS MUST BE UNDERWRITER LABORATORY APPROVED FOR OUTDOOR USE.
THIS RULE IS FOR THE PROTECTION OF THE EXHIBITOR, HIS LIVESTOCK, FELLOW EXHIBITORS, AND THE PUBLIC.

Feed and Straw

22. Feed and straw will be available on the grounds at current prices. Orders must be placed with the Stall Superintendent before 9:00 a.m. and 3:00 p.m. for delivery at 10:00 a.m. and 4:00 p.m. Someone must be present at stalls to accept delivery and **pay** for the order. Anyone

wishing feed or straw between delivery hours may pick it up at the Feed Office located on the grounds.

Arrivals

23. The Arizona National is run on a tight schedule. For this reason, no arrivals will be permitted prior to December 31, 1981.

Parking

24. Parking permits will be issued to exhibitors upon arrival on the grounds. Permits will be honored only in designated exhibitor parking areas, and no livestock trucks or trailers will be allowed to park in any other area on the grounds. Vehicles found improperly parked will be immediately removed by the Show Management. Starting at 7:00 a.m. January, 3, 1982, all Horse Show exhibitors must use the North 19th Avenue gate in order to minimize parking congestion and ingress and egress to the Fairgrounds.
25. Exhibitor gate passes will be issued based on the number of livestock entered. No horse exhibitor passes will be mailed, but must be picked up at the Horse Show office.
26. Exhibitors who do not request stalls and plan to work out of their trailers must park in assigned areas in an orderly fashion. EXHIBITORS PARKING IN OTHER THAN DESIGNATED AREAS WILL HAVE THEIR VEHICLES TOWED, AND A RECOVERY FEE OF \$15 PER VIOLATION WILL BE CHARGED.

Trailer Park

27. Trailer and motor home spaces are available on the grounds. Each has water, 110 V power and sewer hook-ups. A fee of \$5.00 per day will be charged for a single space for the duration of the Show and will include all utilities. Since space is limited, spaces will be sold on a first come first served basis. Spaces may be obtained through the Coliseum Security office upon arrival on the grounds. No reservations will be accepted in advance. A permit will be issued upon payment and must be displayed on the camper at all times during the Show.

Dogs

28. Only working dogs will be allowed on grounds and they **MUST** be kept on a leash at all times. Any dogs found loose on the grounds will be impounded.

Entertainment

29. Admission will be charged for the Turquoise Circuit Rodeo Finals to be held on Friday and Saturday, January 8 and 9, 1982. Rodeo tickets will not be issued to exhibitors. Reserve and General admission tickets for these shows may be purchased at the south box office of the Coliseum. For horse show activities held during the Rodeo performance, appropriate credentials will be issued to the exhibitors participating. In no event will credentials for more than one rider plus one attendant be issued.

Arizona National Club

30. Admission to the Arizona National Club will be restricted to members only. A membership application will be found in the Premium List. We invite you to become a supporting member of the Arizona National Livestock Show, Inc.

Photographs

31. Arizona National reserves the right to use for publicity purposes any and all pictures and films taken of exhibitors, animals, and spectators of the Arizona National.

Parades and Contests

32. Exhibitors will be required to parade their animals as requested by the Show Management.
33. In order to provide meaningful judging contests, exhibitors are required to make their animals available for such contests at the Show Management may deem necessary.

Judges

34. Judges are selected with great care, with much consideration given to reputation and ability. Stock shows are part of an educational process, and judging is part of the plan to inform livestock producers.

35. Judges' decisions shall be final in all cases. In cases where fraud, misrepresentation, error or collusion is discovered after awards have been given, the Show Management or such referee as may be appointed, may make a decision regarding final placement.

Protests

36. A protest, in writing, shall be delivered to the Show Management within six hours of the protested occurrence. A \$25.00 deposit **must** accompany the protest. The deposit will be forfeited if the protest is not sustained. Protests will be adjudicated by the Show Committee and their decision will be final.

Conduct

37. Any exhibitor attempting to interfere with the judges in any way, or who publicly expresses disapproval, in the arena or on the grounds, of the decision of the judges, or who by act of influence shall be guilty of conduct unbecoming an exhibitor, SHALL forfeit premiums and SHALL be excluded from further competition.

Attire

38. Riders must be correctly and properly attired when entering the show ring, and attendants must be suitably and neatly dressed if it is necessary for them to enter the show ring. The Management may bar, at its discretion, any person from entering the ring if not suitably attired.

Definitions

39. NOVICE CLASSES are open to horses which have not won three blues at a recognized show.

MAIDEN CLASSES are open to horses which have not won a blue at a recognized show.

GREEN CLASSES are open to horses which have not been shown in any class in their division prior to December 1st of the previous year, or horses which have not been shown in the bridle in that particular year in any approved open or breed show before December 1st of the previous year, whichever is applicable.

