We're at home in our office or yours.

When Arizona and the West were still pioneer-country, Valley Bankers were there.

We'd ride out to a ranch to talk about credit needs, the cattle market, politics, corny jokes, and the weather.

Time marches on. Now everything is bigger. More complex.

Ranching is now "agribusiness". And banking is now computerized. But some things don't change.

So even though we can now offer you all the modern financial services – like electronic funds transfer, data processing, and equipment leasing – we'll still come out to your place to talk.

About credit, the cattle market, politics, and the weather.

But in the interest of progress, the corny jokes are now optional.

OFFICE OF THE GOVERNOR

STATE HOUSE

BRUCE BABBITT
GOVERNOR

PHOENIX, ARIZONA 85007

Welcome:

The 1985 Arizona National Livestock Show has something of interest for nearly everyone.

This show serves as a showcase of Arizona's finest, and I am confident that the time you spend here will be both productive and informative.

So take the time to see as much as you can and accept my best wishes for an enjoyable show.

Sincerely,

Bruce Babbitt
Governor

BB:pbr

Welcome!

You are invited to begin another new year with us at the Arizona National. We are planning to make this year's show more enjoyable than ever. We are counting on beautiful weather for your comfort and convenience.

Last year several changes were made that in general proved to be very exciting and productive. Our attendance improved and we saw many new faces involved within the show. This year we will continue that progress and produce an even more meaningful exhibition of the livestock industry and the fine young people within it.

"Don't judge a book by its cover." The premium book has a tendency to look the same, but there have been many changes. Most of these have been inserted with the needs and desires of the exhibitor in mind. One of our major goals this year is to be a better host.

Please join us for our 1985 "family affair."

Sincerely,

Frank C. Armer, DVM
President

Dear Exhibitors:

The purpose of the Arizona National is to provide a show place for our exhibitors to display their livestock. We invite you to exhibit your product at the 1985 Arizona National Livestock Show!

The Arizona National is a "Family Affair" and we want to encourage your family to participate. We all know that "experience is the best teacher" and we will do our best once again to give each Junior Exhibitor a national avenue on which to gain some of that experience.

Our Show Committee has made changes in the 1985 Show rules and scheduling in an effort to make this a better Show place for you. Please review these changes that have been made with you, the exhibitor, in mind.

On behalf of the entire staff let me say, "WELCOME TO THE ARIZONA NATIONAL!"

Sincerely,

Nelson K. Stevenson
Show Manager

ANLS EDUCATIONAL SCHOLARSHIPS

Each year educational grants totaling \$10,000 are offered by the Arizona National Livestock Show, Inc., to encourage and promote the education and training of young people for a future in the livestock industry and its related fields.

College students who are currently enrolled full time, working toward their first college degree, have participated in the Arizona National and are planning a career in an agriculture related field are eligible for ANLS grants. Educational grants are available at Arizona's three universities and ten community colleges, number and amount varies.

In addition to these grants to Arizona National participants, the Association awards a \$500 grant to the Arizona 4-H, a \$500 grant to the Arizona FFA and a \$1000 grant to the University of Arizona Livestock Judging Team. In 1981 the Arizona National expanded its educational grant program to include a \$100 grant to the outstanding junior exhibitor at each of Arizona's 15 county fairs.

The Arizona National educational grant funds are derived from Arizona National membership funds and from commissions on sale animals. In this way, members of the agriculture community, including the junior exhibitors themselves, help to perpetuate their agriculture industry.

