WELCOME

Grant Boice
ANLS President

Dear Exhibitors,

On behalf of the Board of Directors, Officers and Show Committee, I am pleased to extend our invitation for you to participate in this year's 48th Annual Arizona National Livestock Show. Not only will you enjoy the best of winter weather, but an opportunity to exhibit your livestock, competing with some of the finest people and the best quality animals in the country.

Over the past 48 years, the Arizona National has grown to include something for everyone. We are proud of all aspects of the Show from the junior cattle, sheep, hogs and horse shows to the Cowboy Classics western artist gallery. Our breeding cattle and sheep shows offer true national competition with some of the best breeding stock in the country.

Be sure not to miss out on all we offer and we sincerely hope you will join us in Phoenix for this year's Arizona National.

Sincerely,

Grant Boice
ANLS President

WELCOME

Gerri Craig
Show Director

Dear Exhibitors,

The Arizona National extends to you a special invitation to exhibit your livestock at the 48th Annual Arizona National Livestock Show.

Family involvement has been the foundation of this Show and we are continuing to stress family events such as Arizona's Family Senior Pro Rodeo, the Li'l Buckaroo Rodeo, the antique tractor pull, Cowboy Classics and many other special events planned to entertain all ages.

Changes have been made to the 1995 scheduling in an effort to accommodate both the junior and open exhibitors. Additionally, this schedule should help to get more of the general public on the grounds. This will help us meet our goal of informing and educating the general public about the importance of agriculture.

We are looking forward to seeing each one of you at the Show!

Sincerely,

Gerri Craig
Show Director

ANGUS SHOW *Roll of Victory Point Show*

JUDGE: Clint Rusk, Colorado State University, Colorado

JUDGING: 9 a.m., Saturday, January 7, 1995

SUPERINTENDENT: Galyn Knight

ARRIVAL: No earlier than Noon, Sunday, January 1, 1995

Check-in deadline is 6 p.m., Wednesday, January 4, 1995

DEPARTURE: 6 p.m., Saturday, January 7, 1995

Class Premium offered by Arizona National	\$4,500.00
Class Premium offered by American Angus Association	\$1,500.00
TOTAL PREMIUM	\$6,000.00

1. The American Angus Association (3201 Frederick Boulevard, St. Joseph, MO 64501) pays 25 percent of the total premiums offered for Open Class Angus Breeding Cattle to a maximum of \$1,500.
2. A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.
3. Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to ensure receipt of the Association's portion of premiums.
4. The original registration certificate on each animal must be available for inspection at the Show.
5. Animals must have legible tattoos to compete.
6. Only one person at a time will lead animals into the show ring.
7. Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

OPEN CATTLE DIVISION

8. To be eligible for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition."
9. **Blood typing for parentage verification.** Under Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both **accuracy of parentage and blood type** as covered under Association Rules Part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.
10. If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, that the Association determine the actual parent. Failure to determine the sire and dam makes the animal eligible for the Angus Herdbook, and the registration certificate becomes null and void.
11. All other rules of this show apply.

You didn't learn about raising cattle sitting behind a desk.

Neither did First Interstate.

Ever since the invention of barbed wire, ranching has been becoming more and more specialized. Oh, the Marlboro man mystique is still there, but it's money management and the state of the market that can spell the difference between failure

and success.

To simplify ranching's complexities, you need expertise from your banker. At First Interstate, our people know as much about pastures as prime rates, and when you have a problem, it's their problem, too. They're always

ready to provide complete banking services, both personal and professional.

Today, ranching is a business. And when it comes to business banking, we come to you. Call your First Interstate banker to-day and see for yourself.

