WELCOME

JOHN FOWLER
PRESIDENT

Dear Exhibitor:

On behalf of the Board of Directors, Show Committee and members of the Arizona National, I wish to invite you to the 1992 show. We sincerely appreciate your participation in this Arizona tradition.

Our committee and staff have been working throughout the year to make the 45th annual Arizona National Livestock Show more exciting than ever.

It will be a fun-filled week for the entire family, with the best of all breeds competing for top honors.

We are proud to introduce new competition and events, such as the Holstein Show to the Jr. Division; Supreme Bull and Female Divisions to the Open Cattle; the breed show will be back in the Hog Division; two new breeds in the Open Sheep Show; and many special events to be announced.

We are looking forward to visiting with you in December.

Sincerely,

John Fowler
PRESIDENT

ANLS SCHOLARSHIP TRUST FUND

Educational grants are offered by the Arizona National Livestock Show, Inc. to students to encourage, serve and support youth who have demonstrated an interest in Agriculture.

The scholarships are available to students that have attended either an accredited University or Community College for the current academic year completing at least 12 semester hours; have maintained a minimum of 2.0 (C) grade point average; have participated in some manner in the Arizona National Livestock Show or have specific plans to participate in production of the next show, including events prior to and/or during the show; and be enrolled in a major University or Community College. By working together, the Arizona National and other organizations, can reach more youth and agriculture oriented individuals. For this reason, the Arizona National provides grants to both the Arizona FFA and Arizona 4-H, and the University of Arizona Livestock Judging Team.

The funds for these scholarships and grants are derived from the Arizona National membership funds and from contributions made to the newly established scholarship trust fund.

For further information, scholarship applications, or to make a contribution to the ANLS Scholarship Trust Fund, contact the Arizona National Livestock Show, 1826 W. McDowell Rd., Phoenix, Arizona 85007, (602)258-8568.

1. The American Angus Association, 3201 Frederick Boulevard, St. Joseph, MO 64506, will pay 25% of the total premiums offered for Open Class Angus Breeding Cattle where individual premiums amount to \$10.00 or more, not to exceed \$1,500.00. The Association's portion of premiums to be included in ANLS premium checks.

2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in Championship classes.

BRAHMAN SHOW

JUDGE: Mrs. Tammie Cawley, Bertram, Texas
JUDGING: Thursday, January 2, 1991, 1:00 p.m.

ARRIVAL

NO EARLIER THAN: 6:00 a.m., December 29, 1991
NO LATER THAN: 6:00 p.m., December 31, 1991

DEPARTURE

6:00 p.m., January 4, 1992

Premium paid by Arizona National	\$2,500.00
Premium paid by American Brahman Breeders Association	180.00
TOTAL PREMIUMS TO BE PAID	\$2,680.00

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in Association sponsored shows. The registration certificate (or photocopy) for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.

2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.

3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies or earn points in the Association's Register of Renown.

4. No exhibitor shall be permitted to show more than two animals or two groups of animals in any one class provided, however, that an exhibitor may show a third animal in only one individual class for the sole purpose of qualifying and entering the get-of-sire class. (Third animal not eligible for premium money.)

5. Animals to be eligible to be shown in group classes must be entered and shown in individual classes and must be owned by the exhibitor.

6. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. **Include animal identification number (number brand) as a part of identification.** When entering the arena for judging, the handlers will line cattle up numerically in the same order.

7. Judges will be allowed to comment on placings in selected classes when conditions permit.

8. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Silicone or other injections for cosmetic purposes shall be prohibited. If to the satisfaction of the ABBA's staff, officers, executive committee or board of directors any animal has had its natural conformation and structure altered; then said animal shall be ruled ineligible to compete until such time the executive committee and owner/owners have reviewed the case.

9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.

10. For females being shown in the three oldest classes (females calved Jan. 1 - Dec. 31, 1989), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian available for inspection by the judge on request. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. For bulls showing in the oldest class of spring and fall season, exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. This certificate must be available for inspection by the judge on request.

OPEN CATTLE DIVISION

11. The two animals shown together for an entry in the produce-of-dam class must be owned by the exhibitor. Also, the two animals shown in the natural produce class must both be natural calves, but those shown in the embryo produce class may both be embryo calves or one embryo and one natural. The four animals shown together in the get-of-sire class must be from at least two different dams, all from one sire with both sexes represented and all owned by the exhibitor. All group classes may also be composed of animals that are owned by more than one breeder if those breeders are co-owners of the sire and dam.