For further information and applications for these grants, contact the Arizona National Livestock Show, 1826 W. McDowell Rd., Phoenix, Arizona 85007, (602) 258-8568. (Application deadline: October 15)

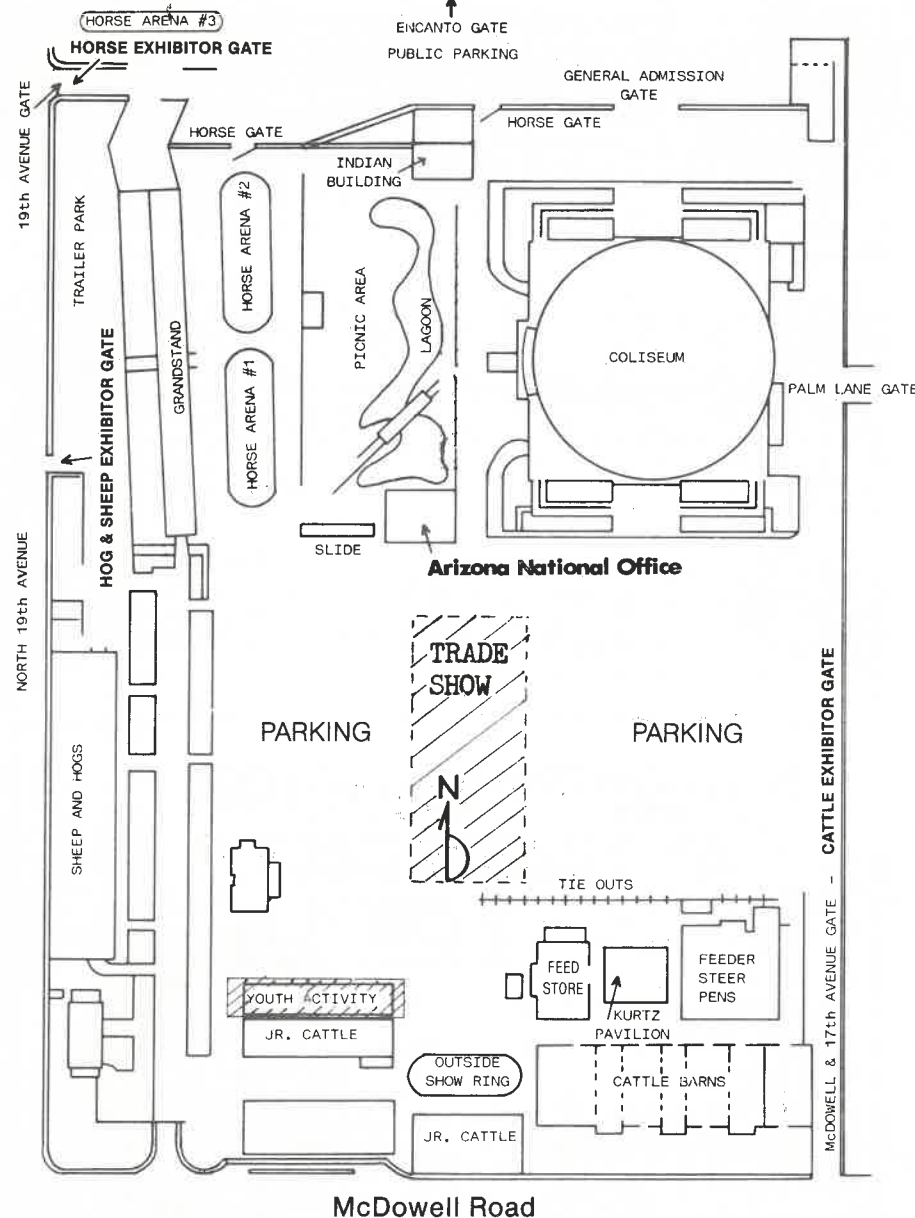

"WE'RE LOOKING AT TOMORROW."

We're committed to being an integral part of the Valley's bright future. Of course, SRP will continue to efficiently provide reliable water and power to our Valley of the Sun. Your Project will continue positive involvement with the entire community.

GENERAL RULES AND REGULATIONS

Interpretation

1. The Show Committee reserves the final and absolute right to interpret all rules and regulations and arbitrarily settle and determine all matters, questions and differences in regard to or arising out of or connected with this Show; and the right to amend or to add to these rules as it is determined necessary. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as the Show Committee may order. The Arizona National assumes no responsibility for the correctness of any description given in the Premium List.

