We're at home in our office or yours.

When Arizona and the West were still pioneer-country, Valley Bankers were there.

We'd ride out to a ranch to talk about credit needs, the cattle market, politics, corny jokes, and the weather.

Time marches on. Now everything is bigger. More complex.

Ranching is now "agribusiness". And banking is now computerized. But some things don't change.

So even though we can now offer you all the modern financial services – like electronic funds transfer, data processing, and equipment leasing – we'll still come out to your place to talk.

About credit, the cattle market, politics, and the weather.

But in the interest of progress, the corny jokes are now optional.

BRUCE BABBITT
GOVERNOR

PHOENIX, ARIZONA 85007

1986

Welcome:

It is a pleasure, on behalf of the citizens of Arizona, to extend greetings to everyone attending the 39th Annual Arizona National Livestock Show. The 1986 Arizona National has something of interest for everyone; a showcase of Arizona's finest.

I am confident that the time you spend at the show will be both productive and informative. So take the time to see as much as you can. You have my best wishes for an enjoyable show.

Sincerely,

Bruce Babbitt
Governor

Dear Participant:

The Arizona National Livestock Show is upon us again. We hope you will find the 1986 edition all you hoped for and that the changes we have made you will find to be improvements. Our schedule has been altered somewhat in an effort to compress the activities into a shorter week for many exhibitors. Otherwise the format and events remain relatively unchanged, and should give use a smoother more efficient Show.

On behalf of the membership, staff and committee volunteers I wish you a very pleasant and rewarding visit to the 1986 Arizona National Livestock Show.

Sincerely,

Frank C. Armer Jr., DVM
President

Dear Exhibitors:

You are invited to exhibit your livestock at the 1986 Arizona National, the agricultural show place for Arizona and the Southwest.

We are continuing to stress our family involvement programs for the enjoyment of our exhibitors. The 1986 Arizona National has been planned and scheduled to create a nine day production of activities to educate our young people, improve our livestock production, and inform the general public of the importance of AGRICULTURE.

Changes have been made in the 1986 scheduling and show rules to make our show better for you, the exhibitor. Please review these changes.

We are looking forward to seeing you at the 1986 "Family Affair".

Sincerely,

Nelson K. Stevenson
Show Manager

ANLS EDUCATIONAL SCHOLARSHIPS

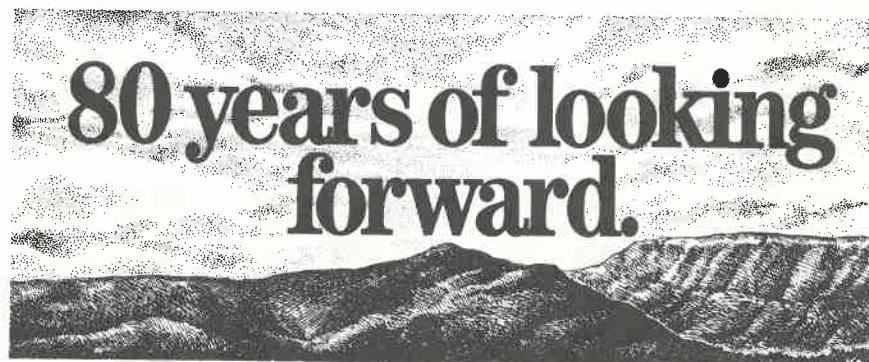

Each year educational grants totaling \$10,000 are offered by the Arizona National Livestock Show, Inc., to encourage and promote the education and training of young people for a future in the livestock industry and its related fields.

College students who are currently enrolled full time, working toward their first college degree, have participated in the Arizona National and are planning a career in an agriculture related field are eligible for ANLS grants. Four \$1,000 educational grants are available to qualified students attending a four year university.

In addition to these grants to Arizona National participants, the Association awards a \$800 grant to the Arizona 4-H, a \$800 grant to the Arizona FFA and a \$2,000 grant to the University of Arizona Livestock Judging Team, and a \$1,000 grant to Scottsdale Community College Equine Judging Team. In 1981 the Arizona National expanded its educational grant program to include a \$100 grant to the outstanding junior exhibitor at each of Arizona's 15 county fairs.

The Arizona National educational grant funds are derived from Arizona National membership funds and from commissions on sale animals. In this way, members of the agriculture community, including the junior exhibitors themselves, help to perpetuate their agriculture industry.

