WELCOME

September 1, 1989

"Welcome to the 1990 Arizona National." This is what I'm looking forward to saying to all the exhibitors of the 43rd Annual Show. I hope you are one of them.

Throughout the last year committees and staff have been working diligently to make the Show more exciting and enjoyable for you, the exhibitor, and the spectators.

As you look through this publication, notice the new breed shows in the Open Cattle and Horse Divisions, they might be something your interested in. Also, we have increased the number of special events held with more entertainment such as the "Cowboy Classics" and Horticulture Division.

Again, I'm looking forward to welcoming each of you to the Arizona National in December.

Most Sincerely,

Tom Rolston
President

SCHOLARSHIPS & ACCOMODATIONS

ANLS SCHOLARSHIP ENDOWMENT TRUST

Educational grants are offered by the Arizona National Livestock Show, Inc. to students pursuing a career in an agriculture field and to organizations encouraging youth in agriculture activities.

The scholarships of \$1,000 each are available to students that are currently working toward their first agriculture degree, have participated in some manner at the Arizona National, and have maintained a minimum grade point average of 2.0 after completing at least 12 semester hours.

In addition to these scholarships, the Arizona National awards grants to help other organizations in their endeavors. By working together, the Arizona National and other organizations, can reach more youth and agriculture oriented individuals. For this reason, the Arizona National provides both the Arizona FFA and Arizona 4-H \$800 grants, and the University of Arizona Livestock Judging Team a grant of \$2,000.

Also included in this fund, is a special scholarship. A new addition is the Lyle Riggs Memorial Scholarship. Riggs and his family have been supportive of youth and the Arizona National for many years, for this reason a scholarship has been founded in his name. It is the goal of the Arizona National to award this scholarship for the first time at the 1989 show.

The funds for these scholarships and grants are derived from the Arizona National membership funds and from contributions made to the newly established scholarship endowment trust fund.

For further information, scholarship applications, or to make a contribution to the ANLS Scholarship Endowment Trust Fund, contact the Arizona National Livestock Show, 1826 W. McDowell Rd., Phoenix, Arizona 85007, (602)258-8568.

(Application deadline: October 15.)

OPEN CATTLE DIVISION

ANGUS SHOW

JUDGE: Eldon Krebs, Gordon, Nebraska
JUDGING: Monday, January 1, 1990, 9:00 a.m.

ARRIVAL

NO EARLIER THAN: 6:00 a.m. December 26, 1989
NO LATER THAN: 6:00 p.m. December 29, 1989

DEPARTURE

6:00 p.m. January 3, 1990

Class Premium offered by Arizona National	\$3,600.00
Class Premium offered by American Angus Association	1,500.00
TOTAL PREMIUM	\$5,100.00

1. The American Angus Association, 3201 Frederick Boulevard, St. Joseph, MO 64501, will pay 25% of the total premiums offered for Open Class Angus Breeding Cattle where individual premiums amount to \$10.00 or more, not to exceed \$1,500.00. The Association's portion of premiums to be included in ANLS premium checks.

2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in Championship classes.

4. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.

5. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

6. Only one person at a time shall lead animals into the show ring.

7. Any product administered internally or used externally to alter the conformation of an animal for exhibition is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition."

9. **Blood typing for parentage verification.** Under the Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both **accuracy of parentage and blood type** as covered under Association Rules Part 3, Section II, Rule 2 (F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.

10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void.

11. All other rules of this Show apply.

BRAHMAN SHOW

JUDGE: Eldon Krebs, Gordon, Nebraska
JUDGING: Tuesday, January 3, 1990, 9:00 a.m.

ARRIVAL

NO EARLIER THAN: 6:00 a.m., December 26, 1989
NO LATER THAN: 6:00 p.m., December 29, 1989

DEPARTURE

6:00 p.m., January 3, 1990.

Premium paid by Arizona National \$2,500.00
Premium paid by American Brahman Breeders Association 180.00
TOTAL PREMIUMS TO BE PAID \$2,800.00

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in Association sponsored shows. The registration certificate (or photocopy) for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.
3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies or earn points in the Association's Register of Renown.
4. No exhibitor shall be permitted to show more than two animals or two groups of animals in any one class provided, however, that an exhibitor may show a third animal in only one individual class for the sole purpose of qualifying and entering the get-of-sire class. (Third animal not eligible for premium money.)
5. Animals to be eligible to be shown in group classes must be entered and shown in individual classes and must be owned by the exhibitor.
6. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. **Include animal identification number (number brand) as a part of identification.** When entering the arena for judging, the handlers will line cattle up numerically in the same order.
7. Judges will be allowed to comment on placings in selected classes when conditions permit.
8. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Silicone or other injections for cosmetic purposes shall be prohibited. If to the satisfaction of the ABBA's staff, officers, executive committee or board of directors any animal has had its natural conformation and structure altered; then said animal shall be ruled ineligible to compete until such time the executive committee and owner/owners have reviewed the case.
9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
10. For females being shown in the three oldest classes (females calved Jan. 1 - Dec. 31, 1987), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian available for inspection by the judge on request. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. For bulls showing in the oldest class of spring and fall season, exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.
11. The two animals shown together for an entry in the produce-of-dam class must be owned by the exhibitor. Also, the two animals shown in the natural produce class must both be natural calves, but those shown in the embryo produce class may both be embryo calves or one embryo and one natural. The four animals shown together in the get-of-sire class must be from at least two different dams, all from one sire with both sexes represented and all owned by the exhibitor. All group classes may also be composed of animals that are owned by more than one breeder if those breeders are co-owners of the sire and dam.