12. No more than one produce-of-dam entry will be permitted to show from one dam.

13. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The ring steward will make the judge aware of those cows whose calves are ineligible to show by this rule.

14. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.

15. Breeders will not be eligible to judge cattle owned by their partners if the cattle are sired by or out of cows owned jointly with the judge and exhibitor.

16. Close family relations (mother-daughter, brother-sister, or father-son) will not be allowed to judge one another's cattle.

17. All other rules of this Show apply.

You didn't learn about raising cattle sitting behind a desk.

Neither did First Interstate.

Ever since the invention of barbed wire, ranching has been becoming more and more specialized. Oh, the Marlboro man mystique is still there, but it's money management and the state of the market that can spell the difference between failure

and success.

To simplify ranching's complexities, you need expertise from your banker. At First Interstate, our people know as much about pastures as prime rates, and when you have a problem, it's their problem, too. They're always

ready to provide complete banking services, both personal and professional.

Today, ranching is a business. And when it comes to business banking, we come to you. Call your First Interstate banker today and see for yourself.

FEEDER STEER SHOW RULES AND REGULATIONS

JUDGE: Chris Skaggs, Ames, Iowa
JUDGING: Thursday, January 2, 1992, 1:30 p.m.
AUCTION: Saturday, January 4, 1992, 10:00 a.m.

ARRIVAL
No earlier than: 6:00 a.m., December 29, 1991
No later than: 10:00 a.m. December 31, 1991

DEPARTURE
6:00 p.m., January 5, 1992

ENTRIES

1. All Feeder Steer entries are subject to General Rules and Regulations, see page 22.
2. Entries in the Feeder Division will close at MIDNIGHT, DECEMBER 1, 1991, however, due to limited pen space, entries will be accepted on a first come, first served basis. Entries received after available pen space has been filled will be returned, along with the entry fee.
3. An entry card must be completed for each pen of three (3) feeders entered, and one entry card for each individual (up to three (3) individuals per entry). Breed description on each card.
4. All entries must be BRED, RAISED and EXHIBITED by the OWNER.
5. All animals in a pen must carry the same brand. No fresh branded, unpeeled or double branded steers will be accepted.
6. Three head, comprised of the same purebred or crossbred characteristics and up to three individuals that may have different characteristics make up a feeder pen entry.
7. Feeder steers are those commonly known on the market as feeders. They must be dehorned, castrated and halter broke.
8. Steers may be purebred, grade or crossbred and must enter the appropriate classes for the pen of three and three individuals. All other crossbreds will be entered in the appropriate Crossbred Class only.
9. Steers may be mouthed to verify age.
10. Maximum average weight for pens of three steers is 700 pounds per steer. Maximum weight for individual steers is 700 pounds.
11. Minimum entry is a pen of three head with an option to enter up to three more in individual steers for a total of six steers per entry.

SIFTING

12. Steers will be sifted at the time of judging, by the judge, for type and quality.
13. Feeder steers showing stagnation will not be permitted to sell.

CLASSING

14. Crossbred entries of an unusual genotype, or unusually deceptive phenotype, will be classed by the Feeder Steer Committee by taking into consideration:
 - a. The breed of the sire.
 - b. Ascertainable genotype as provided by the exhibitor.
 - c. Ascertainable phenotype shown by the steers.
15. The Feeder Steer Committee may switch classes prior to judging if the pen does not show breed characteristics for the class entered.

UNETHICAL FITTING

16. The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing, in the opinion of the judge, signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness, will be disqualified.

FEEDER STEER DIVISION

ALTERNATES

17. In the case of sickness of one of the steers entered in the pen of three (3), an alternate chosen from one of the individuals entered as part of the entry, may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Committee Chairman must be notified of the substitution at least two hours prior to Show time.