For further information and applications for these grants, contact the Arizona National Livestock Show, 1826 W. McDowell Rd., Phoenix, Arizona 85007, (602) 258-8568. (Application deadline: October 15)

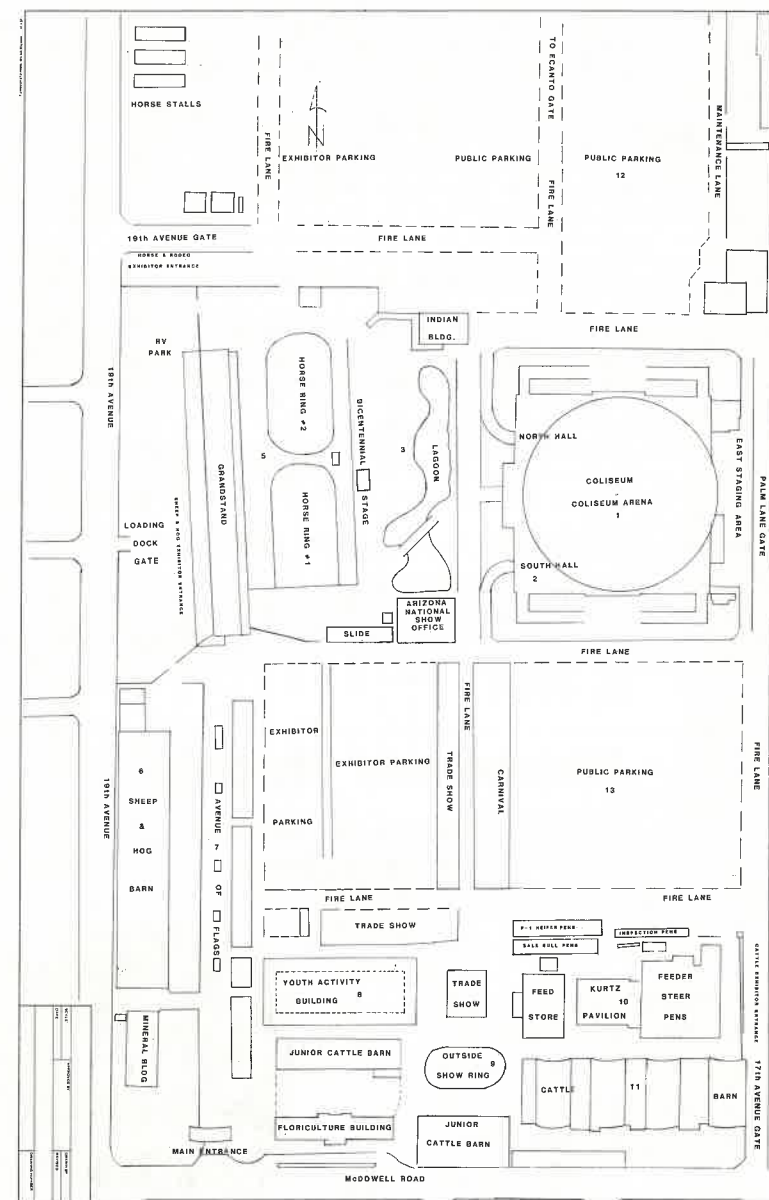

In 1903, Salt River Project was created to serve an agricultural community with a population of less than 20,000.

Today, we're meeting the challenges of one of the fastest growing metro areas in America, supporting more than 1.6 million people.

From humble beginnings to the valley of today, we've been looking toward the future in all we do.

in all we do today.*

ANGUS SHOW

JUDGE — Mr. Mac Suthers, Arnett, OK

JUDGING — Friday, January 3, 1986, 2:00 p.m.

ARRIVAL

DEPARTURE

NO EARLIER THAN: 8:00 a.m., December 27, 1985 5:00 p.m., January 5, 1986

NO LATER THAN: 7:00 p.m., December 31, 1985 9:00 a.m., January 6, 1986

Class Premium paid by Arizona National	\$ 6,000.00
Champion Premium paid by the Arizona National	\$ 300.00
Class Premium paid by the American Angus Association	\$ 2,000.00
TOTAL PREMIUM	\$8,300.00

1. The American Angus Association, 3201 Frederick Blvd., St. Joseph, MO 64501, will pay 25% of the total premiums offered for the Open Class Angus Breeding Cattle (not to exceed \$2,000.00) where individual premiums amount to \$10 or more. The Association's contribution will be paid directly from their office to the exhibitors.

2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.

4. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

5. The exhibition of cattle displaying false hair will not be allowed.

6. Any product administered internally or used externally to alter the conformation of any animal for exhibition is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally and steroids or growth stimulants internally.

