GREETINGS!

As Governor of the State of Arizona, I would like to extend a warm welcome to the exhibitors planning to attend the 60th Annual Arizona National Livestock Show.

The Arizona National Livestock Show is an exciting event for the whole family to enjoy. Festivities include shows and activities aimed at supporting youth and promoting education of livestock and agriculture. Providing a variety of events for Arizona spectators and the many out of state exhibitors is a tradition to be proud of and everyone involved should be commended.

I hope everyone attending this exciting event has a wonderful time and takes an opportunity to enjoy Arizona's warm hospitality and unique culture. Many people, many lands and many faiths have come together to make Arizona an unforgettable travel destination.

Once again, welcome and best wishes for a successful event!

Yours very truly,

Janet Napolitano
Governor

Dear Exhibitors,

Welcome to the 60th Arizona National Livestock Show. We extend a hearty welcome to junior and open exhibitors from across the country. We are proud of our tradition of supporting agriculture and our Western heritage.

The Arizona National Livestock Show is an exciting time which offers a variety of events. In addition to the livestock shows we host Li'l Buckaroo Rodeo, feeder steer and heifer sales, WRCA Sanctioned Ranch Rodeo, Collegiate judging contests, tractor pull and many other activities. We also invite you to attend the family oriented New Year's Eve Bash.

We look forward to your participation at this year's ANLS and we appreciate your support and wish you success. As a fellow exhibitor I look forward to meeting you this year as we spend our time in the barns and at the show ring. We hope you enjoy your experience at the Show.

As Always Happy Trails to You and Yours

Sincerely,

Terry Van Hilsen
ANLS President

LIABILITY

8. All exhibitors will be under the control and direction of the Show Management, but Arizona National Livestock Show, Inc. or its officers, directors, agents, or employees or the Arizona State Fair Park and Exposition Center or its officers, directors, agents or employees will in no case be responsible for any loss, injury or damage that may occur. Each exhibitor will be solely responsible for any loss, injury or damage that may occur to him or his officers, agents, employees, or animals during the Show. The exhibitor shall indemnify the Show against any and all legal proceedings in regard to the above and against damage or injury to any other person or property, caused by the exhibitor, his officers, agents, employees, or animals.

CHECKS AND SERVICE FEES

9. A \$25 service fee is charged on all returned checks.
10. Returned checks must be replaced with cash or money order before premiums will be paid.
11. A late fee of 1% per month will be charged on all accounts not paid within 30 days.
12. The Arizona National Livestock Show is not able to cash checks.

CONDUCT

13. Direct criticism or interference with the judge, livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
14. Only animals participating in the Show are permitted to be on the Fairgrounds during the Show.
15. **Exhibitors are expected to properly care for their animals and to maintain the cleanliness of their animals, stalls and pens. Department Superintendents will notify exhibitors of improper care. The Superintendent, in concurrence with the Executive Director, may disqualify the animal(s) and require immediate removal from the grounds if improper care continues after notification.**

UNETHICAL FITTING

16. Exhibitors are prohibited from showing unethically fitted livestock or livestock of an ineligible age for exhibition. Unethical fitting is any method altering the natural conformation of any part of the animal's body. Animals will be disqualified, if in the opinion of the judge or show management, the animal displays signs of having been operated on or tampered with to conceal faults in conformation or to misrepresent the soundness of the animal.

JUDGES

17. The reputation and ability of a judge is considered during the selection process. Judges may have to explain their placings. This is part of the educational process which assists exhibitors and livestock producers to improve their herds.
18. The decisions of judges are final. When fraud, misrepresentation, error or collusion is discovered, the Show Management or appointed referee may change final placement.

PROTESTS

19. A written protest must be delivered to the appropriate Division Superintendent within six hours of a protested occurrence. A \$50 deposit must accompany the protest. The deposit will be forfeited if the protest is not sustained. Protests will be adjudicated by the Show Committee, whose decision is final.

PARADES AND CONTESTS

20. Exhibitors must ascertain when their livestock will be judged. Animals must be in the ring promptly after being called. Exhibitors failing to comply with this rule may have their animals excluded from competition.
21. If an exhibitor chooses not to show an animal in a class or lot, he/she must notify the Division Superintendent before the class is called.
22. Exhibitors will parade their animals as requested by the Show Management.
23. In order to provide meaningful judging contests, Show Management reserves the right to select exhibitor's animals for use in such contests. Animals will be returned to their pen or stall after the contest.