CLASSES

18. Classes will be divided into equitable weight divisions for each breed. The number of classes is dependent upon the number of entries in each breed. Pens of three (3) will be classed and individuals will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH-IN

19. Feeder steers will be eartagged and weighed at 3:00 p.m., Tuesday, December 31, 1991 one time only. This weight will be used to class steers, and will be the official sale weight. There will be no weigh-backs.
20. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.
21. Eartags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.
22. All exhibitor eartags will be removed from steers when tagged by the Arizona National.
23. The livestock scale at Agriculture Center will be available to Feeder Steer exhibitors on Monday, December 30, 1991. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **This is not an official weight.**
24. The three steers that make up the pen of three (3) must be identified at the time of eartagging. Other individuals making up the entry will be assumed to be in the individual section of the Feeder Steer show.

JUDGING

25. Judges will be instructed to discriminate against feeder steers which, in their opinion, are too fat to be profitable. The decision of the judges for the pens of three is to be made on the same basis as the cattle buyer would judge steers in purchasing them for commercial purposes. The decision of the judges for the individuals shown in hand is to be made on the basis for selection of prospective club calves.
26. There must be at least two first place winners in the Feeder Classes for a Championship Class, unless the entry is of Championship quality as determined by the judge.

AUCTION

27. ALL steers in the Feeder Steer Division will be sold at auction on Saturday, January 4, 1992. NO Private Treaty sales will be allowed.
28. All feeder steer pens of three (3) will be sold by choice lot, on a per head basis. All individuals will be sold, following the pens, on a per head basis.
29. All sales are final and binding.
30. A 5% commission (sale fee) will be deducted from the gross auction sale proceeds of each consignor.
31. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

BLOCKING CHUTES

32. Each exhibitor will be allowed up to three (3) blocking chutes. Blocking chutes must be registered with the Office and have an ANLS sticker attached. The stickers may be purchased for a fee of \$20.00 each. Fees must accompany entry forms.

The amount deducted from the Junior Market Sale proceeds check will be that amount determined by subtracting the docked carcass value from the rail carcass value being paid by the packer for non-docked carcasses of like animals sold through the Arizona National Junior Market Sale.

1. The American Angus Association, 3201 Frederick Boulevard, St. Joseph, MO 64506, will pay 20% of the total premiums in individual classes offered for Jr. Angus Heifers as included in its standard show classification where individual premiums amount to \$5 or more.
2. To be eligible for Association premiums heifer entries must be recorded in the sole name of the Junior exhibitor and the date of transfer or ownership must conform to the individual show's requirements. Association premiums will be mailed directly to the exhibitor from the American Angus Association's office. The Association's contribution is included in the total premiums listed in each class.

3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in Championship Classes.

4. Exhibitors must have the original registration certificate on each animal available for inspection at the Show.

5. Any animal not having a legible tattoo is ineligible to compete and will be barred from showing.

6. Only one person at a time shall lead animals into the show ring.

7. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders, hemp, or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

8. For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition".

9. BLOOD TYPING FOR PARENTAGE VERIFICATION. Under the Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and BLOOD TYPE as covered under Association Rules Part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.

10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herdbook, and the registration certificate becomes null and void.

11. All other rules of this Show apply.

NOSE PRINT TECHNIQUE

NOSE PRINT TECHNIQUE:

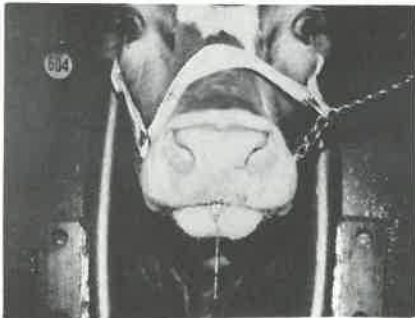

The technique described below was developed by Dr. T. D. "Dusty" Rich and Dr. Tom Randolph, DVM at Oklahoma State University, Stillwater, Okla.

The equipment and materials needed for noseprinting are:

1. Terry cloth towels.
2. Stamp pad. The regular office supply 3" x 4½" felt pad is adequate. Use a black, fast drying stamp pad ink.
3. Head gate or squeeze chute.
4. Index cards, 3" x 5", non-lined, standard grade. A slick-finished card or paper will produce a smeared print. (Nomination cards are furnished with this nomination book.)
5. A ¼" x 3" x 5" wood block or some solid backing support for the card.

It is suggested that Nose Printing technique be done on practice cards on a trial basis before imprinting the official Nomination Card.

The procedure for taking a nose print is outlined below.

1. Place the animal in a head gate.

2. Stand to the side of the steer's head and with your arm, reach over and around the neck in order to restrain the head.

