*Capture true western lifestyle  
with the best of  
Bill Owen, Cowboy Artist*

Bill Owen, born and raised in Arizona, exemplifies the working cowboy of the American West in all aspects of life. Owen expresses his devotion to the Western lifestyle through his traditional artwork.

In 1973, Owen was elected a member in the prestigious Cowboy Artists of America. This honor signifies the quality of his work and his dedication to the preservation of Western heritage in the style of the old masters, C.M. Russell and Fredric Remington.

Throughout his 18 years of membership in the Cowboy Artists of America, Owen has won 18 gold and silver medals for drawing, sculpting, and oil painting. Although Owen was elected into the National Academy of Western Art at the Cowboy Hall of Fame in June of 1991, he has maintained his appreciation of the simple, honest life of a cowboy where a man's word is his bond.

The Arizona National Livestock Show commissioned Bill Owen to produce an exclusive annual series of commemorative artwork.

"American Bred Brahman," "The Hereford" and "Reluctant" truly depict Western lifestyle on the ranch. The prints are signed, numbered, limited editions, measure 18" by 24" and are ready for framing.

**GREETINGS!**

On behalf of the State of Arizona, I would like to invite you to participate in the 47th Annual Arizona National Livestock Show. You'll join with hundreds of other exhibitors and spectators from all across Arizona and surrounding states to witness premiere livestock and take part in the fabulous array of events.

The Arizona National Livestock Show highlights the excellence and success of the livestock and agriculture industries. Arizona is proud to host this prestigious event.

Bring your family and friends to one of the most exciting winter shows offered. Then, after the show, I hope you will have the opportunity to enjoy the rich culture and warm hospitality our State has to offer.

Sincerely,

Fife Symington  
GOVERNOR

WELCOME

**GRANT BOICE**  
PRESIDENT

Dear Exhibitors:

The Board of Directors, Show Committee and members of the Arizona National Livestock Show invite you to participate in our 47th Annual Show.

The Arizona National Livestock Show provides a competitive arena for exhibitors and an entertaining, educational spectacle for audiences.

The traditions and importance of the livestock industry are understood by fewer and fewer of our Country's increasingly urban population. Therefore, this Show is an important opportunity to let the public know who we are and what we do.

We welcome our many out-of-state exhibitors and encourage them to spread the word about the quality and hospitality at the Arizona National.

The young people exhibiting at the Show are the future of our industry. The Arizona National is pleased to provide an occasion for them to demonstrate their achievements.

We look forward to meeting and sharing with you at this year's Show.

Sincerely,

Grant Boice  
PRESIDENT

NO LATER THAN: 6:00 p.m. December 29, 1993

**DEPARTURE**

Class Premium offered by Arizona National . . . . . \$4,500.00  
Class Premium offered by American Angus Association . . . . . 1,500.00  
TOTAL PREMIUM . . . . . \$6,000.00

1. The American Angus Association (3201 Frederick Boulevard, St. Joseph, MO 64501) pays 25 percent of the total premiums offered for Open Class Angus Breeding Cattle to a maximum of \$1,500.00.

2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.

3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to ensure receipt of the Association's portion of premiums.

4. The original registration certificate on each animal must be available for inspection at the Show.

5. Animals must have legible tattoos to compete.

6. Only one person at a time will lead animals into the show ring.

7. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

8. To be eligible for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition."

9. **Blood typing for parentage verification.** Under Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both **accuracy of parentage and blood type** as covered under Association Rules Part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.

10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, that the Association determine the actual parent. Failure to determine the sire and dam makes the animal eligible for the Angus Herdbook, and the registration certificate becomes null and void.

11. All other rules of this show apply.

No later than: 6:00 p.m. December 28, 1993

### DEPARTURE

6:00 p.m., January 2, 1994

ALL FEEDER STEER ENTRIES ARE SUBJECT TO GENERAL  
RULES/REGULATIONS, PLEASE READ CAREFULLY.

### ENTRY FEES

FEEDER STEERS - \$35.00 per entry

1. An entry consists of a minimum of three head pen and up to three additional individual steers.

### ENTRIES

2. Entries in the Feeder Division close at MIDNIGHT, DECEMBER 1; however, due to limited pen space, entries are accepted on a first-come-first-served basis. Entries and fees received after pen space is filled will be returned.

