OFFICE OF THE GOVERNOR

PHOENIX, ARIZONA 85007

GREETINGS:

As Governor of the State of Arizona, I would like to extend a warm welcome to those attending the 54th Arizona National Stock Show.

The Arizona National Stock Show is an exciting event for the whole family. This year's festivities promise to be as exciting as past shows. Providing a variety of events for Arizona spectators and exhibitors is a tradition to be proud of and everyone involved should be commended.

I hope that each of you will take the opportunity, after your gathering, to enjoy Arizona's warm hospitality and unique culture and discover that Arizona is a special place to visit.

Once again, welcome and best wishes for a successful event.

Sincerely,

Jane Dee Hull
JANE DEE HULL

Dear Exhibitors,

Welcome to the 54th Arizona National Livestock Show. We are proud to be an integral part of the education of youth in the fields of livestock and agriculture.

We offer a variety of activities in addition to the Junior Market Show. Some of these are livestock judging, FFA Public Speaking, Ladies Lead and Gentleman's Classic, and Sheep Fitting just to name a few. We challenge you the exhibitors to compete in a sportsmanlike way and learn all you can from the experience. The future of agriculture is in your hands.

We strive to keep the Western heritage alive in our Cowboy Classic Art and Gear Show and through our Show dedication. We invite you to the opening December 28. We will be honoring an individual who has spent his life dedicated to the development of agriculture and livestock. Join in his celebration.

Bring in the New Year at the ANLS New Year's Bash. Exhibitors of all ages and their families are welcome. It will be an event you don't want to miss.

We look forward to your visit to the Grand Canyon State.

Sincerely,

Brenda Mayberry

ENTRIES

1. Competition is open to the world, except in Divisions where otherwise stated.
2. Entry forms for the Arizona National Stock Show are in the back of the Premium Book. (Photocopied forms are accepted) See specific Divisions for entry closing dates.
3. Entry and other fees are due with the entry forms. Make checks or money orders payable to the Arizona National and mail to the above address.
4. Other than for overpayment of fees in excess of \$10, entry and other fees are nonrefundable.
5. The Arizona National Show Committee reserves the right to accept or reject any entry or application, to limit entries to available facilities, and to limit the number of entries by an exhibitor. The return of entries under this rule will be done generally and without discrimination on a first come, first served basis.
6. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Arizona National may be shared with other fairs, livestock shows and organizations of fairs and livestock shows.

INTERPRETATION

7. The Arizona National Show Committee reserves the final and absolute right to interpret all rules and regulations, arbitrarily settle and determine all matters, questions and differences in regard to or arising out of or connected with this Show, and the right to amend or to add to these rules as it is determined necessary. An exhibitor who violates any of the rules will forfeit all privileges and premiums and will be subject to such penalty as the Show Committee may order. The Arizona National Stock Show assumes no responsibility for the correctness of any description given in the Premium List.

LIABILITY

8. All exhibitors will be under the control and direction of the Show Management, but Arizona National Livestock Show, Inc. or its officers, directors, agents, or employees or the Arizona State Fair Park and Exposition Center or its officers, directors, agents or employees will in no case be responsible for any loss, injury or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage that may occur to him or his officers, agents, employees, or animals during the Show. The exhibitor shall indemnify the Show against any and all legal proceedings in regard to the above and against damage or injury to any other person or property, caused by the exhibitor, his officers, agents, employees, or animals.

CHECKS AND SERVICE FEES

9. A \$25 service fee is charged on all returned checks.
10. Returned checks must be replaced with cash or money order before premiums will be paid.

11. A late fee of 1% per month will be charged on all accounts not paid within 30 days.
12. The Arizona National Stock Show is not able to cash checks.

CONDUCT

13. An exhibitor who attempts to interfere with or influence judges in any way, or publicly expresses disapproval of a judge's decision in the arena or on the grounds, will be guilty of conduct unbecoming an exhibitor. The exhibitor will forfeit all premiums and be excluded from further competition.
14. Only animals participating in the Show are permitted to be on the Fairgrounds during the Show.