7. The Angus Association does not pay a percentage on premiums offered in Championship classes.

8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition". The exhibition of cattle displaying false hair will not be allowed.

9. BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.

The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.

10. All other rules of this Show apply.

1. The American Brahman Breeders Association, 1313 La Concha Lane, Houston, TX 77054 will pay direct to the winners 25% toward premiums offered in the following classes.

2. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in Association sponsored shows. The registration certificate (or photocopy) for each entry must be available for presentation to the Superintendent or Manager of the Show at the time entries are verified prior to judging.

3. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.

4. Entries that have not complied with rules two (2) and three (3) will not be eligible to show, receive premium monies or earn points in the Association's Register of Renown.

5. No exhibitor shall be permitted to show more than two animals or two groups of animals in any one class provided, however, that an exhibitor may show a third animal in only one individual class for the sole purpose of qualifying and entering the get-of-sire class. (Third animal not eligible for premium money.)

6. Animals to be eligible to be shown in group classes must be entered and shown in individual classes and must be owned by the exhibitor.

7. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. **Include animal identification number (number brand) as a part of identification.** When entering the arena for judging, the handlers will line cattle up numerically in the same order.

8. Judges will be allowed to comment on placings in selected classes when conditions permit.

9. Any animal found to have had its physical features altered or tampered with by surgical instruments for the purpose of improving its conformation or appearance in the show ring will be disqualified and ruled ineligible to compete for or retain any ABBA premiums.

10. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.

11. Animals who have been on a nurse cow or foster dam beyond 205 days of age are not eligible to show in ABBA approved shows.

12. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed.

13. The two animals shown together for an entry in the produce-of-dam class must be owned by the exhibitor. Also, the two animals shown in the embryo produce class must both be embryo calves and those shown in the natural produce class must both be natural calves. The four animals shown together in the get-of-sire class must be from at least two different dams, all from one sire with both sexes represented and all owned by the exhibitor.

14. No more than one produce-of-dam entry will be permitted to show from one dam.

15. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. 3. For and in consideration of the opportunity to participate in any Brangus function each exhibitor hereby releases the Association its officers, directors and representatives from negligence, any and all claims, suites and judgements past, present or future, arising from or connected with the administration or use of such test of examination and the resulting decision therefrom.

Entries

1. All Feeder Steer entries are subject to all General Rules and Regulations, see page 19.
2. Entries in the Feeder Division will close at MIDNIGHT, DECEMBER 1, 1985, however, due to limited pen space, entries will be accepted on a FIRST COME, FIRST SERVE BASIS. Entries received after available pen space has been filled will be returned, along with the entry fee.
3. An entry card must be completed for each pen of feeders entered, breed description must be shown for each entry.
4. All entries must be BRED, RAISED and EXHIBITED by the OWNER.
5. All animals in a pen must carry the same brand. No fresh branded, unpeeled or double branded steers will be accepted.
6. Five head, comprised of the same purebred or crossbred characteristics, make up a feeder pen.
7. Feeder steers are those commonly known on the market as feeders. They must be dehorned, castrated and halter broken.
8. Steers may be purebred, grade or crossbred and MUST enter the appropriate class. Charolais and Charolais crosses will show together. All other crossbreds will be entered in the appropriate Crossbred Class ONLY.
9. Steers may be mouthed to verify age.
10. Maximum weight for steers is 700 pounds, pens averaging more than 700 pounds will be sifted.

Sifting

11. Steers will be sifted at the time of judging, by the judge, for type and quality.

Classing

12. Crossbred pen entries of an unusual genotype, or unusually deceptive phenotype, will be classed by the Feeder Steer Committee by taking into consideration:

- a. The breed of the sire.
- b. Ascertainable genotype as provided by the exhibitor.
- c. Ascertainable phenotype shown by the pen of steers.

13. The Feeder Steer Committee may switch classes prior to judging if the pen does not show breed characteristics for the class entered.

Unethical Fitting

14. The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness, will be disqualified. NO COLOR ALTERATION WILL BE ALLOWED EXCEPT HOOF DRESSING.

Alternates

15. One alternate per pen will be permitted.
16. Alternates cannot be shown in the show ring except by permission of the Feeder Steer Committee Chairman. Permission will be granted only in the case of sickness of one of the other steers.
17. Alternates must be selected before ear-tagging and weigh-in **Tuesday, December 31, 1985.**

Classes

18. Classes will be divided into equitable weight divisions for each breed. The number of classes is dependent upon the number of entries in each breed.