PRE-GREEN CLASSES are open to horses of any age that have never been shown over a course of fences 3'6" or higher at a recognized show, including equitation classes.

Stake and Championship Classes

40. Horses must have been entered, shown and judged in at least one other class in that division. To be eligible for Championship Classes in the Junior Division, exhibitors must have been entered, shown and judged in a qualifying class in their age group.

Scoring

41. Scoring will be on the basis of 8-7-6-5-4-3-2-1 in classes offering eight ribbons, provided there are eight or more contestants; 6-5-4-3-2-1, provided there are six or more contestants; 5-4-3-2-1, provided there are five or more contestants. If there are less contestants than the number of ribbons offered, scoring will be based upon the actual number of contestants in the class. Ties will be broken in the order listed: the contestant will be declared Champion who (1) earned points in the greatest number of events; or (2) the contestant winning over the greatest number of horses.

Prize Money Payments

42. **Prize money will be paid by check made out in the name of the owner as it is listed on the entry blank, within sixty days after the closing date of the Show. Checks not cashed within sixty days of issue will be void.**

Scholarship Award

43. A \$200.00 College Scholarship Award will be given by the Phoenix Kiwanis Club to the High Point Junior Arizona Rider of the Show. AQHA and Appaloosa Youth Activity and Junior classes in the Open Show will count. If more than one horse is ridden, points will be counted on the highest scoring horse only. This scholarship can be earned one time only. In the event that the winner has already received the award once, the scholarship will be awarded to the next highest individual eligible to receive it. Formal presentation of the scholarship will be held during a meeting of the Phoenix Kiwanis Club at a later date.

Courses and Work Orders

44. Hunter and Jumper courses will be posted at the In-Gate. Work Orders will be posted at least one hour prior to the calling of the classes. In cases where exhibitors are riding more than one horse, Management will take this into consideration and will space them accordingly. If any exhibitor riding more than one horse wishes, he may request the order in which he wants to ride a particular horse, PROVIDED such request is made at the Horse Show office prior to the posting of the Work Order. ONCE THE WORK ORDER IS POSTED, NO CHANGES WILL BE MADE. If exhibitors are not ready when called, they will be disqualified.

45. A TWO MINUTE GATE WILL BE STRICTLY ENFORCED. If there is a tack change necessary, please notify In-Gate personnel in advance.

Schooling

46. For Security reasons, schooling in the Coliseum will not be permitted except at designated times which will be posted at the Horse Show office.

47. An exercise or schooling ring will be available in the Stable area and possibly in front of the Grandstand; however, Hunters and Jumpers will not be allowed to set up jumps in those rings. Schooling fences will be set up adjacent to the show rings in front of the Grandstand.

JUNIOR STOCK DOG TRIAL

If eight entries have not been received by the Arizona National office by December 15, 1981, this contest will be cancelled.

Entries

Open to youth 18 years and under. Open to all breeds of dogs. Handlers may enter as many as two dogs.

Purpose

The Junior Stock Dog Trial is a test of the combined ability of the handler and his dog to move stock in a quiet and efficient manner. The handler may direct the work of his dog by voice, whistle or hand signals.

Trophies

Trophy buckles will be awarded to top contestants.

Course

Three to five head of sheep (one sheep will have a ribbon on its neck) will be released from a drop pen at one end of the arena at the signal from the handler. The handler will then send his dog from his side either to the left or right around behind the sheep and start the sheep moving quietly in a straight line toward the handler. The handler must remain at his station until after the sheep have passed behind an imaginary line extending across the arena through the handlers station.

The handler may then leave his station and proceed to the deribbonying "V". A six foot length of rope is attached to the end of the twelve foot panel, and the handler must hold one end of the rope until the dog has herded the sheep into the "V", at which time the handler may release the rope and remove the ribbon from the sheep's neck as his dog holds the stock in the "V".

After the ribbon is removed from the sheep's neck the handler may assist the dog in removing the sheep from the "V". The handler must then proceed to the pen, grasp the six foot rope and assist the dog in penning the sheep. Time is stopped when the gate is closed with all sheep in the pen.

1. The judge will be selected by the Show Committee. The judge's decision will be final.
2. The trial committee shall consist of the judge, time keeper and score keeper.
3. For the purpose of this trial the term **dog** shall be meant to **include** females.
4. The order of running for the trial shall be determined by drawing. Bitches in season will run as drawn.
5. Six minutes will be allotted to complete the course. Time begins when the dog leaves the handler's side and ends when gate is closed on pen.
6. Handlers may inspect the course before the trial but are not allowed to take dogs on course.
7. Any handler that fails to appear at handlers station when called shall forfeit his entry.
8. Handler must be at handlers station during outrun, lift and fetch.
9. A dog may be disqualified by the judge if he is considered by the judge to be out of control or abuses sheep.
10. Handlers will be held responsible for any damage done to the sheep by their dog. Each handler is responsible for his dog.
11. The trial sponsor will not be liable for injury or damage done to or by dogs.
12. Tied scores will be resolved by time required to complete the course or will be run off at judge's discretion.
13. Any reruns will be the decision of the judge and will be run last.
14. Sportsmanlike and gentlemanly conduct of all concerned with the trial is expected. Anything less will result in disqualification.