PREMIUMS AND AWARDS

24. Premiums and awards are stated in the Rules and Regulations of specific Divisions.
25. ANLS may apply premium proceeds to amounts owed by an exhibitor, owner or their immediate family members. If such amounts owed are deducted from premium proceeds, a \$25.00 administrative fee will be deducted. Premiums will be paid as soon as possible after the Show.
26. Premium checks are made out to the owner as named on the entry form. Total premiums of \$600 or more to any individual will be paid only after such individual completes and returns an IRS Form W-9 to the Show. Checks not cashed within sixty (60) days of the date of issue are void and will NOT be reissued.
27. Judges shall award first, second, third, etc. places according to merit; if without merit, the judge shall make no award under any circumstances. This rule applies whether there are one or more entries in a class or lot.

ARRIVALS AND DEPARTURES

28. All cattle will be individually inspected by Livestock Officers from the Animal Services Division of the Arizona Department of Agriculture before

entering the barn area. Livestock Officers will inspect arriving livestock only during daylight hours.

29. Upon arrival, all livestock exhibitors are to report to the appropriate barn office to receive stall or pen assignments and to turn in health and inspection papers.
30. All exhibitors of cattle, sheep, goats and hogs must obtain a release from their barn office before leaving the grounds.

CATTLE BLOCKING CHUTES

31. Cattle Blocking chute permits cost \$20 each, payable with entry, and are issued at check in. **Blocking chute permits may be purchased at check-in for \$40 each.** Blocking chutes are restricted to designated areas with permit attached. **Blocking Chutes are NOT allowed in the Open Cattle / Feeder Cattle Tie-outs.** Blocking chutes without the ANLS permit will be confiscated and removed from the grounds with no recourse. We suggest exhibitors cooperate with each other to utilize available blocking chutes.

ELECTRICAL GENERATORS AND EQUIPMENT

32. All fans, blowers, hand clippers and other electrical appliances must be equipped with a ground wire. Use of electrical appliances is limited to plug-in outlets provided in stall and blocking chute areas. Removal of light bulbs from any outlet is prohibited. Stapling, attaching or extending an extension cord in an unsafe manner is prohibited.
33. Electric Power is NOT available in the Junior Cattle Barn. Fans, blowers or clippers may not be operated inside the Junior Cattle Barn.
34. Portable electric generators whether owned, rented or borrowed, which are operated by an exhibitor at the Arizona National Livestock Show, must be equipped with Ground Fault Interrupter (G.F.I.) outlets. **NO EXCEPTIONS!**
35. Use of electrical appliances and hookups will be inspected by the Show Electrician. Violations will result in the confiscation of any such extension cord(s) and/or appliance(s).

MUZZLES

36. Lambs and goats with muzzles must be bedded on shavings or straw with no carpet or other synthetic material. Only mesh muzzles are allowed.

DOGS

37. **NO DOGS are allowed on the grounds except handicap service animals and dogs with specific prior authorization from ANLS.** Dogs found on the grounds will be impounded.

PHOTOGRAPHS

38. The Arizona National Livestock Show reserves the right to use any and all photographs and films taken during the Show for publicity purposes.

FEED AND SUPPLY

39. A complete Feed Store operates during the Show. The Feed Store accepts cash only. Premium moneys or Auction sale receipts cannot be applied to feed bills.

41. Vehicles must park in designated areas.
42. After unloading, livestock trailers must be parked in areas designated by the Show Management.
43. No Exhibitor vehicles may be inside the admission fence between 7:30 a.m. and 6:00 p.m. daily.
44. Improperly parked vehicles and trailers are subject to removal by the Show Management at owner's expense. Owners of vehicles or trailers towed by Show Management will be fined \$50 in addition to towing expense.

PEDESTRIAN SAFETY

CAREFULLY READ ALL RULES

Rule Changes are in **bold print**

THE NATIONAL PREMISE IDENTIFICATION NUMBER for the Arizona State Fairgrounds is 005E1E5. This number may be needed for recording movement to, from or within some states under the National Animal Identification System.