**ALL FEEDER STEER ENTRIES ARE SUBJECT TO GENERAL RULES & REGULATIONS.
PLEASE READ THEM CAREFULLY.**

ENTRIES

1. Entry fees are \$35.00 per entry.
2. Minimum entry is a **pen of three**, with an option to enter up to three **individual steers** for a total of six steers per entry.
3. Maximum average weight for the **pen of three steers** is 700 pounds per steer.
4. Maximum weight for **individual steers** is 700 pounds.
5. Entries in the Feeder Steer Division must be postmarked on or before **DECEMBER 1**. However, due to limited pen space, entries are accepted on a first-come-first-serve basis. Entries and fees received after pen space is filled will be returned.
6. Use the Feeder Steer entry form provided in the back of this book. Indicate the breed for each entry.
7. All animals in a pen must carry the same brand, if branded.
8. Steers must be dehorned, castrated and halter broke.
9. Steers may be purebred, crossbred or grade and must enter the appropriate classes.
10. Steers may be mouthed to verify age.
11. All Feeder Steers must be stalled in the designated area during the entire Show.

SIFTING

12. The Sale Order is determined by the judge's placing of the steers.
13. Feeder steers showing stagnation will be sifted.

CLASSING

14. Crossbred entries of an unusual genotype or unusually deceptive phenotype are classed by the Feeder Steer Committee taking into consideration:
 - a. The breed of the sire.
 - b. Ascertainable genotype as provided by the exhibitor.
 - c. Ascertainable phenotype shown by the steers.
15. The Feeder Steer Committee may switch entries prior to judging if the pen does not display breed characteristics.

ALTERNATES

16. In the case of sickness of one of the steers entered in the **pen of three**, an alternate chosen from one of the **individuals** entered as part of the entry, may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Committee Chairman must be notified of the substitution at least two hours prior to Show time.

FEEDER STEER DIVISION

CLASSES

17. Classes will be divided into equitable weight divisions for each breed. The number of classes depends on entries in each breed. **Pen of three** and **individuals** will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH-IN

18. Feeder steers will be eartagged and weighed only once. This weight is used to class steers. There will be no weigh-backs.
19. If a question arises over the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal re weighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.
20. Eartags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.
21. All previous eartags will be removed from steers when eartagged by the Arizona National.
22. The livestock scale at the Agriculture Center is available to Feeder Steer exhibitors one day prior to the official weigh-in. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **Weights taken at this time are NOT official.**
23. The steers making up the **pen of three** must be identified when eartagged. Other steers are assumed to be in the **individual** section of the Feeder Steer Show.

JUDGING

24. Judges are instructed to discriminate against feeder steers considered too fat to be profitable. For the pen of three, judges use the same criteria that a cattle buyer would when purchasing steers for commercial purposes. The decision of the judges for the individuals shown in hand is to be made on the basis of selecting prospective club calves.
25. There must be at least two first place winners in the Feeder Classes to hold a Championship Class, the judge deems another entry of championship quality.

AUCTION

26. ALL steers in the Feeder Steer Division are sold at auction. NO Private Treaty sales will be allowed.
27. Pen of three cattle are sold by choice lot, on a per head basis. All individuals are sold on a per head basis following the pens,
28. All sales are final and binding.
29. A 7 percent commission is deducted from the sale proceeds. Two percent of this commission goes into the Arizona National Scholarship Trust Fund.
30. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