ANGUS SHOW

JUDGE — Mr. Ralph Clark, Plymouth, CA

JUDGING — Thursday, January 3, 1985, 8:00 a.m.

ARRIVAL

DEPARTURE

NO EARLIER THAN: 8:00 a.m., December 27, 1984 8:00 p.m., January 5, 1985
 NO LATER THAN: 5:00 p.m., January 1, 1985 9:00 a.m., January 7, 1985

Class Premium paid by Arizona National \$ 6,744.00
 Champion Premium paid by the Arizona National \$ 300.00
 Class Premium paid by the American Angus Association \$ 4,496.00
 TOTAL PREMIUM \$11,540.00

1. The American Angus Association, 3201 Frederick Blvd., St. Joseph, MO 64501, will pay 40% of the total premiums offered for the Open Class Angus Breeding Cattle where individual premiums amount to \$10 or more. The Association's contribution will be paid directly from their office to the exhibitors.

2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.

4. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

5. The exhibition of cattle displaying false hair will not be allowed.

6. The Angus Association does not pay a percentage on premiums offered in Championship classes.

7. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition". The exhibition of cattle displaying false hair will not be allowed.

8. BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.

The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.

9. All other rules of this Show apply.

3. For and in consideration of the opportunity to participate in any Brangus function each exhibitor hereby releases the Association its officers, directors and representatives from negligence, any and all claims, suites and judgements past, present or future, arising from or connected with the administration or use of such test of examination and the resulting decision therefrom.

If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, the Executive Committee shall hold a hearing at which the appealing party and the veterinarian or designated association representatives whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Executive Committee shall render a decision which shall be final and conclusive.

RULES AND REGULATIONS

Entries

1. All Feeder Steer entries are subject to all General Rules and Regulations, see page 19.
2. Entries in the Feeder Division will close at **midnight, December 1, 1984**, however, due to limited pen space, entries will be accepted on a **first come, first serve basis**. Entries received after available pen space has been filled will be returned, along with the entry fee.
3. An entry card must be completed for each pen of feeders entered, breed description must be shown for each entry.
4. All entries must be **bred, raised and exhibited** by the **owner**.
5. All animals in a pen must carry the same brand. No fresh branded, unpeeled or double branded steers will be accepted.
6. Five head, comprised of the same purebred or crossbred characteristics, make up a feeder pen.
7. Feeder steers are those commonly known on the market as feeders. They must be dehorned, castrated and halter broken.
8. Steers may be purebred, grade or crossbred and **must** enter the appropriate class. Charolais and Charolais crosses will show together and Brahman and Brahman crosses will show together. All other crossbreds will be entered in their appropriate Crossbred Class.
9. Steers may be mouthed to verify age.
10. Maximum weight for steers is 700 pounds, pens averaging more than 700 pounds will be sifted.

Sifting

11. Steers will be sifted at the time of judging, by the judge, for type and quality.
12. The Breed Sifting Committee may switch classes prior to judging if the pen does not show breed characteristic for the class entered.

Unethical Fitting

13. The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness, will be disqualified. **No color alteration will be allowed except hoof dressing**

Alternates

14. One alternate per pen will be permitted.
15. Alternates cannot be shown in the show ring except by permission of the Feeder Steer Committee Chairman. Permission will be granted only in the case of sickness of one of the other steers.
16. Alternates must be selected before ear-tagging and weigh-in Tuesday, January 1, 1985.

Classes

17. Classes will be divided into equitable weight divisions for each breed. The number of classes is dependent upon the number of entries in each breed.