In addition to the following Arizona National Livestock Show health requirements, all livestock moved into and within the State are subject to rules and regulations of the Arizona Department of Agriculture. Contact the Office of the Arizona State Veterinarian at (602) 542-4293 for any additional requirements. **No animal may be entered in the Show that is currently under quarantine for, or recently exposed to, infectious or contagious disease, or has mange, lice, ringworm, abscesses or ulcerations.**

NOTICE TO MARKET ANIMAL EXHIBITORS

USDA health regulations require that market animals treated with drugs, pesticides or any other chemical must go through the prescribed withdrawal period as listed on the label. Therefore, it is important that exhibitors determine the type of treatments used and proper withdrawal time if the animals must be dipped or treated prior to leaving the point of origin.

Exhibitors of market animals will be required to present a signed wholesome meat certification to Show Officials at weigh-in. The Certification will state that the animal is not adulterated within the meaning of the Federal Food, Drug, and Cosmetic Act or the Wholesome Meat Act including the following:

1. The animal does not have any illegal level of any drug or other chemical residue.
2. The withdrawal periods for all approved medications, drugs, pesticides, or feed additives administered has been adhered to.
3. The animal has not been fed any feed known to contain protein derived from mammalian tissues such as meat and bone meal (does not apply to swine).
4. The above statements will remain true throughout the Show.

CATTLE HEALTH & BRAND INSPECTION REQUIREMENTS

Cattle are inspected by show officials before entering the barn area. The Show Veterinarian reserves the right to require testing after entries are on the grounds and to order removal of animals not meeting health requirements or that pose a health threat to other animals. If known, the National Premises Identification Number of the premises from which the animals are being shipped should be included on Brand Inspection and Certificate of Veterinary Inspection documents. For more information about a National Premises Identification Number, contact your state veterinarian.

American Angus Association Participation Statement

1. The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
2. A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.
3. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of-sire, junior get-of-sire or breeder six-head).
4. Exhibitors must have the original registration certificate on each animal available for inspection at the show. Electronically stored registration certificates are NOT accepted – only the original certificates issued by the American Angus Association. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.
5. Any female shown with calf at side, the calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check in.
6. Only one person at a time shall lead animals into the show ring.

7. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2; Association Rules; Rule 800 Series; including Rule 800 - 811. These rules can be found at www.angus.org.
8. Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.
9. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.
10. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
11. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
12. Any classes listed in the classifications, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date. Class breaks will be at the discretion of the American Angus Association staff in attendance.
13. Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown - Champion and Reserve Champion placings are not counted in number of head shown
14. All other general and division rules of this Show apply.

ALL GENERAL RULES & REGULATIONS AND CATTLE HEALTH REQUIREMENTS APPLY

ELIGIBILITY OF EXHIBITS

1. Animals must be registered with the International Brangus Breeders Association (IBBA) to be eligible to compete. The registration certificate (or scramble marked photocopy) for each entry must be available for presentation to the superintendent or show manager at the time entries are verified prior to judging.
2. The IBBA and its representatives have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.
3. The registration number, permanent animal identification number (tattoo or brand), birthdate and sire of each animal entered in an individual class must be listed on the entry form.
4. Animals eligible to be shown in group classes must be entered and shown in respective individual classes.
5. Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots) and be free of scurs and/or slick spots.
6. An animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap, will be disqualified from showing.
7. Any animal upon check-in which does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. Once disqualified due to incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.
8. Any Brangus animal recorded in the IBBA registry that has a "Parentage Dispute" listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.
9. In IBBA sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal artificially filled will be banned from the show ring for one year, and the animal will be

disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.

10. No animal may be shown that has foreign objects glued to or otherwise attached, in a manner so as to alter its conformation or change its appearance. Tail ties and hair nets used on the tail and switch are the only exceptions.
11. All Brangus bulls 15 months and older that are exhibited at IBBA-sponsored show (four national shows) must have passed a fertility exam administered by a licensed veterinarian to be eligible to show. Exam results should be sent to IBBA where they will be kept on file. Once a bull has a positive exam on file with IBBA, retesting is not required.
12. If an animal sells at public auction, the sale date becomes the date of ownership of that animal.
13. Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Show Sire of the Year, Show Bull of the Year, and Show Heifer of the Year awards.
14. All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of IBBA entitled "Inspection of Exhibits".

INSPECTION OF EXHIBITS

1. The IBBA and its representatives have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to and cover the enforcement of all show rules as adopted by IBBA.
2. Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or those of the relevant show.
3. For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.
4. Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by IBBA in order to determine whether dental development is within allowable limits for the class entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.
5. Any exhibitor desiring to dispute or challenge the results of any such test, exam or show rule enforcement as applied to his or her animal shall do so in accordance with procedures established by the Rules of IBBA.