JUNIOR DIVISION

JUNIOR MARKET AUCTION

SALE TIME: 6 p.m., Wednesday, January 4, 1995

SALE OF ANIMALS

1. The Junior Market Auction is a TERMINAL Sale.
2. Grand Champion and Reserve Champion of each species must be sold at the Arizona National Junior Market Auction. Only high placing animals are eligible for the Auction. **Junior market steer, market lamb and market hog exhibitors may sell one (1) market animal in the Arizona National Junior Market Auction.** Hog and Sheep Exhibitors with two ribboned animals in one species must sell the highest placed animal.
3. The animals eligible for the Auction are selected in proportion to the numbers entered in their division's classes to a maximum of 50 animals in each species. With the exception of Grand Champions and Reserve Champions, exhibitors have the option of either selling their animals at the Auction or taking their animals home. Exhibitors must notify the Junior Steer, Hog or Lamb Superintendent of the specific animal(s) to be withdrawn from the Auction by the deadline set for that division. Withdrawal forms are in your packet and can also be picked up at the Arizona National Office.
4. All animals designated for sale must sell in the Auction and go directly to slaughter.
5. If an exhibitor declares an animal for sale and does not sell their animal at the Auction, the exhibitor will be barred from future Arizona National Livestock Shows.
6. Auction sale order will be at the discretion of the Junior Committees and approved by the Show Committee.
7. A 7 percent commission is deducted from the exhibitor's sale proceeds for animals sold through the Auction.
8. Animals shown but not selected for the Auction, can be sold at a resale price established for the Auction, with approval of the Sale Committee. A 5 percent commission is deducted from the exhibitor's sale proceeds for animals sold in this group.
9. Junior Exhibitors are not paid for animals sold at the Auction until all debts to the Arizona National incurred by immediate family members, i.e. spouse, father, mother, sister(s), brother(s) and grandparent(s) are paid in full.
10. Any dockage taken by the packer on carcasses of animals sold through the Arizona National Junior Market Sale will be deducted from the exhibitor's sales proceeds, if the dockage is a result of the animal's condition when sold and not due to unusual shipping losses. The amount deducted from the Junior Market Sale proceeds check is calculated by subtracting the docked carcass value from the rail carcass value for like animals sold through the Arizona National Junior Market Sale.
11. If any animal is condemned at slaughter for any reason, the exhibitor will not receive payment for the animal and must accept the consequences without recourse against the Arizona National Livestock Show.
12. No "For Sale" signs are permitted on Junior Animals. No private treaty sales are allowed.

USDA WHOLESOME MEAT ACT

13. The USDA Wholesome Meat Act applies to all slaughter animals at this show. The Act requires the following:

Antibiotic and Sulfonamides have required withdrawal periods.

Drug label directions must be followed.

If drug or chemical residues are found in carcass tissue, and the carcass is condemned, the exhibitor will reimburse the Arizona National all premium moneys and forfeit sale proceeds from that animal.

JUNIOR DIVISION

Please consult your project leader if you do not understand any of these statements.

U.S.D.A. health regulations require that any market animals dipped in toxaphene must go through a 28 day holding period and those treated with ivermectin must be held 35 days before they can be slaughtered. It is important that exhibitors state the type of chemical used if animals must be dipped prior to leaving their point of origin.

CO-RAL is an U.S.D.A. approved dipping agent that does not require a holding period before slaughter. It is recommended that exhibitors use CO-RAL to dip market animals before the Arizona National.

NOTICE TO ALL MARKET & CARCASS ANIMAL EXHIBITORS

14. Exhibitors at the Arizona National are required to adhere to all pharmaceutical and biological products and U.S.D.A. health regulation and withdrawal dates. Exhibitors not adhering to these dates will have their entry revoked. Market animals must be removed from the Arizona National grounds within 24 hours after being notified.

IVERMECTIN WARNING!!!

THE ARIZONA NATIONAL WILL NOT ACCEPT MARKET OR CARCASS ANIMALS FOR SHOW THAT HAVE BEEN TREATED WITH IVERMECTIN AFTER NOVEMBER 23, 1994. NO EXCEPTIONS!!

The 48th Annual

**Arizona
National
Livestock Show**

Dec. 30, 1994 - Jan. 8, 1995

**Arizona State Fairgrounds
19th Ave. & McDowell**

A Family Tradition . . . Worth Passing On

The Arizona National Livestock Show may be Arizona's best kept secret, but it has always been a family tradition. For the 50,000 people attending the show each year, it's more than horses, cattle, sheep and hogs. The Livestock Show offers horticulture displays, Western art and poetry exhibits, rodeos – for young and old, a children's barnyard, a trade show, and of course, some of the best livestock in the country.

For 47 years, the Arizona National has produced a livestock show with **FREE** admission and parking, in an effort to educate the public on the values of agriculture.

