GREETINGS!

The Arizona National Livestock Show brings participants together from all over Arizona to highlight the excellence and success of the livestock and agriculture industries. This is certain to be one of the winter's finest shows. Be sure to bring family and friends and join in the festivities.

WELCOME

Connie Cowan
ANLS President

Dear Exhibitors,

The Board of Directors, Show Committee and Staff are working very hard to make the 49th Annual Arizona National Livestock Show the best one ever! Each one of you is the key to our success, and with your support, it has become one of the top shows in the country.

Each year we offer new events. This year we are producing our first Professional Rodeo Cowboy's Association Rodeo and expect some of the country's top competitors. We are providing you with the first opportunity to purchase tickets to this sell-out event. You will find an order form in the back of this book.

We have great weather on order, so come enjoy the Arizona sunshine, renew old acquaintances and make some new friends. We appreciate your past support and look forward to your continued participation. See you at the Show!

Sincerely,

Connie Cowan
ANLS President

WELCOME

Grant Boice
Show Director

Dear Exhibitors,

We are pleased to welcome you to the 49th annual Arizona National Livestock Show. We look forward each year to greeting long-time participants in the Show and to meeting exhibitors who are joining us for the first time. We hope you enjoy our Show and the pleasant winter weather we desert dwellers like to boast about.

This is my first year as the Show Director, but I have been involved with the Arizona National since my days as a junior exhibitor. I have also served on the Show Committee and the Executive Committee for many years. During this time, I have seen the Show evolve from a Cattle and Horse Show to a full four species Livestock Show. We take pride in providing top national competition between the best exhibitors in the nation, as well as beyond our borders. We're excited about the 50th Anniversary celebration of our Show next year, a testament to the reputation we enjoy as one of the best Livestock Shows in the nation.

We offer many events during the Show in order to attract a wide audience. These include Cattle, Sheep, Hog and Horse Shows, the Cowboy Classics Art Exhibit and performance, Li'l Buckaroo Rodeo, School Tours, and a Trade Show. And for the first time, we will be hosting a PRCA Rodeo and a Pancake Breakfast for the public.

We hope you and your family will be a part of the Arizona National Livestock Show this year.

Sincerely,

Grant Boice

ANGUS SHOW

Roll of Victory Point Show

JUDGE: Dr. Jim Sanders, Texas A&M University, Texas

JUDGING: 9 a.m., Thursday, January 4, 1996

SUPERINTENDENT: Galyn Knight

ARRIVAL: No earlier than 6 a.m., Monday, January 1, 1996

Check-in Deadline is 6 p.m., Tuesday, January 2, 1996

DEPARTURE: 6 p.m., Friday, January 5, 1996

Class Premium offered by Arizona National	\$4,500.00
Class Premium offered by American Angus Association	\$1,500.00
TOTAL PREMIUM	\$6,000.00

- The American Angus Association (3201 Frederick Boulevard, St. Joseph, MO 64501) pays 25 percent of the total premiums offered for Open Class Angus Breeding Cattle to a maximum of \$1,500.
- A minimum of 50 head must be shown in the Open Class Division to receive American Angus Association premium participation.
- Premiums from the Association are paid by registration number. Therefore, all cattle should be registered at the time of entry to ensure receipt of the Association's portion of premiums.
- The original registration certificate on each animal must be available for inspection at the Show.
- Animals must have legible tattoos to compete.
- Only one person at a time will lead animals into the show ring.
- Any product administered internally or used externally to alter the conformation of an animal is prohibited. This includes the use of graphite, powders, hemp or other similar substances externally and steroids or growth stimulants internally. The exhibition of cattle displaying false hair will not be allowed.

OPEN CATTLE DIVISION

- To be eligible for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's Rules, entitled "Eligibility, Conformation and Structure of Animals Presented for Exhibition."
- Blood typing for parentage verification.** Under Association Rules each animal for which entry application (registration) is received, may be subjected to a blood type test to verify both **accuracy of parentage and blood type** as covered under Association Rules Part 3, Section II, Rule 2(F). Staff of the American Angus Association must supervise the collection of blood samples. Animals are often sampled at shows, fairs or events where the American Angus Association contributes premiums or where Association personnel participate.
- If a recorded parent is excluded (as a parent) as a result of blood type, the owner may request, at his own expense, that the Association determine the actual parent. Failure to determine the sire and dam makes the animal eligible for the Angus Herdbook, and the registration certificate becomes null and void.
- All other rules of this show apply.