6. Appeal: An appeal from the decision of the veterinarian or IBBA-designated association representatives under sections 1 and 4 of the "Inspection of Exhibits" may be made to the Executive Committee of the IBBA if the following requirements are satisfied: 1) The appeal is in writing and is signed by the appealing party, and 2) the appealing party files the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian's or designated association representative's decision was made. If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, then said committee shall hold a hearing at which the appealing party, and the veterinarian or designated association representative whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Executive Committee shall render a decision which shall be final and conclusive.

IBBA BLOOD TYPING FOR PARENTAGE VERIFICATION

- Each Brangus animal for which an entry application or registration is received may be subject to a blood typing test in order to verify both accuracy of parentage and blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) Inspection of Exhibits.
- At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and blood type. Staff or representatives of IBBA will supervise the collection of blood samples which can be taken at shows, fairs and events where IBBA contributes premium money or where IBBA staff personnel participate. Costs of the blood typing procedure will be paid for by IBBA.
- If a record parent is excluded (as a parent) as a result of blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a "Parentage Dispute," and the animal will be ineligible for future shows and exhibitions.

Withdrawals can not be made after entries have been weighed and tagged.
15. Feeder steer classes will be offered for the following breeds:

Hereford	European Breeds and European Breed Crosses
Shorthorn	All Other Breeds and Crossbreds

ALTERNATES

16. In the case of sickness of one of the steers entered in the pen of three, an alternate chosen from one of the individuals entered with that pen may be shown if that individual has the same breed characteristics as the entered pen. The Feeder Steer Superintendent must be notified of the substitution at least two hours prior to Show time.

CLASSES

17. Classes will be divided into equitable weight divisions for each breed. The number of classes depends on entries in each breed. The pen of three and the individuals will be divided and classed by the Feeder Steer Committee.

EARTAG & WEIGH IN

18. Feeder Steers will be ear tagged and weighed one time. This weight is used to class steers. There will be no weigh backs.
19. If a question arises about the weight of an animal, that animal will be taken off the scale, the scale checked and balanced, and the animal re-weighed immediately. The animal in question cannot leave the scale area until the dispute is settled. If an exhibitor leaves the scale area without registering a protest, the scale weight will be considered correct.
20. Ear tags must not be tampered with for any reason. If a tag is lost, contact the Feeder Steer Superintendent immediately so that it may be replaced.
21. All previous ear tags will be removed from steers during ear tagging at the Arizona National.
22. The livestock scale at the Agriculture Center is available to Feeder Steer exhibitors one day prior to the official weigh-in. Exhibitors should contact a Feeder Steer Committee member or Feeder Steer Office personnel for information. Weights taken at this time are NOT official.
23. The steers making up the pen of three must be identified when ear tagged. Other steers are assumed to be in the individual section of the Feeder Steer Show.

JUDGING

24. Judges are instructed to discriminate against Feeder Steers considered too fat to be profitable. For the pen of three, judges use the same criteria that a cattle buyer uses when purchasing steers for commercial purposes. Judging of individual steers is made on the basis of selecting prospective club calves.
25. There must be at least two first place winners in the Feeder Classes to hold a Breed Championship Class unless the judge deems another entry of championship quality.

ELECTRIC GENERATORS

26. Portable electric generators may NOT be operated during any Shows or Sales being held in the Agriculture Center.

AUCTION

27. The Sale Order is determined by the judge's placing of the steers.
28. Pen of three steers are sold by choice lot, on a per head basis. All individuals are sold on a per head basis following the pens.
29. ALL steers in the Feeder Steer Division will sell at Auction. NO Private Treaty Sales are allowed.
30. A 7% commission is charged on all sales and will be deducted from sale proceeds.
31. Terms of Sale are cash or check. Payment is to be made to the clerk on the day of the Auction. A valid drivers license is required on all checks.
32. All sales are final and binding.
33. Consignors to the Feeder Steer Sale will receive their checks through the mail as soon as possible after the close of the Show.

National Code Of Show Ring Ethics
As adopted by the Arizona National Livestock Show

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior class exhibitors who compete in structured classes of competition. This code applies to all junior livestock offered in any event at a livestock show. In addition to the "National Code of Show Ring Ethics," fairs and livestock shows have rules and regulations which they impose on the local, county, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of policies for all junior exhibitors and all junior livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of volatile drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood or other samples taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the

time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this Code of Ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be shared with other fairs, livestock shows and organizations of fairs or livestock shows.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read this National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by this code. ARIZONA NATIONAL LIVESTOCK SHOW JUNIOR MARKET LAMB NOSE PRINTING INSTRUCTIONS

ALL JUNIOR MARKET LAMB ENTRIES MUST INCLUDE A NOSE PRINT AND SIGNED NOSEPRINT CARD ALONG WITH THE ENTRY FORM.