UNETHICAL FITTING

15. Exhibitors are prohibited from showing unethically fitted livestock or livestock of an ineligible age for exhibition. Unethical fitting is any method altering the natural conformation of any part of the animal's body. Animals will be disqualified, if in the opinion of the judge or show management, the animal displays signs of having been operated on or tampered with to conceal faults in conformation or to misrepresent the soundness of the animal.

JUDGES

16. The reputation and ability of a judge is considered during the selection process. Judges may have to explain their placings. This is part of the educational process which assists exhibitors and livestock producers to improve their herds.
17. The decisions of judges are final. When fraud, misrepresentation, error or collusion is discovered, the Show Management or appointed referee may change final placement.

PROTESTS

18. A written protest must be delivered to the appropriate Division Superintendent within six hours of a protested occurrence. A \$50 deposit must accompany the protest. The deposit will be forfeited if the protest is not sustained. Protests will be adjudicated by the Show Committee, whose decision is final.

PARADES AND CONTESTS

19. Exhibitors must ascertain when their livestock will be judged. Animals must be in the ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.
20. If an exhibitor chooses not to show an animal in a class or lot, he/she must notify the Division Superintendent before the class is called.
21. Exhibitors will parade their animals as requested by the Show Management.
22. In order to provide meaningful judging contests, Show Management reserves the right to select exhibitor's animals for use in such contests. Animals will be returned to their pen or stall after the contest.

PREMIUMS AND AWARDS

23. Premiums and awards are stated in the Rules and Regulations of specific Divisions.

24. Premium checks are made out to the owner as named on the entry form. Total premiums of \$600 or more to any individual will be paid only after such individual completes and returns an IRS Form W-9 to the Show. Checks not cashed within sixty (60) days of the date of issue are void.
25. Judges shall award first, second, third, etc. places according to merit; if without merit, the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in a class or lot.

ARRIVALS AND DEPARTURES

26. All cattle will be individually inspected by Livestock Officers from the Animal Services Division of the Arizona Department of Agriculture before entering the barn area. Livestock Officers will inspect arriving livestock only during daylight hours.
27. Upon arrival, all livestock exhibitors are to report to the appropriate barn office to receive stall or pen assignments and to turn in health and inspection papers.
29. All exhibitors of cattle, hogs and sheep must obtain a release from their barn office before leaving the grounds.

CATTLE BLOCKING CHUTES

29. Cattle Blocking chute permits cost \$20 each, payable with entry, and are issued at check in. Blocking chutes are restricted to designated areas with permit attached. Blocking chutes without the ANLS permit will be confiscated and removed from the grounds with no recourse. We suggest exhibitors cooperate with each other to utilize available blocking chutes.

Use of electrical appliances is limited to plug-in outlets provided in stall and blocking chute areas. Removal of light bulbs from any outlet is prohibited. Stapling, attaching or extending an extension cord in an unsafe manner is prohibited.

MUZZLES

33. Any animal muzzled will be barred from the Show.

DOGS

34. Only working dogs are allowed on the grounds and must be kept on a leash at all times. Owners **MUST** have a veterinarian certificate which shows the rabies vaccination date for each dog. Dogs found loose on the grounds will be impounded. For animal health reasons, absolutely no dogs will be allowed in the Swine Barn.

ALL GENERAL RULES & REGULATIONS, OPEN CATTLE RULES & REGULATIONS,
AND CATTLE HEALTH REQUIREMENTS APPLY

ENTRIES

1. Feeder Steer entries must be received by DECEMBER 1. The entry fee of \$40.00 per pen is due with the entry form found in the back of the premium book.
2. Minimum entry is a pen of three. Exhibitors also have the option to enter up to three individual steers for a total of six steers per entry.
3. Maximum average weight for the pen of three steers is 800 pounds.
4. Maximum weight for individual steers is 800 pounds.
5. Due to limited pen space, a maximum of twenty five (25) entries will be accepted on a first come, first served basis. Entries and fees received after pen space is full will be returned.
6. All animals in a pen must carry the same brand, if branded.
7. Steers must be dehorned, castrated and halter broke.
8. Steers may be purebred, crossbred or grade with the appropriate breed class stated on the entry form.
9. Steers may be mouthed to verify age.