OPEN CATTLE DIVISION

12. No more than one produce-of-dam entry will be permitted to show from one dam.
13. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The ring steward will make the judge aware of those cows whose calves are ineligible to show by this rule.
14. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
15. Breeders will not be eligible to judge cattle owned by their partners if the cattle are sired by or out of cows owned jointly with the judge and exhibitor.
16. Close family relations (mother-daughter, brother-sister, or father-son) will not be allowed to judge one another's cattle.
17. All other rules of this Show apply.

Dear Mr. Hadd:

On behalf of the Arizona National, thank you for your contribution of material and labor fly control on the grounds during the 1989 show.

We had another great show -- without all the pesky flies. In fact, we had a problem with flies that is amazing with all the flies for three, we haven't seen a fly on the grounds during the show.

With only a few short months until the 1990 show, December 26, 1989 - January 7, 1990, we are looking forward to Pristine Products solving what could be a tremendous pest problem.

Sincerely,
Tom Jones

ready to provide complete banking services, both personal and professional.

Today, ranching is a business. And when it comes to banking, we come to you. Your First Interstate banker is ready to see for yourself.

FEEDER STEER DIVISION

FEEDER STEER SHOW RULES AND REGULATIONS

JUDGE: Mr. Vernon Holcomb, Stanton, Texas
JUDGING: Thursday, December 28, 1989, 1:00 p.m.
AUCTION: Saturday, December 30, 1989, 10:00 a.m.

ARRIVAL

No earlier than: 6:00 a.m., Monday, December 26, 1989
No later than: 6:00 p.m., Tuesday, December 26, 1989

ENTRIES

1. All Feeder Steer entries are subject to all General Rules and Regulations, see page 21.
2. Entries in the Feeder Division will close at MIDNIGHT, DECEMBER 1, 1989, however, due to limited pen space, entries will be accepted on a FIRST COME, FIRST SERVE BASIS. Entries received after available pen space has been filled will be returned, along with the entry fee.
3. An entry card must be completed for each pen of three (3) feeders entered, and one entry card for each individual (up to three (3) individuals per entry). Breed description on each card.
4. All entries must be BRED, RAISED and EXHIBITED by the OWNER.
5. All animals in a pen must carry the same brand. No fresh branded, unpeeled or double branded steers will be accepted.
6. Three head, comprised of the same purebred or crossbred characteristics and up to three individuals that may have different characteristics make up a feeder pen entry.
7. Feeder steers are those commonly known on the market as feeders. They must be dehorned, castrated and halter broke.
8. Steers may be purebred, grade or crossbred and MUST enter the appropriate classes for the pen of three and three individuals. All other crossbreds will be entered in the appropriate Crossbred Class ONLY.
9. Steers may be mouthed to verify age.
10. Maximum average weight for pens of three steers is 700 pounds per steer. Maximum weight for individual steers is 700 pounds.
11. Minimum entry is a pen of three head with an option to enter up to three more in individual steers for a total of six steers per entry.

SIFTING

12. Steers will be sifted at the time of judging, by the judge, for type and quality.

CLASSING

13. Crossbred entries of an unusual genotype, or unusually deceptive phenotype, will be classed by the Feeder Steer Committee by taking into consideration:
 - a. The breed of the sire.
 - b. Ascertainable genotype as provided by the exhibitor.
 - c. Ascertainable phenotype shown by the steers.
14. The Feeder Steer Committee may switch classes prior to judging if the pen does not show breed characteristics for the class entered.

UNETHICAL FITTING

15. The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness, will be disqualified. **No color alteration will be allowed except hoof dressing.**

ALTERNATES

16. In the case of sickness of one of the steers entered in the pen of three (3), an alternate chosen from one of the individuals entered as part of the entry, may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Committee Chairman must be notified of the substitution at least two hours prior to Show time.

FEEDER STEER DIVISION

CLASSES

17. Classes will be divided into equitable weight divisions for each breed. The number of classes is dependent upon the number of entries in each breed. Pens of three (3) will be classed and individuals will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH-IN

18. Feeder steers will eartagged and weighed on **Wednesday, December 27, 1989** one time only. This weight will be used to class steers, and will be the OFFICIAL sale weight. There will be NO weigh-backs.

19. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question CANNOT leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.