Proceeds from the show go into a scholarship fund that awards over \$20,000 annually to students attending either an accredited University or Community College.

The 48th Annual Arizona National Livestock Show takes place on the State Fairgrounds at 19th Avenue and McDowell in Phoenix. Show dates are December 30, 1994 through January 8, 1995.

For more information please call the Arizona National Office at (602) 258-8568. Come on down and be a part of "our family!"

Li'l Buckaroo Rodeo

The Li'l Buckaroo Rodeo is one of the biggest crowd pleasers at the Arizona National. The rodeo allows little cowboys and cowgirls ages four to six to try their hands at staying atop some ornery sheep for five grueling seconds.

Little buckaroos can enter beginning Monday, January 2 until noon on Wednesday, January 4, 1995 at the sheep barn. There is a \$5.00 non-refundable entry fee.

Cowboy Classics Western Arts & Gear Show

The Arizona National's Cowboy Classics is a festival celebration of traditional western culture and lifestyle through poetry, music, art, crafts, workshops and demonstrations.

Cowboy Classics also presents cowboy and cowgirl poets and musicians of today. Their poems and songs reflect their deep knowledge and understanding of the joys, concerns, problems and pleasures of Western life.

The contemporary Western arts and gear show features some of the finest artists and craftsmen working in their field.

For those who want to do more than look and listen, there will be a hands on workshop of horsehair hitching and demonstrations in silver engraving and leather tooling.

Livestock Show

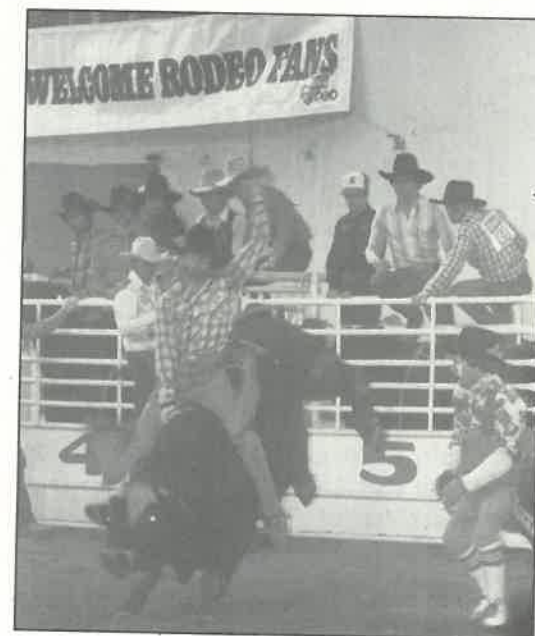

The traditional livestock judging and horse shows are the mainstay of the Arizona National. Exhibitors compete for ribbons, banners, monetary rewards and the highest honor of receiving the title of Grand Champion.

Exhibitors, young and old, spend the year prior to the show preparing their animals for exhibition. Spectators can enjoy the judging and display of all animals and learn about the qualifications of a champion.

Arizona's Family Senior Pro Rodeo

The Arizona's Family Senior Pro Rodeo, twice voted Rodeo of the Year by the National Old Timers Rodeo Association, provides quality rodeo excitement with more than 600 performers from across the United States.

Performers, 40 to 80 years old, compete in bareback riding, saddle bronc riding, bull riding, steer wrestling, calf roping, ribbon roping and barrel racing.

Chili Cook-Off

Try Arizona's best chili at the Great Chili Challenge held each year at the Arizona National Livestock Show.

Participants prepare a batch of home-made chili while competing for prizes in two categories: cooking and showmanship.

Cooks have four hours to prepare their chili. Chili must be made from scratch with beef as the principal meat.

Showmanship is judged on theme, costume, booth decor, action and audience appeal.

All chili is made available to the audience.

Landscape Expo

The Landscape Expo is a one-stop educational opportunity where spectators can acquaint themselves with vegetation that is well suited for the southwest climate.

The exhibit is filled with plants and trees that have low water needs and provide maximum energy benefits.