3. Use the Open Cattle Show entry form provided in the back of this book. Indicate the breed for each entry.

4. All entries must be BRED, RAISED and EXHIBITED by the OWNER.

5. All animals in a pen must carry the same brand. No fresh branded, unpeeled or double branded steers are accepted.

6. Feeder pen entries are three individuals that may display all purebred, all crossbreed or all different characteristics.

7. Feeder steers are those commonly known on the market as feeders. They must be dehorned, castrated and halter broken.

8. Steers may be purebred, crossbred or grade and must enter the appropriate classes.

9. Steers may be mouthed to verify age.

10. Maximum average weight for the pen of three steers is 700 pounds per steer.

11. Maximum weight for individual steers is 700 pounds.

12. Minimum entry is a pen of three with an option to enter up to three individual steers for a total of six steers per exhibitor.

### SIFTING

13. The judge sifts the steers for type and quality at the time of judging.

14. Feeder steers showing stagnation will not be sold.

### CLASSING

15. Crossbred entries of an unusual genotype or unusually deceptive phenotype are classed by the Feeder Steer Committee taking into consideration:

a. The breed of the sire.

b. Ascertainable genotype as provided by the exhibitor.

c. Ascertainable phenotype shown by the steers.

16. The Feeder Steer Committee may switch entries prior to judging if the pen does not display breed characteristics.

### ALTERNATES

17. In the case of sickness of one of the steers entered in the pen of three, an alternate chosen from one of the individuals entered as part of the entry, may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Committee Chairman must be notified of the substitution at least two hours prior to Show time.

## FEEDER STEER DIVISION

### CLASSES

18. Classes will be divided into equitable weight divisions for each breed. The number of classes depends on entries in each breed. Pen of three and individuals will be divided and classed by a committee comprised of the Vice-president of Agriculture, Open Cattle Superintendent and the Junior Cattle Superintendent.

### EARTAG & WEIGH-IN

19. Feeder steers will be eartagged and weighed only once -- 2:00 p.m. Wednesday, December 29. This weight will be used to class steers and will be the official sale weight. There will be no weigh-backs.

20. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.

21. Eartags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.

22. All previous eartags will be removed from steers when eartagged by the Arizona National.

23. The livestock scale at the Agriculture Center is available to Feeder Steer exhibitors Tuesday, December 28. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **Weights taken at this time are NOT official.**

24. The steers making up the pen of three must be identified when eartagged. Other steers are assumed to be in the individual section of the Feeder Steer Show.

### JUDGING

25. Judges are instructed to discriminate against feeder steers considered too fat to be profitable. For the pen of three, judges use the same criteria that a cattle buyer would when purchasing steers for commercial purposes. The decision of the judges for the individuals shown in hand is to be made on the basis of selecting prospective club calves.

26. There must be at least two first place winners in the Feeder Classes to hold a Championship Class, the judge deems another entry of championship quality.

### AUCTION

27. ALL steers in the Feeder Steer Division are sold at auction - 10:00 a.m. Saturday, January 1. NO Private Treaty sales will be allowed.

28. Pen of three cattle are sold by choice lot, on a per head basis. All individuals are sold on a per head basis following the pens.

29. All sales are final and binding.

30. A 5% commission (sale fee) is deducted from the gross auction sale proceeds of each consignor.

31. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

10. Check specific divisions for check-in deadline times.

## JUNIOR DIVISION

### EARTAGGING

11. The Arizona National eartag is the official entry number. Show officials must be notified immediately if any animal loses it's eartag.
12. All junior animals are officially consigned to the Arizona National when they are eartagged and cannot be withdrawn.

### WEIGHING

14. Excessive shrinkage will not be tolerated. Any abuse will be grounds for disqualification.
15. **Exhibitor must bring their own animal to the scale.**
16. Each animal is weighed only once before judging. This weight is the official sale weight and will be used for classing.
17. There will be no weigh-backs. If questions arise about an animal's weight, that animal will be taken off the scale, the scale checked and balanced, and the animal reweighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight is assumed correct.
18. Blankets will not be allowed on animals during weigh-in.

### WEIGH-BACK AFTER JUDGING

### UNETHICAL PRACTICES

See unethical fitting in General Rules and Regulations.

### DISQUALIFICATION

27. No Exhibitor is eligible to compete or win premiums if he/she has been disqualified from any American Livestock Show and Rodeo Managers' Association show.

28. Division Committees may sift hogs, lambs and steers at any time for inferior quality and excessive shrinkage, even though the animal made the weight. Animals considered uncontrollable will be sifted immediately by that Division's Committees.

29. At the time of judging, animals may be sifted by the judge for type, quality and finish. The judge's decision will be final.