PROCEDURE

1. Place the nose print card (or blank 3" x 5" index card) on a hard surface and secure with clips or rubber bands. A small piece of plywood or pressed board slightly larger than the card is recommended.
2. Dry the animal's nose with a paper towel.
3. Press a black ink stamp pad to the animal's nose. There must be sufficient ink on the pad. Do not use an ink roller as they leave too much ink on the nose and smear the print.
4. Lightly tap the card to the surface of the animal's nose. Do not roll the card across the nose as that will smear the print.
5. Speed is very important. It works best to have two people taking nose prints, one person drying the nose and another person applying the ink and taking the nose print.
6. Make two (2) prints of the animal on each nose print card. The prints are to be side by side. A separate card is needed for each animal being entered. If using a blank index card, attach the index card with the nose prints to the completed nose print card and write the exhibitor name **and identification of the animal** on the back of the index card. **Please use only one side of a card for nose prints.**
7. Smear prints are usually caused by moisture on the animal's nose prior to printing. Prints that are not legible will not be accepted.

SALE OF JUNIOR MARKET ANIMALS

SUPERINTENDENT: Brenda Mayberry

ASSISTANT SUPERINTENDENT: Gary McKenzie

AUCTION begins at 1:00 pm, Tuesday January 1, 2008

ELIGIBILITY

1. A maximum of 50 steers, 50 lambs, 50 swine and 15 goats will be sold at the Junior Market Auction. In addition to these maximum numbers, Best Arizona Breed Champions are invited to sell at the end of the Auction.
2. The Grand Champion and Reserve Grand Champion of each species must be sold at the Junior Market Auction.
3. Except for the Grand Champions and Reserve Grand Champions, animals may be withdrawn from the Auction by the exhibitor. Exhibitors intending to withdraw an animal from the Auction must notify that Superintendent by 10:00 am the day prior to the Auction (December 31).
4. Animals not withdrawn from the Auction (declared to sell) are limited to:
 - a. No more than one (1) animal per exhibitor
 - b. Exhibitor's highest placing lamb or hog or goat. **This does not apply across species. For example, an exhibitor may sell a 3rd place swine and withdraw their 2nd place goat.**

AUCTION SALES

5. The Junior Market Auction is a TERMINAL Sale. All animals designated for sale must sell in the Auction and will go directly to slaughter.
6. If an exhibitor does not withdraw their animal from the auction or declares an animal to be sold at Auction and does not sell their animal at the Auction, the exhibitor may be barred from all future Arizona National Livestock Shows.
7. The Sale Order within each species will be: Grand Champion, Reserve Grand Champion, Best Arizona, Breed Champions, Reserve Breed Champions, and then Class Placing. Priority within class placing will be by breed with the higher number of entries showing then by class show order in descending order.
8. Twenty percent (20%) of the amount of the gross selling price that exceeds market price, as established by the Auction Committee, will be deducted. These proceeds will cover auction expenses and benefit the ANLS Scholarship Fund.

NON-AUCTION SALES

9. Animals not selected for the Auction can be sold at the market price for the Auction as established by the Auction Committee. A 5% commission is deducted from the exhibitor's sale proceeds for animals sold in this group.
10. Exhibitors must notify the ANLS Office and the division superintendent of their intention to sell in this group by 5:00 p.m. the day prior to the Junior Market Auction.

SALE PROCEEDS

11. Junior Exhibitors are not paid for animals sold until all debts to the Arizona National incurred by the exhibitor and the exhibitor's immediate family members are paid in full. ANLS may apply sale proceeds to amounts owed by an exhibitor, owner or their immediate family members. If such amounts owed are deducted from sale proceeds, a \$25.00 administrative fee will be deducted.

12. Dockage taken by the packer for carcasses of animals sold will be deducted from the exhibitor's sale proceeds if the dockage is a result of the animal's condition when sold, and not due to unusual shipping losses. The amount deducted from the sale proceeds is calculated by subtracting the docked carcass value from the rail carcass value for like animals sold.
13. If an animal is condemned at slaughter for any reason, the exhibitor will not receive payment for the animal and must accept the consequences without recourse against the Arizona National Livestock Show.