20. Eartags MUST NOT be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.

21. All exhibitor eartags will be removed from steers when tagged by the Arizona National.

22. The livestock scale at Kurtz Pavilion will be available to Feeder Steer exhibitors on Tuesday, December 26, 1989. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **This is not an official weight.**

23. The three steers that make up the pen of three (3) must be identified at the time of eartagging. Other individuals making up the entry will be assumed to be in the individual section of the Feeder Steer show.

JUDGING

24. Judges will be instructed to discriminate against feeder steers which, in their opinion, are too fat to be profitable. The decision of the judges for the pens of three is to be made on the same basis as the cattle buyer would judge steers in purchasing them for commercial purposes. The decision of the judges for the individuals shown in hand is to be made on the basis for selection of prospective club calves.

25. There must be at least two first place winners in the Feeder Classes for a Championship Class, unless the entry is of Championship quality as determined by the judge.

AUCTION

26. ALL steers in the Feeder Steer Division will be sold at auction on **Saturday, December 30, 1989**. NO Private Treaty sales will be allowed.

27. All feeder steer pens of three (3) will be sold by choice lot, on a per head basis. All individuals will be sold, following the pens, on a per head basis.

28. All sales are final and binding.

29. A 5% commission (sale fee) will be deducted from the gross auction sale proceeds of each consignor.

30. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

BLOCKING CHUTES

31. Each exhibitor will be allowed up to three (3) blocking chutes at no additional charge.

ELECTRIC GENERATORS

32. **PORTABLE ELECTRIC GENERATORS** (OWNED, RENTED, BORROWED) OPERATED BY ANY ARIZONA NATIONAL LIVESTOCK SHOW EXHIBITOR MUST BE EQUIPPED WITH G.F.I. (GROUND FAULT INTERRUPTER) OUTLETS. Champion Premium offered by Arizona National	75.00
Class Premiums offered by the American Angus Association	.242.00
TOTAL PREMIUMS OFFERED	\$1,285.00

PARTICIPATION STATEMENT

1. The American Angus Association, 3201 Frederick Boulevard, St. Joseph, MO 64501, will pay 20% of the total premiums in individual classes offered for Junior Angus Heifers as included in its standard show classification where individual premiums amount to \$5 or more.
2. To be eligible for Association premiums heifer entries must be recorded in the sole name of the Junior exhibitor and the date of transfer or ownership must conform to the individual show's requirements. Association premiums will be mailed directly to the exhibitor from the American Angus Association's office. The Association's contribution is included in the total premiums listed in each class.
3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in Championship Classes.
4. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.
5. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.
6. Only one person at a time shall lead animals into the show ring.
7. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders, hemp, or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.
8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition".
9. BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and TRADITIONAL ANGUS BLOOD TYPE as covered under Association Rules Part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.
10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void.
11. All other rules of this Show apply.

This Premium List is based on rules of the current Rule Book; any changes or corrections of rules will automatically become a part of this Premium List. Each participant in this show is responsible for a knowledge of and is subject to the AHSA Rules. Questions not covered by AHSA Rules shall be decided by the Arizona National Show Committee and its decisions will be final.

2. Horses to be shown must be registered with The Arabian Horse Registry of America, Inc. and/or the Canadian Arabian Horse Registry or, if under one year of age, be eligible for registry and registration applied for and must be entered under their full registered name.

Half-Arabian horses will be allowed in the Half-Arabian classes only (except where otherwise specifically stated) and must be registered with the IAHA in the Half-Arabian and/or the Anglo-Arabian Registry or be eligible for registration and registration applied for, AND MUST BE ENTERED UNDER THEIR FULL REGISTERED NAME; sire or dam must be a purebred Arabian registered in the Arabian Horse Registry of America, Inc. and/or Canadian Arabian Horse Registry. The name and registration number of the purebred Arabian Parent must appear on the entry blank.

3. Photo copy of the registration papers of each horse entered must be submitted with the entry form.

4. Discipline - Exhibitors are warned that any act of discourtesy or disobedience to the officials on the part of the owner, groom, rider, driver or member of the family of the person participating in the show, will disqualify the horse from adjudication. The management reserves to itself the right to remove a groom, horse, rider or driver from the show without being liable for compensation or damages.

5. Dispute Not Covered By Rules - Should any question or dispute arise not provided for in the governing rules, the same shall be referred to the Arizona National Show Committee, whose decision will be final.

All horses, Halter, Performance, and Equitation will charged \$5.00 per horse to defray the expenses of testing. CAUTION: REFUSAL TO SUBMIT A HORSE FOR EXAMINATION, WHETHER IN COMPETITION OR NOT, AND TO CO-OPERATE WITH THE VETERINARIAN AND TECHNICIANS UNTIL THE URINE AND SALIVA SAMPLES HAVE BEEN TAKEN CONSTITUTES A VIOLATION AND SUBJECTS THE RESPONSIBLE PERSON TO THE PENALTIES UNDER THE RULES.