30. No animal bearing graffiti of any kind will be allowed in the sale or show ring.

### SALE OF ANIMALS

31. Grand Champion and Reserve Grand Champion of each species must be sold at the Arizona National Auction, which is a terminal sale. **Junior market steer, market lamb and market hog exhibitors can sell a total of one (1) market animal in the Arizona National Junior Market Auction.** Exhibitors with more than one eligible animal must check with the division superintendent by 6:00 p.m. Thursday December 30, to declare which animal will be sold. If a Junior Exhibitor does not declare which animal he/she wishes to sell in the auction, no animal will not be sold at auction.

**EXCEPTION:** Grand & Reserve Grand Champion animals as stated above. Specific species sale rules will apply. Junior Carcass Hog exhibitors are not subject to the above limitation on the number of animals sold.

32. Only "sale" ribboned animals are eligible for the Market Auction. Exhibitor showing two (2) ribboned animals in only one (1) species must notify the division superintendent which animal will be sold. Junior sheep and hog exhibitors are required to sell the highest placing lamb or hog.

33. Junior exhibitors are not paid for animals sold at the Auction until all debts to the Arizona National incurred by immediate family members, i.e., spouse, father, mother, sister(s), brother(s) and grandparents(s) have been paid in full.

34. Consignors to the Junior Market Sale will receive their checks by mail as soon as possible following the Show.

35. See specific divisions for detailed sale rules.

### DOCKAGE

36 Any dockage taken by the packer on carcasses of animals sold through the Arizona National Junior Market Sale will be deducted from the exhibitor's sales proceeds, if the dockage is a result of the animal's condition when sold and not due to unusual shipping losses. The amount deducted from the Junior Market Sale proceeds check is calculated by subtracting the docked carcass value from the rail carcass value for like animals sold through the Arizona National Junior Market Sale.

## JUNIOR DIVISION

### DRESS CODE

37. In the show ring and during auctions, Junior Exhibitors are required to wear appropriate attire (SEE THE BACK OF THE ENTRY FORM), which is neat and clean. Remember, you are representing not only your club or chapter, but also youth in agriculture.

### SHOW NUMBERS

### HEALTH CERTIFICATE AND PERMITS

### USDA WHOLESOME MEAT ACT

42. The USDA Wholesome Meat Act applies to all slaughter animals at this show. The Act requires the following:

Antibiotic and Sulfonamides have required withdrawal periods.

Drug label directions must be followed.

If drug or chemical residues are found in carcass tissue, and the carcass is condemned, the exhibitor will forfeit all premium monies and sale proceeds from that animal.

**Please consult your project leader if you do not understand this statement.**

Permits are obtained from the Animal Disease Control Division of the Arizona Livestock Sanitary Board at (602) 542-4293 during office hours.

**U.S.D.A. health regulations require that any market animals dipped in toxaphene must go through a 28 day holding period and those treated with Ivermectin must be held 35 days before they can be slaughtered. It is important that exhibitors state the type of chemical used if animals must be dipped prior to leaving their point of origin.**

**CO-RAL is an U.S.D.A. approved dipping agent that does not require a holding period before slaughter. It is recommended that exhibitors use CO-RAL to dip market animals before the Arizona National.**

## JUNIOR HEIFER SHOW

1. The American Angus Association (3201 Frederick Boulevard, St. Joseph, MO 64501) pays 20% of the total premiums in individual classes offered for Jr. Angus Heifers as included in its standard show classification where individual premiums amount to \$5 or more.

2. To be eligible for Association premiums, heifers must be recorded in the sole name of the Junior exhibitor and the date of transfer or ownership must conform to the individual show's requirements. Association premiums will be mailed directly to the exhibitor from the American Angus Association's office. The Association's contribution is included in the total premiums listed in each class.

3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage of premiums offered in Championship Classes.

4. Original registration certificates must be available for inspection at check-in.

5. Animals must have legible tattoos to compete.

6. Only one person at a time will lead animals into the show ring.

7. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes graphite, powders, hemp, or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

8. To be eligible for premium monies contributed by the American Angus Association, the exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition."

9. Under Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both ACCURACY OF PARENTAGE and BLOOD TYPE as covered under Association Rules Part 3, Section II, Rule 2(F). American Angus Association staff must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.

10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, that the Association determine the actual parent. Failure to determine the sire and dam disqualifies the animal from the Angus Herdbook, and the registration certificate becomes null and void.

11. All other rules of this Show apply.