TIE OUTS

10. A limited number of tie-outs are available to Feeder Steer and Sun Classic Heifer entries. No fitting of animals is allowed at the tie-outs.

SIFTING

11. Feeder Steers showing stagnation will be sifted.

CLASSING

12. Crossbred entries of an unusual genotype or unusually deceptive phenotype are classed by the Feeder Steer Committee taking into consideration:
 - a. The breed of the sire
 - b. Ascertainable genotype as provided by the exhibitor
 - c. Ascertainable phenotype shown by the steers
13. The Feeder Steer Committee may switch breed classes prior to judging if the pen does not display breed characteristics.

ALTERNATES

14. In the case of sickness of one of the steers entered in the pen of three, an alternate chosen from one of the individuals entered with that pen may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Superintendent must be notified of the substitution at least two hours prior to Show time.

CLASSES

15. Classes will be divided into equitable weight divisions for each breed. The number of classes depends on entries in each breed. The pen of three and the individuals will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH-IN

16. Feeder Steers will be eartagged and weighed one time. This weight is used to class steers. There will be no weigh-backs.
17. If a question arises about the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal re-weighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be considered correct.
18. Eartags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Superintendent immediately so that it may be replaced.
19. All previous eartags will be removed from steers during eartagging at the Arizona National.
20. The livestock scale at the Agriculture Center is available to Feeder Steer exhibitors one day prior to the official weigh-in. Exhibitors should contact a Feeder Steer Committee member or Feeder Steer Office personnel for information. Weights taken at this time are NOT official.
21. The steers making up the pen of three must be identified when eartagged. Other steers are assumed to be in the individual section of the Feeder Steer Show.

JUDGING

22. Judges are instructed to discriminate against Feeder Steers considered too fat to be profitable. For the pen of three, judges use the same criteria that a cattle buyer uses when purchasing steers for commercial purposes. Judging of individual steers is made on the basis of selecting prospective club calves.
23. There must be at least two first place winners in the Feeder Classes to hold a Breed Championship Class unless the judge deems another entry of championship quality.

ELECTRIC GENERATORS

24. Portable electric generators may NOT be operated during the Show or Sale.

AUCTION

25. The Sale Order is determined by the judge's placing of the steers.
26. Pen of three steers are sold by choice lot, on a per head basis. All individuals are sold on a per head basis following the pens.

27. ALL steers in the Feeder Steer Division will sell at Auction. NO Private Treaty Sales are allowed.
28. A 7% commission is charged on all sales and will be deducted from sale proceeds.
29. Terms of Sale are cash or check. Payment is to be made to the clerk on the day of the Auction. A valid drivers license is required on all checks.
30. All sales are final and binding.
31. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

National Code Of Show Ring Ethics

As adopted by the Arizona National Stock Show

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "National Code of Show Ring Ethics," fairs and livestock shows have rules and regulations which they impose on the local, county, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood or other samples taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this Code of Ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be shared with other fairs, livestock shows and organizations of fairs or livestock shows.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read this National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by this code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

LAMB AND GOAT NOSE PRINTING INSTRUCTIONS

PROCEDURE

1. Place the nose print card (or blank 3" x 5" index card) onto a hard surface and secure with clips or rubber bands. A small piece of plywood or pressed board slightly larger than the card is recommended.
2. Dry the animal's nose with a cloth.
3. Press a black ink stamp pad to the animal's nose. There must be sufficient ink on the pad. Do not use an ink roller as they leave too much ink on the nose and smear the print.
4. Lightly press or tap the card to the surface of the animal's nose. Do not roll the card across the nose as that will smear the print.
5. Speed is very important. It works best to have two people to take nose prints, one person drying the nose and another person applying the ink and taking the nose print.
6. Make two (2) prints of the animal on each nose print card. The prints are to be side by side. A separate card is needed for each animal being entered. If using a blank index card, attach the index card with the nose prints to the completed nose print card and write the exhibitor's name, animal's name and animal's breed on the back of the index card.
7. Smeared prints are usually caused by moisture on the animal's nose prior to printing. Prints that are not legible will not be accepted.