POINTS

Outrun: 10 points

The dog will be sent around the sheep to the right or to the left. The dog must move from the right side of the handler to the right or the left side of the handler to the left. If the dog crosses an imaginary line between the handler and the sheep before passing behind the sheep, it will be considered a cross-over and points will be deducted at judge's discretion. The manner in which the dog makes the outrun will be scored at the judge's discretion.

Lift: 5 points

The dog should hesitate at the end of the outrun and approach the sheep in a quiet manner. He should start them moving in a straight line toward the handler. Points will be deducted at the judge's discretion.

Fetch: 10 points

The fetch will be accomplished by bringing the sheep in a straight line to the handler. It ends when the sheep cross an imaginary line crossing the arena through the handlers station. Points will be deducted at the judge's discretion.

Deribbonying: 15 points

After the completion of the fetch the handler may proceed to the Deribbonying "V" and grasp the rope attached to the "V" (3' x 12' against the arena wall) and confine his movements to the limit fixed by the rope. Sheep may not be bumped or touched by the handler or his cane while sheep are herded into the "V". While the dog holds the sheep in the "V" the handler may drop the rope and remove the ribbon from the sheep's neck, at which point the deribbonying ends. Points will be deducted at judge's discretion.

Penning: 20 points

The handler may assist the dog in removing the sheep from the "V" and then proceed to the pen. The handler will grasp the six foot rope attached to the end of the gate and confine his movements to the limit fixed by the rope. Sheep may not be bumped by the gate or touched by the handler or cane when penning. Gate must be opened to form a straight line with side. Time stops when gate is closed.

9. Exhibitor will be informed of the acceptance of the nomination by the Junior Committee of the Arizona National not later than October 15, 1981, and will have until November 15, 1981 to **complete entry requirements, including payment of entry fees.** (Completion of requirements will be outlined in 1982 Arizona National Premium Book.)

10. All approved nominations will be subject to all General Rules and Regulations and all Junior Rules and Regulations as shown in the 1982 Arizona National Cattle Premium Book. A copy of the Premium Book will be mailed to all junior exhibitors nominating steers for the 1982 Arizona National.

Ownership

11. Junior exhibitors must own all nominated steers by September 15, 1981, and verification of ownership must be certified by exhibitor's county agent or vocational agriculture instructor on the nomination form.

12. Junior steer exhibitors are not eligible to exhibit as a member of a partnership. Animals jointly owned by two or more exhibitors are not eligible to enter the junior show.

Eligibility of Steers

13. Market and carcass steers must exhibit only beef type characteristics.

14. **For steers to be eligible to show in the 1982 Show, no permanent incisor teeth may have erupted to the extent that, in the opinion of the official Show Veterinarian, they could contact the upper gums. This examination will be made when the steers are ear-tagged on January 3 and 4, 1982.** [Note: It would be fairly safe to assume that a steer would be eligible to show if the

permanent teeth did not intersect a line drawn between the top edges of the adjacent deciduous (baby, milk) teeth.]

15. A junior market or carcass steer is not eligible for entry in this Show if it has been entered in more than ONE state fair or any of the major stock shows listed below:

Ak-Sar-Ben Livestock Exposition and Rodeo — Omaha, NE
American Royal Livestock, Horse Show & Rodeo — Kansas City, MO
Arkansas State Fair & Livestock Show — Little Rock, AR
Eastern National Livestock Show, Inc. — Timonium, MD
Grand National Livestock Exposition — San Francisco, CA
Heart O'Texas Fair — Waco, TX
Keystone International Livestock Exposition — Harrisburg, PA
New Mexico State Fair — Albuquerque, NM
North American Livestock Exposition — Louisville, KY
Northern International Livestock Exposition — Billings, MT
Pacific International Livestock Exposition — Portland, OR
State Fair of Texas — Dallas, TX
Tulsa State Fair — Tulsa, OK

16. **Junior market steers will continue to be shown by weight classification, allowing any breed association the opportunity to sponsor a steer show of their breed, if they will agree to a minimum of at least ten head to be shown and will match premiums offered by the Arizona National, with the maximum association contribution not to exceed \$300.**

17. Market steer breed classification will be determined by a breed classification committee prior to ear-tagging and nose printing.