Weigh-In and Ear-Tagging

18. Feeder steers will be ear-tagged and weighed on Tuesday, January 1, 1985 one time only. This weight will be used to class steers, and will be the **official** sale weight. There will be **no** weigh-backs.
19. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question **cannot** leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.
20. Eartags **must not** be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.
21. All exhibitor eartags will be removed from steers when tagged by the Arizona National.
22. The livestock scale at Kurtz Pavilion will be available to Feeder Steer exhibitors on Monday, December 31, 1984. Exhibitors should contact a Feeder Steer Committee member or the Cattle Barn Office for information. **THIS IS NOT AN OFFICIAL WEIGHT.**

Judging

23. Judges will be instructed to discriminate against feeder steers which, in their opinion, are too fat to be profitable. The decision of the judges is to be made on the same basis as the cattle buyer would judge steers in purchasing them for commercial purposes.

24. There must be at least two first place winners in a breed division for a Championship Class.

Auction

25. All steers in the Feeder Steer Division will be sold at auction on Saturday, January 5, 1985. No Private Treaty sales will be allowed.

26. All feeder steer pens will be sold by choice lot.

27. All sales are final and binding.

28. A 5% commission and miscellaneous fee will be deducted from the sale proceeds.

29. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

Class Premiums paid by the Arizona National	\$608.00
Champion Premiums paid by the Arizona National	75.00
Class Premiums paid by the American Angus Association	152.00
TOTAL PREMIUMS	\$835.00

Participation Statement

- The American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri will pay 20% of the total premiums in individual classes offered for Junior Angus Heifers as included in its standard show classification where individual premiums amount to \$5 or more.
- To be eligible for Association premiums heifer entries must be recorded in the sole name of the Junior exhibitor and the date of transfer or ownership must conform to the individual show's requirements. Association premiums will be mailed directly to the exhibitor from the American Angus Association's office. The Association's contribution is included in the total premiums listed in each class.
- Exhibitors must have the original registration certificate on each animal available for inspection at the show.
- Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
- The exhibition of cattle displaying false hair will not be allowed.
- The Association does not pay a percentage on premiums offered in Championship Classes.
- For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition". As stated in this rule the use of false tailheads is not permitted in the showing.
- BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.
- The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.
- All junior heifer entries are subject to all general rules.

Stall requests will not be accepted by telephone, and stall fees must accompany entries. No open checks will be accepted for stall fees. **No refund on stall fees.**

Due to the multiple use of our limited horse stall facilities, reservations will be accommodated on the first come, first serve basis. Exhibitors requesting stalls for several horses will be given preference for stall assignments prior to the December 15, 1984, entry deadline date. It is recommended for those with multiple horse entries to submit their entries at the earliest possible date.

18. Stalls are covered, lighted and with split door. Water is available nearby. Stalls are 10' x 10'.

Fire Code Regulations

19. ALL FANS, BLOWERS, HAND CLIPPERS AND OTHER ELECTRICAL APPLIANCES MUST BE EQUIPPED WITH A GROUND WIRE. USE OF ELECTRICAL APPLIANCES IS LIMITED TO PLUG-IN OUTLETS PROVIDED IN STALL AND BLOCKING CHUTE AREAS. REMOVAL OF LIGHT BULBS IN ANY OUTLET IS PROHIBITED.

STAPLING, ATTACHING OR EXTENDING ANY EXTENSION CORD IN AN UNSAFE MANNER IS PROHIBITED.

USE OF ELECTRICAL APPLIANCES AND ELECTRICAL HOOK-UPS WILL BE INSPECTED BY THE COLISEUM ELECTRIC DEPARTMENT AND ANY VIOLATION OF THIS RULE WILL RESULT IN THE CONFISCATION OF ANY SUCH EXTENSION CORDS AND/OR APPLIANCES.

THE MANAGEMENT OF THE ARIZONA NATIONAL, IN COMPLIANCE WITH ARIZONA COLISEUM REGULATIONS, RESERVES THE RIGHT TO CAUSE THE DISMISSAL FROM THE SHOW ANY EXHIBITOR NOT COMPLYING WITH THIS RULE. SUCH DISMISSAL WILL BE MADE WITHOUT RECOURSE.

ALL EXTENSION CORDS MUST BE UNDERWRITER LABORATORY APPROVED FOR OUTDOOR USE.

