

Stockdog Trials

Cattle and Sheep dog trials, also known as stock dog trials, are competitive events where herding dogs, often Border Collies or Australian Shepherds, demonstrate their skills in working livestock, particularly cattle. These trials are not only a showcase of the dogs' herding abilities but also a practical test of their usefulness in ranching and farming operations.

**JOIN US AT THE ARIZONA NATIONAL LIVESTOCK SHOW THIS YEAR TO WATCH
SOME OF THE TOP STOCK DOGS IN THE COUNTRY DO WHAT THEY DO BEST!**