Weight Limits

18. Market steers: Minimum weight — 900 lbs.
Maximum weight — unlimited
Carcass steers: Minimum live weight — 900 lbs.
Maximum hot carcass weight — 800 lbs.

Although there is no maximum live weight limit, market steer exhibitors will be paid only for a maximum sale weight of 1200 lbs. Underweight steers will be sifted.

Carcasses will be sold on chilled carcass weight (97% of hot carcass weight). Carcasses weighing over 800 lbs. will be sifted and sold at current carcass market rail price.

Sale of Animals

19. This is a **TERMINAL SHOW**. EVERY MARKET AND CARCASS ANIMAL ENTERED, whether ribboned, non-ribboned or sifted, **WILL BE SLAUGHTERED**. Sifted animals will be classed in uniform lots and auctioned to packer buyers only, by the Junior Sale Committee. Private treaty sales are not allowed.

20. Only ribboned animals will be sold through the auction. Sale of non-ribboned animals will be at the discretion of the Sale Committee.

21. Consignors to the Market Sales will receive their checks by mail following the close of the Show. A 5% commission fee will be deducted.

Fees

22. Market Steers: \$ 5.00 per head
Carcass Steers: \$10.00 per head

No later than 7:00 a.m., January 3, 1982

NOSE PRINT TECHNIQUE

NOSE PRINT TECHNIQUE:

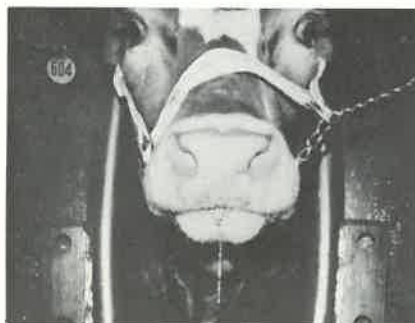

The technique described below was developed by Dr. T. D. "Dusty" Rich and Dr. Tom Randolph, DVM at Oklahoma State University, Stillwater, Okla.

The equipment and materials needed for noseprinting are:

1. Terry cloth towels.
2. Stamp pad. The regular office supply 3" x 4½" felt pad is adequate. Use a black, fast drying stamp pad ink.
3. Head gate or squeeze chute.
4. Index cards, 3" x 5", non-lined, standard grade. A slick-finished card or paper will produce a smeared print. (Nomination cards are furnished with this nomination book.)
5. A ¼" x 3" x 5" wood block or some solid backing support for the card.

It is suggested that Nose Printing technique be done on practice cards on trial basis before imprinting the official Nomination Card.

The procedure for taking a nose print is outlined below.

1. Place the animal in a head gate.

2. Stand to the side of the steer's head and with your arm, reach over and around the neck in order to restrain the head.

3. Use a towel to thoroughly dry the non-haired area of the muzzle.

4. Immediately cover the non-haired area with the black ink. A good procedure is to start the edge of the pad at the lower edge of the upper lip and then roll the pad upward toward the face.

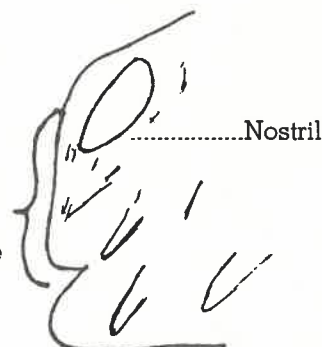

5. Using the block of wood or the closed ink pad as a support, immediately press the index card against the nose and lift the print. Use same procedure described for applying the ink.

6. If the print is smeared because of movement or moisture from the nose, repeat the sequence.

It is extremely important to thoroughly dry the nose prior to applying the ink and to quickly lift the print before perspiration appears. Moisture will cause the ink to run and to fill up the grooves of the nose. This will result in a smeared print, thus a rejected entry.

Examples of acceptable and non-acceptable nose prints are shown as follows. It is suggested that the junior exhibitors ask their 4-H leader or FFA instructor to assist them in lifting a readable nose print.

Good Print

Poor Print
(too much moisture)

Poor Print
(wrong ink)

7. Fill out the enclosed nomination card for each steer nominated and place the nose print for each animal on the reverse side of the card.
8. Early submission of nomination will assure you of required time to correct any errors by September 15.

PHOTO TECHNIQUE:

1. Any type camera will provide satisfactory pictures. However, a polaroid is suggested as pictures can be developed at the time and can be re-taken if not acceptable. Pictures should be taken outside in sunlight to assure a clear, identifiable print.
2. **The picture must include the steer and the exhibitor.** The steer must be shown at a $\frac{3}{4}$ front view. The picture must be clipped or stapled to the nomination and nose print card for the same steer.

1. Acceptable photo identifying both exhibitor and steer.

2. Non-acceptable photo.