Arizona Working Ranch Horse Competition

JUDGES: tba

JUDGING: 9 a.m., Monday, December 31, 2001

CHAIRMAN: Sandy Eastlake

ALL GENERAL AND HORSE HEALTH REQUIREMENTS APPLY.
PLEASE READ THEM CAREFULLY.

The objective of the Arizona Working Ranch Horse Competition is to provide a contest for horses from true working cattle ranches in Arizona. Entries for the event will be by invitation only. Only Arizona ranches whose primary interest is the production of beef cattle and horses will be invited. The Arizona National Stock Show reserves the right to accept or reject any entry at its sole discretion. The number of entries will be limited to sixteen (16) and selected by lottery of entries received.

ENTRIES

1. Entry Deadline. Entry form and fee due in the Show office by **November 1**.
2. The number of entries accepted will be limited to a total of 16, selected by lottery from the entries received. The entry fees from those not selected will be returned.
3. Entries are limited to one horse per ranch.
4. The contest is open to horses of any sex, age or breed. Horses need not be registered with a breed association.
5. Horse ownership must be in the name of the ranch, the ranch owner or an employee of the ranch. The horse must be primarily used on the ranch for ranch work.

CONTEST FORMAT

Each horse will perform a sequence of events. The Judges and/or Committee may alter the events at their sole discretion.

1. **Drywork (40 points)** Rider will have a total of 5 minutes to demonstrate the ability of the horse in this area. At a minimum, rider and horse will complete the following tasks, and may perform additional tasks to demonstrate other talents of the horse.
 - a. **Loading and Unloading** (limited to 2 minutes): Each horse will be led through a gate into the arena, bridled and saddled with rope attached to the saddle. The contestant will then lead the horse to a trailer parked in the arena, load the horse and close the tail gate. The contestant will then open the tail gate and unload the horse.
The trailer will be an open top cattle trailer with full width tail gate. Judges will penalize for horse hesitating to load or unload. Horse backing out of trailer on voice command shall be awarded.
 - b. **Ground Tie and Feet Pickup**: The rider will lead the horse to the center of the arena and drop the reins to the ground (ground tie). With horse ground tied, the rider will pick up each of the four feet of the horse in any order chosen by the rider. Judges will penalize for rider not dropping the reins to the ground, horse not standing still, or rider not picking up all four feet.
 - c. **Handling Ability**: The rider will mount and begin his workout by performing two figure eights at a lope and of sufficient size to demonstrate the horse's ability to change leads. At the completion of the last circle, the horse is to run straight down the side of the arena past center and slide to a stop. The rider will back the horse in a straight line a minimum of 15 feet.

2. **Cattle Work (25 points)**. Time limit of 1 1/2 minutes per steer.
 - a. The rider will ride into a group of numbered steers being held at one end of the arena. An official will call out a number and the rider must separate that steer from the herd. Time will start when the rider enters the herd. The rider must drive the steer across a line at the opposite end of the arena and hold it there under control, with total time not to exceed 1 1/2 minutes. At the end of the 1 1/2 minutes, the official will blow a whistle indicating the time limit on the first steer has expired. Whether the rider has successfully held the steer or not, he must allow the steer to return to the herd. A second number will be called out and the rider will again have 1 1/2 minutes to sort and hold that steer in the same manner as the first steer. Credit will be given for sorting and controlling two steers.
3. **Rope and Drag (25 points)**.
 - a. The rider will ride into a group of numbered cattle being held at one end of the arena. An official will call out a number and the rider has the option of roping the steer in the herd or bringing it out of the herd before roping it. Credit will be given for not distributing the herd while getting the steer in position. The rider will have two loops only to catch his steer, after which the whistle will be blown.
 - b. Once the steer is caught, the rider shall lead, drag or drive the steer to a small pen located at that end of the arena and put the steer in the pen. Unnecessary roughness will be penalized.
 - c. Once in the pen, assistants will help the contestant remove his rope.
4. **Gate Open and Close (10 points)**
 - a. The rider will exit the arena at the same gate as entered by opening and closing the gate from the horse's back.