AUCTION: 10 a.m., Saturday, January 6, 1996
SUPERINTENDENT: Lyle Wright

ARRIVAL: 6 a.m., Wednesday, January 3, 1996
Check-in Deadline is 6 p.m., Wednesday, January 3, 1996
Orientation, Weigh-in & Eartag is 9 a.m., Thursday, January 4, 1996
DEPARTURE: Immediately after the Sale or must be moved to
the Open Cattle Barn.

**ALL FEEDER STEER ENTRIES ARE SUBJECT TO GENERAL RULES & REGULATIONS.
PLEASE READ THEM CAREFULLY.**

ENTRIES

1. Entry fees are \$35.00 per entry.
2. Minimum entry is a **pen of three**, with an option to enter up to three **individual steers** for a total of six steers per entry.
3. Maximum average weight for the **pen of three steers** is 700 pounds per steer.
4. Maximum weight for **individual steers** is 700 pounds.
5. Entries in the Feeder Steer Division must be postmarked on or before **DECEMBER 1**. However, due to limited pen space, entries are accepted on a first come, first served basis. Entries and fees received after pen space is filled will be returned.
6. Complete the Feeder Steer entry form provided in the back of this book. Indicate the breed for each entry.
7. All animals in a pen must carry the same brand, if branded.
8. Steers must be dehorned, castrated and halter broke.
9. Steers may be purebred, crossbred or grade and must enter the appropriate classes.
10. Steers may be mouthed to verify age.
11. All Feeder Steers must be stalled in the designated area during the entire Show.

SIFTING

12. The Sale Order is determined by the judge's placing of the steers.
13. Feeder Steers showing stagnation will be sifted.

CLASSING

14. Crossbred entries of an unusual genotype or unusually deceptive phenotype are classed by the Feeder Steer Committee taking into consideration:
 - a. The breed of the sire.
 - b. Ascertainable genotype as provided by the exhibitor.
 - c. Ascertainable phenotype shown by the steers.
15. The Feeder Steer Committee may switch entries prior to judging if the pen does not display breed characteristics.

ALTERNATES

16. In the case of sickness of one of the steers entered in the **pen of three**, an alternate chosen from one of the **individuals** entered with that pen, may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Committee Chairman must be notified of the substitution at least two hours prior to Show time.

FEEDER STEER DIVISION

CLASSES

17. Classes will be divided into equitable weight divisions for each breed. The number of classes depends on entries in each breed. **Pen of three and individuals** will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH-IN

18. Feeder Steers will be eartagged and weighed only once. This weight is used to class steers. There will be no weigh-backs.
19. If a question arises about the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal re-weighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be assumed correct.
20. Eartags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Committee Chairman immediately so that it may be replaced.
21. All previous eartags will be removed from steers when eartagged by the Arizona National.
22. The livestock scale at the Agriculture Center is available to Feeder Steer exhibitors one day prior to the official weigh-in. Exhibitors should contact a Feeder Steer Committee member or the Feeder Steer Office for information. **Weights taken at this time are NOT official.**
23. The steers making up the **pen of three** must be identified when eartagged. Other steers are assumed to be in the **individual** section of the Feeder Steer Show.

JUDGING

24. Judges are instructed to discriminate against Feeder Steers considered too fat to be profitable. For the pen of three, judges use the same criteria that a cattle buyer would when purchasing steers for commercial purposes. The decision of the judges for the individuals shown in hand is to be made on the basis of selecting prospective club calves.
25. There must be at least two first place winners in the Feeder Classes to hold a Championship Class unless the judge deems another entry of championship quality.