CONDUCT

14. Animals can NOT be decorated with graffiti, glitter, ribbons, bows, articles of clothing or anything that distracts from the animal's natural appearance in the sale ring.
15. Exhibitors must show their own animal in the sale ring.
16. Violation of Junior Auction rules will result in a fine up to the amount, which equals the difference between market and actual price. The Show Committee has full discretion to determine the amount of the fine on a case-by-case basis.

NOSE PRINTS

EQUIPMENT NEEDED

- Terry cloth towels
- Stamp pad. The regular office supply 3" x 5" felt pad is adequate
- Head gate or squeeze chute
- 3" x 5" non-lined standard index cards for practicing
- A 1/4" x 3" x 5" wood block or some solid backing support for the card

SUGGESTIONS

- Wipe the nose dry with terry cloth towel before applying the ink
- When taking the actual print, do not use too much pressure
- Practice on 3" x 5" index cards

PROCEDURE

1. Place the animal in a head gate or blocking chute. A halter may also be helpful.
2. Standing to the side of the steer, reach over and around the head. Use a towel to thoroughly dry the non-haired area of the muzzle.
3. Immediately cover the non-haired area with ink. Start the edge of the pad at the lower edge of the nose, then roll the pad upward toward the face.
4. Using the block of wood for support, immediately press the index card against the nose.
5. Roll the card upward, using the same procedure as described for applying the ink.
6. If the print is smeared because of movement or moisture from the nose, repeat the sequence.

It is extremely important to thoroughly dry the nose prior to applying the ink and to quickly lift the print before perspiration appears. Moisture will cause the ink to run and to fill up the grooves of the nose. This will result in a smeared print, thus a rejected nomination.

NOSE PRINTS

EQUIPMENT NEEDED

- Terry cloth towels
- Stamp pad. The regular office supply 3" x 5" felt pad is adequate
- Head gate or squeeze chute
- 3" x 5" non-lined standard index cards for practicing
- A 1/4" x 3" x 5" wood block or some solid backing support for the card

SUGGESTIONS

- Wipe the nose dry with terry cloth towel before applying the ink
- When taking the actual print, do not use too much pressure
- Practice on 3" x 5" index cards

PROCEDURE

1. Place the animal in a head gate or blocking chute. A halter may also be helpful.
2. Standing to the side of the steer, reach over and around the head. Use a towel to thoroughly dry the non-haired area of the muzzle.
3. Immediately cover the non-haired area with ink. Start the edge of the pad at the lower edge of the nose, then roll the pad upward toward the face.
4. Using the block of wood for support, immediately tap the index card against the nose.
5. If the print is smeared because of movement or moisture from the nose, repeat the sequence.

It is extremely important to thoroughly dry the nose prior to applying the ink and to quickly lift the print before perspiration appears. Moisture will cause the ink to run and to fill up the grooves of the nose. This will result in a smeared print, thus a rejected nomination.

**3rd Annual
Arizona National
Supreme Stock Horse
Trophy Buckle and \$500 Added Money**

**Special Award Sponsored by Clay White Ranches
Added Money Sponsored by the Arizona National Livestock Show**

When working cattle on the ranch, one horse is used for all aspects of your work. The Arizona National sponsors this award to recognize the modern day show horse that best exemplifies the qualities needed in a working stock horse.

A special award and prize money will be awarded to the overall highest scoring horse entered in the Arizona National NCHA or AQHA Cutting, AQHA Roping (Calf Roping, Heading or Healing Only) and AQHA or NRCHA Working Cow Horse classes.

Nomination

The nomination fee is \$25 per horse. The horse must be nominated prior to the start time of the first event. Nomination may be made through the Cutting or Quarter Horse Secretary.

Scoring

Scores will be counted from four categories: cutting, roping, cow horse dry work and cow horse cow work. The highest single score from each of the four categories will be considered, totaling those four scores for a final score. In case of a tie, the second highest score will be used. If still tied, show management will establish another event to break the tie which may include a match race.

Horses can be entered in several roping classes, but only the single highest score will be counted. Highest Cow Horse dry work and cow work need not be from the same run.

Awards

The owner of the overall Supreme Stock Horse will be awarded a special award and prize money of \$500 plus 100 percent jackpot of the Supreme Stock Horse nomination fees paid.