Weigh-In and Ear-Tagging

19. Feeder steers will be ear-tagged and weighed on **Tuesday, December 31, 1985** one time only. This weight will be used to class steers, and will be the OFFICIAL sale weight. There will be NO weigh-backs.
20. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question CANNOT leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.

21. Eartags MUST NOT be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.

22. All exhibitor eartags will be removed from steers when tagged by the Arizona National.

23. The livestock scale at Kurtz Pavilion will be available to Feeder Steer exhibitors on **Monday, December 30, 1985**. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **THIS IS NOT AN OFFICIAL WEIGHT.**

Judging

24. Judges will be instructed to discriminate against feeder steers which, in their opinion, are too fat to be profitable. The decision of the judges is to be made on the same basis as the cattle buyer would judge steers in purchasing them for commercial purposes.

25. There must be at least two first place winners in a breed division for a Championship Class.

Auction

26. **All** steers in the Feeder Steer Division will be sold at auction on Saturday, **January 4, 1986**. **NO** Private Treaty sales will be allowed.

27. All feeder steer pens will be sold by choice lot.

28. All sales are final and binding.

29. A 5% commission (sale fee) will be deducted from the gross auction sale proceeds, of each consignor.

ANGUS JUNIOR HEIFERS

Class Premiums paid by the Arizona National	\$720.00
Champion Premiums paid by the Arizona National	75.00
Class Premiums paid by the American Angus Association	180.00
TOTAL PREMIUMS	\$975.00

Participation Statement

1. The American Angus Association, 3201 Frederick Boulevard, St. Joseph, Missouri will pay 20% of the total premiums in individual classes offered for Junior Angus Heifers where individual premiums amount to \$5 or more. Association premiums will be mailed directly to the exhibitor from the American Angus Association office. The Association's contribution is included in the total premiums listed in each class.
2. To be eligible for Association premiums heifer entries must be recorded in the sole name of the Junior exhibitor and the date of transfer or ownership must conform to the individual show's requirements.
3. Exhibitors must have the original registration certificate on each animal available for inspection at the show.
4. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
5. The exhibition of cattle displaying false hair will not be allowed.
6. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders hemp, or other similar substances externally and steroids or growth stimulants internally.
7. The Association does not pay a percentage on premiums offered in Championship Classes.
8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition". As stated in this rule the use of false tailheads is not permitted in the showing.
9. BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules (Part 3, Section XI, Rule 2) each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE. Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.
10. The recorded sire and dam must qualify as parents of the sampled animal through blood chemistry. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus herdbook, and the registration certificate becomes null and void. Any animal with a nontraditional blood type is ineligible for the Angus Herdbook.
11. All junior heifer entries are subject to all general rules.

TAXES

Effective January 1, 1984, Federal law requires the withholding of 20% Federal Income Tax from payments made to vendors for which we do not have a taxpayer identification number. This withholding requirement was included in the Tax Equity and Fiscal Responsibility Act of 1982, and generally applies to payments which are required to be reported on Form 1099 to the IRS.

In order to validate our records and prevent needless withholdings of taxes, please provide us with the correct information concerning your organization, on the entry sheet for each horse.

Your premium check will be made payable to the name shown as owner so please provide us with the number for that name. If more than one name is shown, we must have all ID Numbers (except husband and wife filing joint returns). Minors must also provide their social security number if the check is to be made payable to them.

ATTIRE

25. Riders must be correctly and properly attired when entering the show ring, and attendants must be suitably and neatly dressed if it is necessary for them to enter the Show ring. The Management may bar, at its discretion, any person from entering the ring if not suitably attired. AHSA Rule Book page 58 section 17; second paragraph "Junior riders **MUST** have headgear with harnesses."

26. All Junior riders in Hunter, Jumper and Hunter Seat Equitation sections cannot ride anywhere on the Showgrounds without wearing protective headgear passing testing standards. Harnesses must be secured and if said headgear has a brim it must be flexible or semiflexible. Any rider violating this rule at anytime must immediately be prohibited from further riding until his headgear is properly in place. Adults are encouraged to comply with this rule, however, it is not mandatory. Adults entered in hunter classes must wear hard hats when jumping anywhere on the Show grounds.

SCORING

If there are fewer contestants than the number of ribbons offered, scoring will be based upon the actual number of contestants in the class. Ties will be broken in the order listed: the contestant will be declared Champion who (1) earned points in the greatest number of events; or (2) the contestant winning over the greatest number of horses.