INTERPRETATION

1. The Arizona National Show Committee reserves the final and absolute right to interpret all rules and regulations, arbitrarily settle and determine all matters, questions and differences in regard to or arising out of or connected with this Show, and the right to amend or to add to these rules as it determines is necessary. An exhibitor who violates any of the rules will forfeit all privileges and premiums and will be subject to such penalty as the Show Committee may order. The Arizona National Stock Show assumes no responsibility for the correctness of any description given in the Premium List.

LIABILITY

2. All exhibitors will be under the control and direction of the Show Management, but Arizona National Livestock Show, Inc. or its officers, directors, agents, or employees or the City of Scottsdale or its officers, directors, agents or employees will in no case be responsible for any loss, injury or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage that may occur to him or his officers, agents, employees, or animals during the Show. The exhibitor shall indemnify the Show against any and all legal proceedings in regard to the above and against damage or injury to any other person or property, caused by the exhibitor, his officers, agents, employees, or animals.

FACILITY RULES

3. Exhibitors must comply with all rules, regulations and policies of WestWorld of Scottsdale. Copies are available from WestWorld and at the Horse Show Office on site.

ENTRIES

4. Competition is open to the world, except in Divisions where otherwise stated.
5. Entries must be made on the current Arizona National Horse Show entry forms. (Photocopied forms are accepted) See specific Show information for entry closing dates.

7. The management is not responsible for errors made on entry forms. Overpayments on entry fees of \$10 or less will not be refunded.
8. Exhibitors must ascertain when their entries will be shown. Exhibitors and horses must be in the ring promptly after being called. Exhibitors failing to comply with this rule may have their entry excluded from competition.
9. If an exhibitor chooses not to show an animal in a class, he/she must notify the Horse Show Secretary before the class is called.
10. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the Arizona National may be shared with other fairs, livestock shows and organizations of fairs and livestock shows.

GENERAL RULES & REGULATIONS**CHECKS AND SERVICE FEES**

11. A \$25 service fee is charged on all returned checks. No exceptions.

UNETHICAL FITTING

16. Exhibitors are prohibited from showing unethically fitted livestock or livestock of an ineligible age for exhibition. Unethical fitting is any method altering the natural conformation of any part of the animal's body. Animals will be disqualified, if in the opinion of the judge or show management, the animal shows signs of having been operated on or tampered with for the purpose of concealing faults in conformation or deception relative to the animal's soundness.

JUDGES

17. Judges' decisions are final. When fraud, misrepresentation, error or collusion is discovered, the Show Management or appointed referee may change final placement.

PROTESTS

18. A written protest must be delivered to the Horse Show Superintendent within six hours of a protested occurrence. A \$50 deposit must accompany the protest. WHAT WE'RE ABOUT

The Arizona National Livestock Show is a non-profit organization, which debuted in 1948 as the Phoenix Stock Show. The response to the first Show was overwhelming, and the plans that were made to continue and expand have carried on for 54 years. Today the Stock Show includes a wide variety of events such as the High School Rodeo, Farm Experience, Cowboy Classics Western Art & Gear Show, Collegiate and Junior Judging Contests, Working Ranch Horse Competitions, and many other events.

We are a national show dedicated to agriculture, youth and livestock competition. Last year the Show brought over 5,000 exhibitors from 27 states to enjoy the warmth of our desert clime and western hospitality.

The Arizona National Stock Show offers educational scholarships to encourage and support students who demonstrate an interest in agriculture. Historically this program has provided annual awards of close to \$30,000 to college level students and to a variety of 4-H and FFA programs.

The Arizona National takes pride in providing a window into the rural lifestyle for the general public. We currently attract over 25,000 people to the Show each year.