AUCTION

SALE TIME: 6 p.m., Wednesday, January 3, 1996

SALE OF ANIMALS

1. The Junior Market Auction is a **TERMINAL** Sale.
2. Grand Champion and Reserve Champion of each species must be sold at the Arizona National Junior Market Auction. Only high placing animals are eligible for the Auction. **Junior Market Steer, Market Lamb and Market Hog exhibitors may sell one (1) market animal in the Arizona National Junior Market Auction.** Hog and Sheep Exhibitors with two ribboned animals in one species must sell the highest placed animal.
3. The animals eligible for the Auction are selected in proportion to the numbers entered in their division's classes to a maximum of 50 animals in each species. With the exception of Grand Champions and Reserve Champions, exhibitors have the option of either selling their animals at the Auction or taking their animals home.
 - a. Exhibitors must notify the Junior Steer & Hog Superintendents of the specific animal(s) to be withdrawn from the Auction by the deadline set for that division. **Withdrawal Forms** are in your packet and can also be picked up at the Arizona National Office.
 - b. Exhibitors must notify the Junior Lamb Superintendent of the specific animal(s) to be sold at the Auction by the deadline set for that division. **Sale Selection Forms** are in your packet and can also be picked up at the Arizona National Office.
4. All animals designated for sale must sell in the Auction and go directly to slaughter.
5. **If an exhibitor declares an animal for sale and does not sell their animal at the Auction, the exhibitor will be barred from all future Arizona National Livestock Shows.**
6. Auction Sale Order will be at the discretion of the Junior Committees and approved by the Show Committee.
7. A 7 percent commission is deducted from the exhibitor's sale proceeds for animals sold through the Auction.
8. Animals shown but not selected for the Auction, can be sold at a resale price established for the Auction, with approval of the Sale Committee. A 5 percent commission is deducted from the exhibitor's sale proceeds for animals sold in this group.
9. Junior Exhibitors are not paid for animals sold at the Auction until all debts to the Arizona National incurred by immediate family members, i.e. spouse, father, mother, sister(s), brother(s) and grandparent(s) are paid in full.
10. Any dockage taken by the packer on carcasses of animals sold through the Arizona National Junior Market Auction will be deducted from the exhibitor's sales proceeds, if the dockage is a result of the animal's condition when sold and not due to unusual shipping losses. The amount deducted from the Junior Market Auction proceeds check is calculated by subtracting the docked carcass value from the rail carcass value for like animals sold through the Arizona National Junior Market Auction.
11. If any animal is condemned at slaughter for any reason, the exhibitor will not receive payment for the animal and must accept the consequences without recourse against the Arizona National Livestock Show.

U.S.D.A. WHOLESOME MEAT ACT

12. The U.S.D.A. Wholesome Meat Act applies to all slaughter animals at this show. The Act requires the following:
 - Antibiotic and Sulfonamides have required withdrawal periods.
 - Drug label directions must be followed.

JUNIOR DIVISION

If drug or chemical residues are found in carcass tissue and the carcass is condemned, the exhibitor will reimburse the Arizona National all premium moneys, forfeit sale proceeds from that animal and may be bared from future shows.

Please consult your project leader if you do not understand any of these statements.

U.S.D.A. - Health regulations require that any market animal dipped in toxaphene must go through a 28 day withdrawal period. Those treated with ivermectin must not be slaughtered within 45 days of treatment. Therefore, it is important that exhibitors determine the type of chemical used if the animals must be dipped or treated prior to leaving the point of origin. CO-RAL is accepted by the U.S.D.A. as an acceptable dipping agent that does not require a holding period before slaughter. It is recommended that exhibitors use this agent when dipping market animals.

NOTICE TO ALL MARKET & CARCASS ANIMAL EXHIBITORS

13. Exhibitors at the Arizona National are required to adhere to all pharmaceutical and biological products and U.S.D.A. health regulation and withdrawal dates. Exhibitors not adhering to these dates will have their entry revoked. Market animals must be removed from the Arizona National grounds within 24 hours after being notified.

IVERMECTIN WARNING!!!

THE ARIZONA NATIONAL WILL NOT ACCEPT MARKET OR CARCASS ANIMALS FOR SHOW THAT HAVE BEEN TREATED WITH IVERMECTIN AFTER NOVEMBER 15, 1995. NO EXCEPTIONS!!