NOTE: YOUR NOMINATION WILL NOT BE ACCEPTED BY THE ARIZONA NATIONAL UNLESS:

1. ALL SIGNATURES ON NOMINATION CARD ARE COMPLETE & VALID.
2. NOSE PRINT IS CLEAR AND READABLE.
3. PHOTO IS SHARP AND CLEAR IDENTIFYING THE NOMINATED STEER AND EXHIBITOR.
4. ALL INFORMATION ON NOMINATION CARD IS COMPLETE.

We are looking forward to visiting with you in December.

ANLS SCHOLARSHIP TRUST FUND

Educational grants are offered by the Arizona National Livestock Show, Inc. to students to encourage, serve and support youth who have demonstrated an interest in Agriculture.

The scholarships are available to students that have attended either an accredited University or Community College for the current academic year completing at least 12 semester hours; have maintained a minimum of 2.0 (C) grade point average; have participated in some manner in the Arizona National Livestock Show or have specific plans to participate in production of the next show, including events prior to and/or during the show; and be enrolled in a major University or Community College. By working together, the Arizona National and other organizations, can reach more youth and agriculture oriented individuals. For this reason, the Arizona National provides grants to both the Arizona FFA and Arizona 4-H, and the University of Arizona Livestock Judging Team.

The funds for these scholarships and grants are derived from the Arizona National membership funds and from contributions made to the newly established scholarship trust fund.

For further information, scholarship applications, or to make a contribution to the ANLS Scholarship Trust Fund, contact the Arizona National Livestock Show, 1826 W. McDowell Rd., Phoenix, Arizona 85007, (602)258-8568.

24. In-state exhibitors must have valid ownership/hauling permit. Such permit may be checked on the grounds by State brand inspectors.

GENERAL RULES AND REGULATIONS

PREMIUMS AND RIBBONS

25. Premiums and ribbons will be awarded as indicated in the premium list. See specific divisions.

26. Premium prize money will be paid by check made out in the name of the owner as listed on the entry forms, and will be mailed as soon as possible following the close of the Show. Checks not cashed within sixty (60) days of the date of issue will be void.

27. Your premium check will be made payable to the name shown as owner so please provide us with the number for that name. If more than one name is shown, we must have all ID numbers (except husband and wife filing joint returns). Minors must also provide their social security number if the check is to be made payable to them.

JUDGES

28. Judges are selected with great care. Much consideration is given to reputation and ability. Judges may be asked to give reasons for their placings. Stock Shows are part of an educational process, and judging is part of the plan to inform livestock producers.

29. Judges' decisions are final in all cases. In cases where fraud, misrepresentation, error or collusion is discovered after awards have been given, the Show Management, or such referee as may be appointed, may make a decision regarding final placement.

CONDUCT

30. Any exhibitor attempting to interfere with the judges in any way, or who publicly expresses disapproval, in the arena or on the grounds, of the decision of the judges, or who by act of influence shall be guilty of conduct unbecoming an exhibitor, SHALL forfeit premiums and SHALL be excluded from further competition, and may have appropriate charges filed against them.

Exhibitor's respect and consideration of office and grounds personnel, as well as other exhibitors is appreciated.

ATTIRE

31. Riders must be correctly and properly attired when entering the Show ring, and must be properly displaying entry number worn on the back of the exhibitor. Attendants must be suitably and neatly dressed if it is necessary for them to enter the Show ring. The Management may bar, at its discretion, any person from entering the ring if not suitably attired.

32. Riders in all classes where jumping is required and when jumping anywhere on the show grounds must wear protective headgear. (Exception: Trial classes.) A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitable presented to appear before an audience.

All juniors riding in Hunter, Jumper and Hunter Seat Equitation sections must wear properly fitting protective headgear while riding in the designated schooling and exercise areas, the show ring and while jumping anywhere on the competition grounds. Harnesses must be secured and properly fitted. Any rider violation this rule at anytime must immediately be prohibited from further riding until such headgear is properly in place.

The AHSA strongly encourages all riders to wear protective headgear passing or surpassing current applicable ASTM (American Society for Testing and Materials) standards with harness secured while riding anywhere on the competition grounds. It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the AHSA, Show Committees, and Licensed Officials are not responsible for checking headgear worn for such compliance.

AHSA makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.