PRIZE MONEY PAYMENTS

28. PRIZE MONEY WILL BE PAID BY CHECK MADE OUT IN THE NAME OF THE OWNER AS IT IS LISTED ON THE ENTRY BLANK, AS SOON AS POSSIBLE FOLLOWING THE CLOSE OF THE SHOW. CHECKS NOT CASHED WITHIN SIXTY (60) DAYS OF ISSUE WILL BE VOID.

NOSE PRINT TECHNIQUE

NOSE PRINT TECHNIQUE:

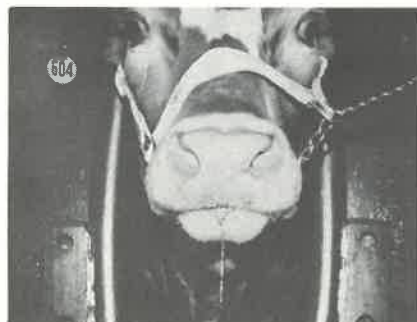

The technique described below was developed by Dr. T. D. "Dusty" Rich and Dr. Tom Randolph, DVM at Oklahoma State University, Stillwater, Okla.

The equipment and materials needed for noseprinting are:

1. Terry cloth towels.
2. Stamp pad. The regular office supply 3" x 4½" felt pad is adequate. Use a black, fast drying stamp pad ink.
3. Head gate or squeeze chute.
4. Index cards, 3" x 5", non-lined, standard grade. A slick-finished card or paper will produce a smeared print. (Nomination cards are furnished with this nomination book.)
5. A ¼" x 3" x 5" wood block or some solid backing support for the card.

It is suggested that Nose Printing technique be done on practice cards on a trial basis before imprinting the official Nomination Card.

The procedure for taking a nose print is outlined below.

1. Place the animal in a head gate.

2. Stand to the side of the steer's head and with your arm, reach over and around the neck in order to restrain the head.

NOTE: YOUR NOMINATION WILL NOT BE ACCEPTED BY THE ARIZONA NATIONAL UNLESS:

1. ALL SIGNATURES ON NOMINATION CARD ARE COMPLETE & VALID.
2. NOSE PRINT IS CLEAR AND READABLE.
3. PHOTO IS SHARP AND CLEAR IDENTIFYING THE NOMINATED STEER AND EXHIBITOR.

3. Use a towel to thoroughly dry the non-haired area of the muzzle.

4. Immediately cover the non-haired area with the black ink. A good procedure is to start the edge of the pad at the lower edge of the upper lip and then roll the pad upward toward the face.

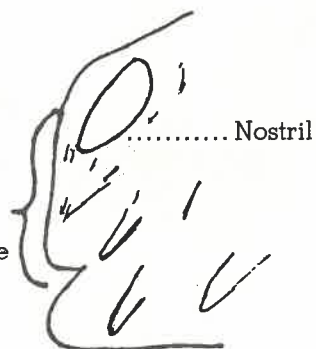

5. Using the block of wood or the closed ink pad as a support, immediately press the index card against the nose and lift the print. Use same procedure described for applying the ink.

6. If the print is smeared because of movement or moisture from the nose, repeat the sequence.

It is extremely important to thoroughly dry the nose prior to applying the ink and to quickly lift the print before perspiration appears. Moisture will cause the ink to run and to fill up the gooves of the nose. This will result in a smeared print, thus a rejected entry.

It is suggested that the tongue be held down with a towel or cloth to keep the steer from licking the nose.

Examples of acceptable and non-acceptable nose prints are shown as follows. It is suggested that the junior exhibitors ask their 4-H leader or FFA instructor to assist them in lifting a readable nose print.

Good Print

Poor Print
(too much moisture)

Poor Print
(wrong ink)

7. Fill out the enclosed nomination card for each steer nominated and place the nose print for each animal on the reverse side of the card.
8. Early submission of nomination will assure you of required time to correct any errors by September 20.

PHOTO TECHNIQUE:

1. Any type camera will provide satisfactory pictures. However, a polaroid is suggested as pictures can be developed at the time and can be re-taken if not acceptable. Pictures should be taken outside in sunlight to assure a clear, identifiable print.
2. **The picture must include the steer and the exhibitor.** The steer must be shown at a $\frac{3}{4}$ front view. The picture must be clipped or stapled to the nomination and nose print card for the same steer.

1. Acceptable photo identifying both exhibitor and steer.

2. Non-acceptable photo