THIS RULE IS FOR THE PROTECTION OF THE EXHIBITOR, THE HORSES AND THE PUBLIC.

20. Feed and straw will be available on the grounds at current prices. Orders must be placed with the Stall Superintendent before 9:00 a.m. for delivery at 10:00 a.m. and before 3:00 p.m. for delivery at 4:00 p.m. Someone must be present at stalls to accept delivery and **remit cash payment** for the order. Anyone wishing feed or straw between delivery hours may pick it up at the Feed Store. (See map, page 11).

Parking

21. **Starting at 7:00 a.m., December 29, 1984, horse show exhibitors must use the North 19th Avenue gate in order to minimize traffic and parking congestion.**

22. Vehicle parking applications will be issued to exhibitors upon arrival on the grounds. Parking permits will be issued at the Coliseum Security Office. Permits will be honored only in designated exhibitor parking areas. No horse show trucks or trailers will be allowed to park in any other area on the grounds.

23. Exhibitor vehicle permits will be issued for each vehicle. No vehicle permits will be mailed, but must be picked up at the Coliseum Security Office.

24. Exhibitors who do not request stalls and plan to work out of their trailers must park in assigned areas in an orderly fashion. Management will make every effort to maintain an orderly parking system for the benefit of the exhibitors.

Attire

25. Riders must be correctly and properly attired when entering the show ring, and attendants must be suitably and neatly dressed if it is necessary for them to enter the show ring. The Management may bar, at its discretion, any person from entering the ring if not suitably attired.

Scoring

26. Scoring will be on the basis of 8-7-6-5-4-3-2-1 in classes offering eight ribbons, provided there are eight or more contestants; 6-5-4-3-2-1, provided there are six or more contestants; 5-4-3-2-1, provided there are five or more contestants. If there are less contestants than the number of ribbons offered scoring will be based upon the actual number of contestants in the class. Ties will be broken in the order listed: the contestant will be declared Champion who (1) earned points in the greatest number of events; or (2) the contestant winning over the greatest number of horses.

Prize Money Payments

27. **Prize money will be paid by check made out in the name of the owner as it is listed on the entry blank, as soon as possible following the close of the Show. Checks not cashed within sixty days of issue will be void.**

Conduct

28. Any exhibitor attempting to interfere with the judges in any way, or who publicly expresses disapproval, in the arena or on the grounds, of the decision of the judges, or who by act of influence shall be guilty of conduct unbecoming an exhibitor, SHALL forfeit premiums and SHALL be excluded from further competition.

Exhibitor's respect and consideration of office and grounds personnel, as well as other exhibitors, is appreciated.

Scholarship Award

29. A \$200.00 College Scholarship Award will be given by the Phoenix Kiwanis Club to the High Point Junior Arizona Rider of the Show. AQHA and Appaloosa Youth Activity and Junior classes in the Open Show will count. If more than one horse is ridden, points will be counted on the highest scoring horse only. This scholarship can be earned one time only. In the event that the winner has previously received the award, the scholarship will be awarded to the next highest individual eligible to receive it. Formal presentation of the scholarship will be held during a meeting of the Phoenix Kiwanis Club at a later date.

Courses and Work Orders

30. Work Orders will be posted at least one hour prior to the calling of the classes.

31. In cases where exhibitors are riding more than one horse, Management will take this into consideration and will space them accordingly. If any exhibitor riding more than one horse wishes, he may request the order in which he wants to ride a particular horse, PROVIDED such request is made at the Horse Show office prior to the posting of the Work Order.

32. ONCE THE WORK ORDER IS POSTED, NO CHANGES WILL BE MADE. If exhibitors are not ready when called, they will be disqualified.

35. For Security reasons, schooling in the Coliseum will not be permitted except at designated times which will be posted at the Horse Show office.

36. An exercise or schooling ring will be available in the stable area and in front of the Grandstand; however, Hunters and Jumpers will not be allowed to set up jumps in those rings. Schooling fences will be set up adjacent to the show rings.
